The Upside of Falling Alex Light,2020-02-18 A fun, flirty teen debut from Wattpad phenom Alex Light about a fake relationship and real love. Perfect for Jenny Han fans. But when her former best friend teases her for not having had a boyfriend, Becca impulsively pretends she's been secretly seeing someone. Brett Wells has it all. As captain of the football team and one of the most popular guys in his school, he should have no problem finding someone to date, but he's always been more focused on his future than who to bring to prom. When he overhears Becca's lie, Brett decides to step in and be the mystery guy. It's the perfect solution: he gets people off his back for not having a meaningful relationship and she can keep up the ruse that she's got a boyfriend. Acting like the perfect couple isn't easy, though, especially when you barely know the other person. But with Becca still picking up the pieces from when her world was blown apart years ago and Brett just barely holding his together now, they begin to realize they have more in common than they ever could have imagined. When the line between what is pretend and what is real begins to blur, they're forced to answer the question: Is this fake romance the realest thing in either of their lives?

Art of Falling Dani Cojo,2017-12-01 Regal is a young Incubus who has recently earned the title of Prince of Lust from Jackal, the King of Hell. Although he is different from all of the other Incubi, he has earned the title for his many successes of capturing lustful souls. That, and he has the perk of being Jackal's son. Keir is one of Gloria's archangels in training, who specializes in the Virtue of Kindness under the guidance of Michaelangelo. Despite being very powerful for his young age, he still has a lot to learn about earth and its inhabitants before he can move up in the ranks of the Angelic Hierarchy. These two powerful forces collide when a battle over a human's life goes awry. Keir finds himself head over heels in love with the demon, and Regal is given the rare opportunity to seize the angel as a personal servant. Regal jumps at the chance to become the first demon in history to covet an angel, but Keir is much smarter than he anticipates, and the two end up tethering their souls together in an unbreakable bond. Keir is more than happy to have the bond between them, but Regal wants out of the deal. The only way to do that is to make the angel fall from grace and become a demon. But can Regal succeed in his plans before Keir makes him ascend into heaven and become one of Gloria's children?

Snow Falling in Spring Moying Li, 2010-03-06 Most people cannot remember when their childhood ended. I, on the other hand, have a crystal-clear memory of that moment. It happened at night in the summer of 1966, when my elementary school headmaster hanged himself. In 1966 Moying, a student at a prestigious language school in Beijing, seems destined for a promising future. Everything changes when student Red Guards begin to orchestrate brutal assaults, violent public humiliations, and forced confessions. After watching her teachers and headmasters beaten in public, Moying flees school for the safety of home, only to witness her beloved grandmother denounced, her home ransacked, her father's precious books flung onto the back of a truck, and Baba himself taken away. From labor camp, Baba entrusts a friend to deliver a reading list of banned books to Moying so that she can continue to learn. Now, with so much of her life at risk, she finds sanctuary in the world of imagination and learning. This inspiring memoir follows Moying Li from age twelve to twenty-two, illuminating a complex, dark time in China's history as it tells the compelling story of one girl's difficult but determined coming-of-age during the Cultural Revolution. *Snow Falling in Spring* is a 2009 Bank Street - Best Children's Book of the Year.

Stupid Things I Won't Do When I Get Old Steven Petrow, 2021-06-29 For fans of David Sedaris and Nora Ephron, a humorous, irreverent, and poignant look at the gifts, stereotypes, and inevitable challenges of aging, based on award-winning journalist Steven Petrow's wildly popular New York Times essay, *Things I'll Do Differently When I Get Old*. Soon after his 50th birthday, Petrow began assembling a list of “things I won’t do when I get old”—mostly a catalog of all the things he thought his then 70-something year old parents were doing wrong. That list, which included “You won’t have to shout at me that I’m deaf,” and “I won’t blame the family dog for my incontinence,” became the basis of this rousing collection of do’s and don’ts, wills and won’ts that is equal parts hilarious, honest, and practical. The fact is, we don’t want to age the way previous generations did. “Old people” hoard. They bore relatives—and strangers alike—with tales of their aches and pains. They insist on driving long after they’ve become a danger to others (and themselves). They eat dinner at 4pm. They swear they don’t need a cane or walker (and guess what happens next). They never, ever apologize. But there is another way... In *Stupid Things I Won’t Do When I Get Old*, Petrow candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, “I meant the list to serve as a pointed reminder—to me—to make different choices when I eventually cross the threshold to ‘old.’” Getting older is a privilege. This essential guide reveals how to do it with grace, wisdom, humor, and hope. And without hoarding. Praise for *Stupid Things I Won't Do When I Get Old*: “Unbelievably witty and relatable, I alternated bursting into laughter and placing my hand over my face in horror thinking, Oh my God, is that me? I often say, at this age we have something young people can never have...wisdom. My dear friend, Steven Petrow, has wisdom to share in this honest, funny, wry guide to keep us young at heart, without desperately hanging onto our youth. I am buying this book for all of my friends!” —Suzanne Somers, New York Times bestselling author of *A New Way to Age* “*Stupid Things I Won’t Do When I Get Old* is an irreverent, funny, honest look at aging and all the things we take for granted as normal parts of aging. They don’t need to be. If you struggle with getting older and want to find a fresh perspective on lessons learned about what NOT to do as we age, and what TO do to stay young in heart, spirit, mind and body, read this book.” —Mark Hyman, MD, #1 New York Times bestseller author of *The Blood Sugar Solution 10-Day Detox Diet*, and Head of Strategy and Innovation at the Cleveland Clinic Center for Functional Medicine. “Steven Petrow resolved to do things differently than his parents had when he gets old because he wished they’d been able to enjoy life more. His solution? He created a list! In this book, he shares the secrets to living a full life regardless of our age. It's all about the

decisions we make every day. My advice in a nutshell: Read this book and keep it handy.” —“Dear Abby” (Jeanne Phillips), nationally syndicated advice columnist “It’s never too early to imagine what your life will look like as you age. And as I once wrote, ‘We are not hostages to our fate.’ Petrow’s book will help you plan, think, and redefine what it means to get older—and even laugh while doing it.” —Andrew Weil, MD, New York Times bestselling author of *Spontaneous Healing* and *Healthy Aging: A Lifelong Guide to Your Well-Being* “Steven Petrow not only has a great attitude about life, he is wise about how to live it. Like me, he says we should embrace our one life 100% and not let a number—our age—get in the way of anything! Steven’s book will help you rethink the word “aging” and approach this next chapter with a positive and proactive attitude. Plus, this book is fun!” —Denise Austin, renowned fitness expert, author, and columnist “Steven’s writing feels like sitting with a friend—one who is unusually gracious, warm and frank.” —Carolyn Hax, author of the nationally syndicated advice column, *Carolyn Hax Praise for Steven Petrow: Steven Petrow's Complete Gay & Lesbian Manners* helps gays and straights navigate the subtleties of the same-sex world. —People Move over, Emily Post! When it comes to etiquette for members of the gay, lesbian, bisexual and transgender community—as well as their straight friends, family members and coworkers—author and journalist Steven Petrow is the authority. —TIME What could've easily become a novelty book has emerged as an exhaustively researched, essential resource thanks to advice columnist and etiquette expert Steven Petrow. —The Advocate From having kids to planning funerals, Steven Petrow's *Complete Gay & Lesbian Manners* has most facets of gay life covered. Ms. Post would approve. —Entertainment Weekly An indispensable refresher course...on what's proper in modern...life. —Kirkus Reviews

Falling Under Danielle Younge-Ullman, 2008 Living alone, still burdened by her turbulent past—a troubled childhood, a teenage affair with an older man, and the devastating loss of her college boyfriend—Mara Foster, a successful artist in her late twenties, realizes that she must confront her dark past when she meets and begins to fall in love with Hugo. A first novel. Original.

The Falling in Love Montage Ciara Smyth, 2020-06-09 Two girls embark on a summer of montage-worthy dates (with a few strings attached) in this hilarious and heartfelt lesbian rom-com that’s perfect for fans of Becky Albertalli and Jenny Han. Seventeen-year-old cynic Saoirse Clarke isn’t looking for a relationship. But when she meets mischievous Ruby, that rule goes right out the window. Sort of. Because Ruby has a loophole in mind: a summer of all the best cliché movie montage dates, with a definite ending come fall—no broken hearts, no messy breakup. It would be the perfect plan, if they weren’t forgetting one thing about the Falling in Love Montage: when it’s over, the characters have fallen in love...for real. Ciara Smyth’s debut is a delightful, multilayered YA rom-com that will make you laugh, cry, and absolutely fall in love.

Snow Falling Jane Gloriana Villanueva, 2017-11-14 It’s been a lifetime (and three seasons) in the making, but Jane Gloriana Villanueva is finally ready to make her much-anticipated literary debut! Jane the Virgin, the Golden Globe, AFI, and Peabody Award-winning The CW dramedy, has followed Jane’s telenovela-esque life—from her accidental artificial insemination and virgin birth to the infant kidnapping and murderous games of the villainous Sin Rostro to an enthralling who-will-she-choose love triangle. With these tumultuous events as inspiration, Jane’s breathtaking first novel adapts her story for a truly epic romance that captures the hope and the heartbreak that have made the television drama so beloved. *Snow Falling* is a sweeping historical romance set in 1902 Miami—a time of railroad tycoons, hotel booms, and exciting expansion for the Magic City. Working at the lavish Regal Sol hotel and newly engaged to Pinkerton Detective Martin Cadden, Josephine Galena Valencia has big dreams for her future. Then, a figure from her past reemerges to change her life forever: the hotel’s dapper owner, railroad tycoon Rake Solvino. The captivating robber baron sets her heart aflame once more, leading to a champagne-fueled night together. But when their indiscretion results in an unexpected complication, Josephine struggles to decide whether her heart truly belongs with heroic Martin or dashing Rake. Meanwhile, in an effort to capture an elusive crime lord terrorizing the city, Detective Cadden scours the back alleys of the Magic City, tracking the nefarious villain to the Regal Sol and discovering a surprising connection to the Solvino family. However, just when it looks like Josephine’s true heart’s desire is clear, danger strikes. Will her dreams for the future dissolve like so much falling snow or might Josephine finally get the happy ever after she’s been dreaming of for so long?

WHO Global Report on Falls Prevention in Older Age World Health Organization, 2008 The WHO Falls Prevention for Active Ageing model provides an action plan for making progress in reducing the prevalence of falls in the older adult population. By building on the three pillars of falls prevention, the model proposes specific strategies for: 1. Building awareness of the importance of falls prevention and treatment; 2. Improving the assessment of individual, environmental, and societal factors that increase the likelihood of falls; and 3. For facilitating the design and implementation of culturally appropriate, evidence-based interventions that will significantly reduce the number of falls among older persons. The model provides strategies and solutions that will require the engagement of multiple sectors of society. It is dependent on and consistent with the vision articulated in the WHO Active Ageing Policy Framework. Although not all of the awareness, assessment, and intervention strategies identified in the model apply equally well in all regions of the world, there are significant evidence-based strategies that can be effectively implemented in all regions and cultures. The degree to which progress will be made depends on to the success in integrating falls prevention strategies into the overall health and social care agendas globally. In order to do this effectively, it is necessary to identify and implement culturally appropriate, evidence-based policies and procedures. This requires multi-

sectoral, collaborations, strong commitment to public and professional education, interaction based on evidence drawn from a variety of traditional, complementary, and alternative sources. Although the understanding of the evidence-base is growing, there is much that is not yet understood. Thus, there is an urgent need for continued research in all areas of falls prevention and treatment in order to better understand the scope of the problem worldwide. In particular, more evidence of the cost-effectiveness of interconnections is needed to develop strategies that are most likely to be effective in specific setting and population sub-groups.
