It's All About the Face Cindy Richard,Phyllis Cullen,2020-11-11 How do you Quilt a Face? How do you bring your favorite people to life with fabric? Fabric portrait artists and teachers, Phyllis Cullen and Cindy Richard, show you how to create amazing, true-to-life portraits! It's All About the Face was born when the authors realized there was little available instruction about how to quilt faces. Having taught the subject for years, they decided to collaborate. Capturing the essence of a subject is the goal. Phyllis and Cindy have applied the rules of fine art to quilting faces. The book offers in-depth direction - even if you cannot draw, have never taken an art class or even a sewing class. Using large, full color, detailed images as examples, the authors lead the reader step by step through the process of: - Composing a portrait so it tells a story and WOWS the viewer - Using digital technology to reveal the values in every face - Selecting fabrics - Creating a totally recognizable fabric collage - Quilting your masterpiece by following anatomical contours The authors offer tips about lighting, taking reference photos, and photographing your finished quilts. They make recommendations about needles, thread, surface design, and even how to please the judges! Finally, Phyllis, who is also a doctor, touches on ways to keep your hands healthy. Cindy and Phyllis want you to succeed! They offer classes and workshops to support the book and stand ready to answer your questions and help you with your projects. They feel confident that anyone who follows their instructions will get a great start on the fascinating journey that is All About the Face!

Inhuman Warlock Demonic_angel,2022-02-10 [Webnovel provides the latest update of Inhuman Warlock novels] The boy

has no powers, they claimed. And thus, the Son of strongest Warlock was declared useless and sent to his death. But was it really possible for the son of the greatest heroes of humankind to be useless? Or was it the biggest mistake the humans made that cost them everything and drove a potential Warlock to the dark side?

Lucifer Azarel was the son of humanity's strongest Awakened humans, in a world where people awakened various powers. After his parents perished for the sake of humanity, he was sent to the government facility so that they could keep an eye on his powers when they awakened. Unfortunately, even after 5 years, his powers didn't awaken. The government gave up on the boy and allowed the scientists to use him as an experimental subject for their painful tests on the human bodies, but on the first test itself, Lucifer died. He saw the smile on the scientist's face even as he took his last breath. Was it truly the end? But what happens when the boy truly awakens? What if he awakened not one, but more than four powers that were capable of destroying the world itself if used properly? The strongest Warlock who could have been humankind's greatest protector was driven to become it's biggest enemy. What happens when the boy that has awakened several powers at once starts seeking vengeance. Can the protectors of humanity face the wrath of the Strongest Warlock? Can they stop the person who kills without blinking? Or are they destined to be swallowed by the Darkness they created?
