Chase Darkness with Me Billy Jensen, 2019-08-13 ***With an exclusive behind-the-scenes conversation between Billy Jensen and retired detective Paul Holes on the Golden State Killer, their favorite cold cases, and more*** Have you ever wanted to solve a murder? Gather the clues the police overlooked? Put together the pieces? Identify the suspect? Journalist Billy Jensen spent fifteen years investigating unsolved murders, fighting for the families of victims. Every story he wrote had one thing in common—they didn't have an ending. The killer was still out there. But after the sudden death of a friend, crime writer and author of *I'll Be Gone in the Dark*, Michelle McNamara, Billy became fed up. Following a dark night, he came up with a plan. A plan to investigate past the point when the cops had given up. A plan to solve the murders himself. You'll ride shotgun as Billy identifies the Halloween Mask Murderer, finds a missing girl in the California Redwoods, and investigates the only other murder in New York City on 9/11. You'll hear intimate details of the hunts for two of the most terrifying serial killers in history: his friend Michelle McNamara's pursuit of the Golden State Killer and his own quest to find the murderer of the Allenstown Four. And Billy gives you the tools—and the rules—to help solve murders yourself. Gripping, complex, unforgettable, *Chase Darkness with Me* is an examination of the evil forces that walk among us, illustrating a novel way to catch those killers, and a true-crime narrative unlike any you’ve read before.

See Jane Win Caitlin Moscatello, 2019-08-27 *A NEW YORK TIMES BOOK REVIEW Editor's Choice Pick* From an award-winning journalist covering gender and politics comes an inside look at the female candidates fighting back and winning elections in the crucial 2018 midterms. After November 8, 2016, first came the sadness; then came the rage, the activism, and the protests; and, finally, for thousands of women, the next step was to run for office—many of them for the first time. More women campaigned for local or national office in the 2018 election cycle than at any other time in US history, challenging accepted notions about who seeks power and who gets it. Journalist Caitlin Moscatello reported on this wave of female candidates for *New York* magazine’s *The Cut*, *Glamour*, and *Elle*. And in *See Jane Win*, she further documents this pivotal time in women’s history. Closely following four candidates throughout the entire process, from the decision to run through Election Day, *See Jane Win* takes readers inside their exciting, winning campaigns and the sometimes thrilling, sometimes brutal realities of running for office while female. MEET THE CANDIDATES: Abigail Spanberger, a mom of three young girls and a former CIA operative, running for Congress in Virginia to unseat Freedom Caucus member Dave Brat. Catalina Cruz, a Colombian-born attorney whose state assembly bid could make her the first Dreamer elected in New York and only the third in the country. Anna Eskamani, an Iranian-American woman running for state office in Florida, with a campaign motivated by her mother’s health-care struggles and the Pulse Nightclub shootings. London Lamar, a Memphis native looking to become the youngest female representative in the Tennessee state house, running in one of the only Democratic and Black-majority areas of a largely conservative state. Beyond the 2018 victories, Moscatello speaks with researchers, strategists, and the leaders of organizations that helped women win. What she discovers is that the candidates who triumphed in 2018 emphasized authenticity and passion instead of conforming to the stereotype of what a candidate should look or sound like, a formula that will be more relevant than ever as we approach the 2020 presidential election.
