Love Letters from Famous People Charles, C.H.,2015-06-05 Love Letters of Great Men and Women: From The Eighteenth Century To The Present Day is a collection of love letters written between 1688 and 1910. Letters within this book were featured in the 2008 feature film Sex and the City. This charming volume includes a short treatise on love letter writing by the editor as well as love letters by notable historical figures including Beethoven, Napoleon Bonaparte, Robert Burns, Gustave Flaubert, Lord Byron, Victor Hugo, Franz Kafka, Vincent Van Gogh and many others.

Love Letters of Great Men Ursula Doyle,2008-11-25 Remember the wonderfully romantic book of love letters that Carrie reads aloud to Big in the recent blockbuster film, Sex and the City? Fans raced to buy copies of their own, only to find out that the beautiful book didn't actually exist. However, since all of the letters referenced in the film did exist, we decided to publish this gorgeous keepsake ourselves. Love Letters of Great Men follows hot on the heels of the film and collects together some of history's most romantic letters from the private papers of Beethoven, Mark Twain, Mozart, and Lord Byron. For some of these great men, love is a delicious poison (William Congreve); for others, a nice soft wife on a sofa with good fire, & books & music (Charles Darwin). Love can scorch like the heat of the sun

(Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these letters show that perhaps men haven't changed all that much over the last 2,000 years--passion, jealousy, hope and longing still rule their hearts and minds. In an age of e-mail and texted i luv u, this timeless and unique collection reminds us that nothing can compare to the simple joy of sitting down to read a letter from the one you love.

Here are the actual love letters for you to enjoy and treasure! These letters express such heartfelt emotions and the bliss of new love... 100 World's Greatest Love Letters Prakash Book

Depot, Various, 2019-02 There was a time when people communicated through letters-- and when it came to expressing their love, the correspondence brimmed with heartwarming, endearing love letters. Sometimes these letters were beginnings of tempestuous, controversial, clandestine love affairs and soon cultivated into relationships that lasted a lifetime, and at other times they were mere feverish rants, the intensity diminishing as soon as it had escalated. No matter who they were-- scholars, kings, queens, writers, painters-- they all fell passionately and irrevocably in love, their letters capturing their happiness, longing, insecurity, and even suspicion and distrust. We bring together a treasure trove of hundred beautiful letters from around the world in our edition. Beginning with Pliny the Younger, the magistrate of Ancient Rome, pining for his wife as he lay awake at night, and ending with Virginia Woolf's confession that her lady love's mere presence was intoxicating and even 'physically stimulating', the letters are accompanied by their profound love stories, telling a tale of how their love began, what turmoil it faced, and in some cases, why it ended.

Love Letters Great Men Carrie Jones, 2008-09-30 From the private papers of Mark Twain and Mozart to those of Robert Browning and Nelson, this book collects together some of the most romantic letters and love poems in history. For some of these great men, love is a 'delicious poison' (William Congreve); for others, 'a nice soft wife on a sofa with good fire, & books & music' (Charles Darwin). Love can scorch like the heat of the sun, or penetrate the depths of one's heart like a cooling rain. Every shade of love is here, from the exquisite eloquence of Oscar Wilde to the simple devotion of Robert Browning. Taken together, these love letters show that perhaps men haven't changed so very much over the last decades. Passion, jealousy, hope and longing are all represented here - as is the simple pleasure of sending a letter to, and receiving one from, the person YOU LOVE MOST. The book in the SATC movie has NEVER existed in real; However this Love Letters book is of the most romantic books ever, and it's reasonable priced.

Letters of Note: Love, 2020-03-31 A compilation of remarkable letters with love at their heart, from the curator of the globally popular Letters of Note website. The first volume in the bestselling

Letters of Note series was a collection of hundreds of the world's most entertaining, inspiring, and unusual letters, based on the seismically popular website of the same name--an online museum of correspondence visited by over 70 million people. From Virginia Woolf's heartbreaking suicide letter, to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application letter. Now, the curator of Letters of Note, Shaun Usher, gives us wonderful new volumes featuring letters organized around a universal theme. In this volume, Shaun Usher turns to the subject of love. What emotion inspires humans to put pen to paper more than love? It's unsurprising that love letters provide an endless source of extraordinary writing. Letters of Note: Love gathers together some of the most powerful messages about love ever composed, whether inspired by love's first blush or the recriminations at its ending, the regrets of unrequited feelings and the joys of passions known. Includes letters by Zora Neale Hurston, Napoleon Bonaparte, Frida Kahlo, Nelson Mandela, and many more.

Love Letters Made Easy Gabrielle Rosiere, 2009-01-01 This delightful 1919 book, reprinted here in a charming replica edition, is a complete guide to what one needs to know to write the perfect love letter. While the advice may be amusingly dated in some of its details--the hidden codes in the alignment of postage stamps are probably no longer appreciated today--the broad counsel would be wisely heeded by those wounded by Cupid's dart and hoping to make their best written impression on a beloved. Here the lovestruck reader will find admonitions that particular kinds of thoughtfulness, like

remembering birthdays and anniversaries, are always treasured; practical reminders, such as Don't write like the tracks of an intoxicated hen; and guides to which gifts go best with a love letter. Some conundrums of 21st-century lovers are not, of course, here addressed—you're on your own in deciding whether it's appropriate to propose marriage via email—but almost every contingency a tongue-tied lover may face is addressed with assistance as useful as it is timeless.
