**By Grace Through Faith** bradford hoel,

40 Days in 1 Corinthians Hershael W. York,2021-03-02 40 Days in 1 Corinthians is part of a series of devotionals written for any Christian desiring to deepen his or her understanding of Scripture. The Holy Spirit uses God’s Word to grow believers in their faith and increase their passion for Jesus. As each volume focuses on a particular book in the Bible, believers will find the study useful for the enrichment of daily devotional reading or as the basis for small group Bible study discussion. In this volume, readers will be led through a daily study of 1 Corinthians. 40 Days in 1 Corinthians breaks down the book of 1 Corinthians into chunks that present the “Big Picture” of the passage, then “Digging Deeper” into that section and then moving to help the reader into “Living Out” the lessons that are taught each day.

*1 Corinthians* Charles Campbell,2018-01-17 This latest commentary in the Belief series looks at Paul's theological wrestling with the divisions facing the early church in Corinth. These divisions arose for many reasons, among them the practices of the community: baptism,the Lord's Supper, preaching, and the exercise of spiritual gifts.Â The contemporary church in North America is likewise dealing with divisions of various sorts. Who can preach? Who can celebrate Communion? Who can marry whom? With this commentary Charles L. Campbell helps preachers understand how to better respond to those questions in their own settings.

**First Corinthians** Dr. Jaime Clark-Soles,2021-03-02 1 Corinthians is one of the most gripping books in the Bible. In this letter, Paul, the complicated, layered apostle, writes to the people trying a wild new social experiment known as a Christian community. Not unlike the church today, this community dealt with factions, sexual immorality, gender issues, money issues, theological questions, lawsuits, problems in worship, and problems in leadership. In 1 Corinthians: Searching the Depths of God, Jaime Clark-Soles explores these topics and the awe inspiring, breathtaking world of the first-century church. Examining the teachings of Paul, she addresses church history, the logic of the cross, spiritual gifts, death, afterlife and the resurrection, human sexuality, and the joys and challenges of living in community. Participants will learn to look at 1 Corinthians from a variety of viewpoints and apply its lessons to their own faith. Additional components for a six-week study include a DVD featuring Jaime Clark-Soles and a comprehensive Leader Guide.

*Understanding the Faith* Jeff Myers,2016-06-01 Does the Bible have authority in a world committed to relative truth? The understanding of absolute, objective truth has been largely lost. Spend just a few minutes discussing politics or religion and you’ll hear responses like, “There is no truth!” or “That may be true for you, but not for me.” Understanding the Faith dares to wade into the middle of the controversy with chapters such as: Is God Christian? Isn’t Claiming Truth Intolerant? Is the Bible Anti-Science? Summit Ministries’ half century of teaching, this first volume of the Understanding the Times Series is your definitive resource for deepening and defending your faith. It’s a required resource for every Christian’s bookshelf.

**Christ lifted up** rev. Robert Gilchrist,1881

**A Common Word** Miroslav Volf,Ghazi bin Muhammad (Prince of Jordan.),Mellisa Yarrington,2010 A letter printed in the pages of The New York times in 2007 acknowledged differences between Christianity and Islam but contended that righteousness and good works should be the only areas in which the two compete. That letter and a collaborative Christian response appear in this volume, which includes subsequent dialogue between Muslim and Christian scholars.

**Reasonable Faith** William Lane Craig,2008 This updated edition by one of the world's leading apologists presents a systematic, positive case for Christianity that reflects the latest work in the contemporary hard sciences and humanities. Brilliant and accessible.

**The Disappearance of God** Dr. R. Albert Mohler,2009-05-05 “Great biblical truths are meant not only for our intellectual acceptance, but for our spiritual health.” –Dr. Al Mohler More faulty information about God swirls around us today than ever before. No wonder so many followers of Christ are unsure of what they really believe in the face of the new spiritual openness attempting to alter unchanging truth. For centuries the church has taught and guarded the core Christian beliefs that make up the essential foundations of the faith. But in our postmodern age, sloppy teaching and outright lies create rampant confusion, and many Christians are free-falling for “feel-good” theology. We need to know the truth to save ourselves from errors that will derail our faith. As biblical scholar, author, and president of The Southern Baptist Theological Seminary, Dr. Albert Mohler, writes, “The entire structure of Christian truth is now under attack.” With wit and wisdom he tackles the most important aspects of these modern issues: Is God changing His mind about sin? Why is hell off limits for many pastors? What’s good or bad about the “dangerous” emergent movement? Have Christians stopped seeing God as God? Is the social justice movement misguided? Could the role of beauty be critical to our theology? Is liberal faith any less destructive than atheism? Are churches pandering to their members to survive? In the age-old battle to preserve the foundations of faith, it's up to a new generation to confront and disarm the contemporary shams and fight for the truth. Dr. Mohler provides the scriptural answers to show you how.

*God and Other Minds* Alvin Plantinga,1990

The Atheist's Guide to Reality: Enjoying Life without Illusions Alex Rosenberg,2011-10-03 A book for nonbelievers who embrace the reality-driven life. We can't avoid the persistent questions about the meaning of life-and the nature of reality. Philosopher Alex Rosenberg maintains that science is the only thing that can really answer them—all of them. His bracing and ultimately upbeat book takes physics seriously as the complete description of reality and accepts all its consequences. He shows how physics makes Darwinian natural selection the only way life can emerge, and how that deprives nature of purpose, and human action of meaning, while it exposes conscious illusions such as free will and the self. The science that makes us nonbelievers provides the insight into the real difference between right and wrong, the nature of the mind, even the direction of human history. The Atheist's Guide to Reality draws powerful implications for the ethical and political issues that roil contemporary life. The result is nice nihilism, a surprisingly sanguine perspective atheists can happily embrace.

**Understanding the Times** Jeff Myers,David A. Noebel,2015-09-01 Your view of God determines your view of the world. You hold in your hands a landmark guide to understanding the ideas and forces shaping our times. Understanding the Times offers a fascinating, comprehensive look at the how the tenets of the Christian worldview compares with the five major competing worldviews of our day: Islam, Secular Humanism, Marxism, New Age, and Postmodernism. Understanding the Times is a systematic way to understand the ideas that rule our world. While the material is expansive, the engaging, easy-to-understand writing style invites you to discover the truths of God – and our world. This classic should be on the shelf of every Christian home, on the desk of every pastor, and in the hands of every Christian student headed off to college.

*The Key to Love* Betsy St. Amant,2020-10-13 The only thing Bri Duval loves more than baking petit fours is romance. So much so, she's created her own version of the famous Parisian lovelock wall at her bakery in Story, Kansas. She never expects it to go viral--or for Trek Magazine to send travel writer Gerard Fortier to feature the bakery. He's definitely handsome, but Bri has been holding out for a love story like the one her parents had, and that certainly will not include the love-scorned-and-therefore-love-scorning Gerard. Just when it seems Bri's bakery is poised for unprecedented success, a series of events threaten not just her business but the pedestal she's kept her parents on all these years. Maybe Gerard is right about romance. Or maybe Bri's recipe just needs to be tweaked. Novelist Betsy St. Amant invites you to experience this sweet story of how love doesn't always look the way we expect--and maybe that's a good thing.
