Família Cristã Marcos Rogério,2017-08-31 A família sempre tem ocupado um lugar central nos planos de Deus para esta terra. É pela família que Deus faz a Sua obra de salvação, em primeiro lugar, usando a família de Abraão para trazer o Salvador a este mundo e abençoar todas as famílias da terra (Gn 12:3; 18:18,19) e, nesta dispensação da graça, para formar a Sua igreja. Até hoje, onde há duas ou três famílias salvas e de bom testemunho, não deve demorar a formação de uma igreja local, mas onde não há famílias salvas é quase impossível ver uma igreja estabelecida. É um fato básico, mas importantíssimo, que a condição espiritual duma igreja local depende da condição espiritual das famílias que formam aquela igreja.

Familia Cristiana María Eugenia de Martínez,2001-03 It's an Institute of Theological Studies by Mail, dedicated to expanding Christian education through self-taught methods. Given that fact that many pastors don't have the opportunity to take theological courses, IETE simply guides the student in his studies. The IETE covers three important aspects in the life of every Christian, even more of a student who wants to excel.1. The Biblical Aspect: the essential need of involving ourselves in a profound study of the Word of God.2. Theological Aspect: the important need of knowing more about God, His person, His teachings, to live them and, at the same time, pass them on to others.3. The Educational Aspect: the modern way of learning academically.

Restructuring Patriarchy Susan K. Besse,2018-06-15 Susan K. Besse broadens our understanding of the political by establishing the relevance of gender for the construction of state hegemony in Brazil after World War I. Restructuring Patriarchy demonstrates that the consolidation and legitimization of power by President Getulio Vargas's Estado Novo depended to a large extent on the reorganization of social relations in the private sphere. New expectations and patterns of behavior for women emerged in postwar Brazil from heated debates between men and women, housewives and career women, feminists and antifeminists, reformist professionals and conservative clerics, and industrialists and bureaucrats. But as urban middle- and upper-class women challenged patriarchal authority at home and assumed new roles in public, prominent intellectuals, professionals, and politicians defined and imposed new 'hygienic,' rational, and scientific gender norms. Thus, modernization of the gender system within Brazil's rising urban-industrial society accommodated new necessities and opportunities for women without fundamentally changing the gender inequality that underlay the larger structure of social inequality in Brazil.

¿Qué hacen los medios católicos con la religión? María Isabel Gatti,2023-04-18 Las primeras páginas del libro están precedidas por una frase de Jesús Martín Barbero, que hace una fuerte exhortación a generar, desde el mundo intelectual, opciones que colaboren con la transformación de nuestra sociedad. Esta obra está imbuida de este espíritu. Siguiendo a este autor y su propuesta de reformular las preguntas para comprender mejor los procesos sociocomunicacionales, esta investigación, en lugar de analizar las determinaciones propias de los sistemas religiosos, se pregunta por las prácticas culturales que se articulan en la gestión de los medios de comunicación católicos según las apropiaciones del catolicismo que las instituciones religiosas realizan. Para concretizar esta propuesta, se construye una base de medios católicos latinoamericanos fundados antes de 1965 y vigentes a 2015, uno de los aportes más relevantes de este trabajo. No existen registros de este tipo, que identifica setenta y siete medios con estas características, desde México hasta Argentina. La información ofrecida emerge de respuestas a un cuestionario a los directores de estos medios, junto al análisis de los discursos institucionales presentes en sus propios sitios web. La investigación concluye con la elaboración de perfiles de medios católicos. Si bien se trabaja con medios católicos, la propuesta se abre a ofrecer una metodología de análisis para medios religiosos en general.
