Everything You Need To Know David Icke, The 'mad man' who has been proved right again and again and again David Icke has been warning for nearly 30 years of a coming global Orwellian state in which a tiny few would enslave humanity through control of finance, government, media and a military-police Gestapo overseeing 24/4 surveillance of a microchipped population. He has said that 'physical' reality is an illusion and what we think is the 'world' is a holographic simulation or 'Matrix' created by a non-human force to entrap human perception in ongoing servitude. They called him 'crazy', 'insane', a 'lunatic', and he was subjected to decades of ridicule, dismissal and abuse. Oh, but how things change. Today his books are read all over the world and his speaking events are watched by thousands on every continent. Why? Because what he has been so derided for saying is now happening in world events and even mainstream scientists are

concluding that reality is indeed a simulation.

Woman Evolve Sarah Jakes Roberts, 2021-04-06 A New York Times bestseller! With life lessons she's learned and new insights from the story of Eve, Sarah Jakes Roberts shows you how past disappointments, struggles, and even mistakes can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In *Woman Evolve*, Sarah helps you understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn't do better. With scriptural lessons, Eve as the framework, and Sarah as your guide you will discover and work through: Past issues and insecurities that haunt you Seeing yourself as God sees you and trusting Him with who you really are How to come out of darkness and pursue a real relationship with God Why it's

important to truly care for yourself Setting in motion the beautiful seed that God planted in you Your fears and insecurities may have changed how you viewed God, others, and yourself, but in Woman Evolve, you can break through and use past mistakes to revolutionize your life. Like Eve, you don't have to live your future defined by your past.

Grandma Gatewood's Walk Ben

Montgomery,2014-04-01 Winner of the 2014 National Outdoor Book Awards for History/Biography Emma Gatewood told her family she was going on a walk and left her small Ohio hometown with a change of clothes and less than two hundred dollars. The next anybody heard from her, this genteel, farm-reared, 67-year-old great-grandmother had walked 800 miles along the 2,050-mile Appalachian Trail. And in September 1955, having survived a rattlesnake strike, two hurricanes, and a run-in with gangsters from Harlem, she stood atop Maine's Mount Katahdin. There she sang the first verse of America, the Beautiful and proclaimed, I said I'll do it, and I've done it. Grandma Gatewood, as the reporters called her, became the first woman to hike the entire Appalachian Trail alone, as well as the first person—man or woman—to walk it twice and three times. Gatewood became a hiking celebrity and appeared on TV and in the pages of Sports Illustrated. The public attention she brought to the little-known footpath was

unprecedented. Her vocal criticism of the lousy, difficult stretches led to bolstered maintenance, and very likely saved the trail from extinction. Author Ben Montgomery was given unprecedented access to Gatewood's own diaries, trail journals, and correspondence, and interviewed surviving family members and those she met along her hike, all to answer the question so many asked: Why did she do it? The story of Grandma Gatewood will inspire readers of all ages by illustrating the full power of human spirit and determination. Even those who know of Gatewood don't know the full story—a story of triumph from pain, rebellion from brutality, hope from suffering.
