Running the Rift Naomi Benaron, 2012-10-16 Running the Rift follows the progress of Jean Patrick Nkuba from the day he knows that running will be his life to the moment he must run to save his life. A naturally gifted athlete, he sprints over the thousand hills of Rwanda and dreams of becoming his country's first Olympic medal winner in track. But Jean Patrick is a Tutsi in a world that has become increasingly restrictive and violent for his people. As tensions mount between the Hutu and Tutsi, he holds fast to his dream that running might deliver him, and his people, from the brutality around them. Winner of the Bellwether Prize for Socially Engaged Fiction, Naomi Benaron has written a stunning and gorgeous novel that—through the eyes of one unforgettable boy—explores a country's unraveling, its tentative new beginning, and the love that binds its people together.

**The White Wampum** E. Pauline Johnson, 2019-12-09 The White Wampum is the first and the most famous collection of poems by E. Pauline Johnson, a Canadian writer and performer of Mohawk and English heritage. With vivid imagery, raw emotion, and a unique perspective, these poems are sure to captivate and inspire. Whether you're a lover of poetry or simply seeking a new perspective, this collection is a must-read.

Paddling Her Own Canoe Veronica Strong-Boag, Carole Gerson, 2017-06-22 Frequently dismissed as a 'nature poet' and an 'Indian Princess' E. Pauline Johnson (1861-1913) was not only an accomplished thinker and writer but a contentious and passionate personality who 'talked back' to Euro-Canadian culture. Paddling Her Own Canoe is the only major scholarly study that examines Johnson's diverse roles as a First Nations champion, New Woman, serious writer and performer, and Canadian nationalist. A Native advocate of part-Mohawk ancestry, Johnson was also an independent, self-supporting, unmarried woman during the period of first-wave feminism. Her versatile writings range from extraordinarily erotic poetry to polemical statements about the rights of First Nations. Based on thorough research into archival and published sources, this volume probes the meaning of Johnson's energetic career and addresses the complexities of her social, racial, and cultural position. While situating Johnson in the context of turn-of-the-century Canada, the authors also use current feminist and post-colonial perspectives to reframe her contribution. Included is the first full chronology ever compiled of Johnson's writing. Pauline Johnson was an extraordinary woman who crossed the racial and gendered lines of her time, and thereby confounded Canadian society. This study reclaims both her writings and her larger significance.

**Flint and Feather** E. Pauline Johnson, 1917 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**Fic** Anne Jamison, 2013-11-26 What is fanfiction, and what is it not? Why does fanfiction matter? And what makes it so important to the future of literature? Fic is a groundbreaking exploration of the history and culture of fan writing and what it means for the way we think about reading, writing, and authorship. It's a story about literature, community, and

technology—about what stories are being told, who's telling them, how, and why. With provocative discussions from both professional and fan writers, on subjects from Star Trek to The X-Files and Buffy the Vampire Slayer to Harry Potter, Twilight, and beyond, Fic sheds light on the widely misunderstood world(s) of fanfiction—not only how fanfiction is transforming the literary landscape, but how it already has. Fic features a foreword by Lev Grossman (author of The Magicians) and interviews with Jonathan Lethem, Doug Wright, Eurydice (Vivean Dean), and Katie Forsythe/wordstrings. The Imaginary Indian Daniel Francis, 2012-04-17 First published in 1992, The Imaginary Indian is a revealing history of the Indian image mythologized by popular Canadian culture since 1850, propagating stereotypes that exist to this day. Images of First Nations people have always been fundamental to Canadian culture. From the paintings and photographs of the 19th century to the Mounted Police sagas and the spectacle of Buffalo Bill's Wild West Show; from the performances of Pauline Johnson, Grey Owl, and Buffalo Long Lance to the media images of Oka and the Vancouver Winter Olympics?the Imaginary Indian is ever with us, oscillating throughout our history from friend to foe, from Noble Savage to bloodthirsty warrior, from debased alcoholic to wise elder, from monosyllabic squaw to eloquent princess, from enemy of progress to protector of the environment. The Imaginary Indian has been, and continues to be—as Daniel Francis reveals in this book—just about anything the non-Native culture has wanted it to be; and the contradictory stories non-Natives tell about Imaginary Indians are really stories about themselves and the uncertainties that make up their cultural heritage. This is not a book about Native people; it is the story of the images projected upon Native people—and the desperate uses to which they are put. This new edition, published almost twenty years after the book's first release, includes a new preface and afterword by the author. Daniel Francis is an award-winning historian and the author of twenty books.

They will stop at nothing in their pursuit of bribery, corruption, and theft. Amongst them is a cold-blooded killer whom West must capture. Against him is an organisation with money to spare and no compunction about murder if it is in their interests.

**My Mother is a Fish** William Faulkner, Janet C. Nosek, 2000 This book is a powerful discussion of the novels, short stories, and poems of William

Faulkner. Intended for both the general reader as well as those already fully acquainted with his work, *My Mother is a Fish* illustrates the wisdom and genius of this great modernist of classical twentieth century American Literature. Janet C. Nosek provides a personal commentary on quotations and short passages that show the wide range of style, language, themes, and connections found in Faulkner's fiction. Both instructive and entertaining, this book will be of great interest to literary scholars and a helpful ancillary text as well.

**Legends of Vancouver** E. Pauline Johnson, 1922 These legends (with two or three exceptions) were told to me personally by my honored friend, the late Chief Joe Capilano, of Vancouver, whom I had the privilege of first meeting in London in 1906, when he visited England and was received at Buckingham Palace by their Majesties King Edward VII and Queen Alexandra. To the fact that I was able to greet Chief Capilano in the Chinook tongue, while we were both many thousands of miles from home, I owe the friendship and the confidence which he so freely gave me when I came to reside on the Pacific coast. These legends he told me from time to time, just as the mood possessed him, and he frequently remarked that they had never been revealed to any other English-speaking person save myself.--Author's pref.

Highland families are being evicted and sent to Canada. Alastair deserts and throws in his lot with his people.

*Babylon 5* J. Michael Straczynski, 2005

Copying People Daniel Francis, 1996 Before the west was widely settled, photographs provided the first glimpse white society had of the aboriginal people who occupied the hinterlands of the continent. *Copying People* - a phrase borrowed from the Haida of the Queen Charlotte Islands that means camera - is a collection of historical photographs chosen from the vast number of images in museums and archives across North America. Taken by professional photographers, surveyors, anthropologists, civil servants, and tourists, these fascinating images show how early non-Native photographers pictured First Nations people and influenced the outside world's perceptions of them. Many of these photographs attempt to document the traditional Indian, with their subjects dressed up in wigs, costumes, and other props

provided by the photographer. In an effort to record for posterity what they viewed as a doomed race, the photographers helped construct the idea of the Indian in the collective mind of white society. Other photographers used images of Native people for commercial purposes, or pictured their subjects in suits and dresses, hoping to appeal to an audience eager for evidence that Natives were becoming civilized. Depicting Native societies under a great deal of stress at a time of tremendous change in their way of life and their environment, the photographs also reveal societies struggling to preserve their cultures and successfully adapting to new economic opportunities. And despite what we might think of their motives, many photographers produced images of remarkable power and enduring beauty. Covering all of British Columbia, the book represents the work of every important photographer dealing with aboriginal people in the province before World war II. With 140 archival images, Copying People offers a privileged glimpse of British Columbia's original inhabitants.

**The Watering Place of Good Peace** Geoffrey Jenkins, 2009-09 I never saw Stewart disappear. If I had, I might have made an attempt to get the boat. I saw what took him as he came at me, mouth slackly agape. He made his first run past me swiftly, and just brushed by me. His skin was not, as I had thought a shark's would be, rough, but soft like chamois leather. It was that almost affectionate soft brush that started my supersonic, terror-frantic scream...I knew what was going to happen. I could not move.
