Dennis Glover

Lend Me Your Ears William Safire, 1997 William Safire's invaluable and immensely entertaining *Lend Me Your Ears* established itself instantly as a classic treasury of the greatest speeches in human history. Selected with the instincts of a great speechwriter and language maven, arranged by theme and occasion, each deftly introduced and placed in context, the more than two hundred speeches in this compilation demonstrate the enduring power of human eloquence to inspire, to uplift, and to motivate. For this expanded edition Safire has selected more than twenty new speeches by such figures as President Bill Clinton, Senator Robert Dole, General Colin Powell, Microsoft's Bill Gates, the Dalai Lama, Edward R. Murrow, Alistair Cooke, the Buddha, and the late Israeli Prime Minister Yitzhak Rabin. They prove that even in a digital age the most forceful medium of communication is still the human voice speaking directly to the mind, heart, and soul.

*American Heritage Book of Great American Speeches for Young People* Suzanne McIntire, 2002-07-15 The history of the United States has been characterized by fervent idealism, intense struggle, and radical change. And for every critical, defining moment in American history, there were those whose impassioned voices rang out, clear and true, and whose words compelled the minds and hearts of all who heard them. When Patrick Henry declared, Give me liberty, or give me death!, when Martin Luther King Jr. said, I have a dream, Americans listened and were profoundly affected. These speeches stand today as testaments to this great nation made up of individuals with bold ideas and unshakeable convictions. The American Heritage Book of Great American Speeches for Young People includes over 100 speeches by founding fathers, patriots, Native American and African American leaders, abolitionists, women's suffrage and labor activists, writers, athletes, and others from all walks of life, featuring inspiring and unforgettable speeches by such notable speakers as: Patrick Henry \* Thomas Jefferson \* Tecumseh \* Frederick Douglass \* Sojourner Truth \* Abraham Lincoln \* Susan B. Anthony \* Mother Jones \* Lou Gehrig \* Franklin D. Roosevelt \* Albert Einstein \* Pearl S. Buck \* Langston Hughes \* John F. Kennedy \* Martin Luther King Jr. These are the voices that shaped our history. They are powerful, moving, and, above all else, uniquely American.

*I Have a Dream* Martin Luther King, Jr., 2022-06-14 Introducing the Martin Luther King Jr Library With a New Foreword by Amanda Gorman A beautiful collectible edition of Dr. Martin Luther King Jr's legendary speech at the March on Washington, laid out to follow the cadence of his oration - part of Dr. King's archives published exclusively by HarperCollins. On August 28, 1963, Dr. Martin Luther King Jr. stood before thousands of Americans who had gathered at the Lincoln Memorial in Washington, D.C. in the name of civil rights. Including the immortal words, I have a dream, Dr. King's keynote speech would energize a movement and change the course of history. With references to the Gettysburg Address, the Emancipation Proclamation, the Declaration of Independence, the U.S. Constitution, Shakespeare, and the Bible, Dr. King's March on Washington address has long been hailed as one of the greatest pieces of writing and oration in history. Profound and deeply moving, it is as relevant today as it was nearly sixty years earlier. This beautifully designed hardcover edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

**The Art of Great Speeches** Dennis Glover,2011-02-07 What makes a great speech 'great'? The Art of Great Speeches uses insights from classical thinkers to reveal how great orators such as Barack Obama, Martin Luther King, the Kennedys, Al Gore and Hitler have persuaded their audiences so convincingly. Featuring excerpts of 70 of the world's greatest speeches in history and drama, this fascinating book breaks down the key elements of classical and modern oratory to reveal the rhetorical techniques that make them so memorable. It shows how master speechwriters connect with their audiences, seize a moment, project character, use facts convincingly and destroy their opponents' arguments as they try to force the hand of history or create memorable drama. From inciting violence and asserting control to restoring peace and securing freedom, nothing has the raw emotional power of a speech delivered at the right moment, in the right place, with the right content, and the right delivery. 50 Speeches That Made The Modern World is a celebration of the most influential and thought-provoking speeches that have shaped the world we live in. With comprehensive, chronological coverage of speeches from the 20th and 21st centuries, taken from all corners of the globe, it covers Emmeline Pankhurst's patiently reasoned condemnation of men's failure to improve ordinary women's lives in 1908 through speeches by Vladimir Lenin, Mahatma Gandhi, David Ben-Gurion, Albert Einstein, Fidel Castro, Nikita Khrushchev, Ernesto 'Che' Guevara, Martin Luther King, Malcolm X, Nelson Mandela, Benazir Bhutto, Osama Bin Laden and Aung San Suu Kyi, right up to the most compelling oratory surrounding the 2016 US Presidential elections. Through the rallying propaganda speeches during World War II to the cautious rhetoric of the Cold War period, through challenging the status quo on issues of race, gender and politics to public addresses to the masses on the issues of AIDS and terrorism, through apologies, complaints, warmongering, scaremongering and passionate pleas, this book delivers the most important speeches of the modern era and why they still remain so significant.
