**Beyond BIM** Danelle Briscoe,2015-10-14 Beyond BIM explores the vast and under-explored design potential undertaken by information modeling. Through a series of investigations grounded in the analysis of built work, interviews with leading practitioners, and speculative projects, the author catalogs the practical advantages and theoretical implications of exploiting BIM as a primary tool for design innovation. Organized by information type, such as geographic data, local code, or materials, each chapter suggests a realm of knowledge that can be harvested and imported into BIM to give meaningful specificity to architectural form and space. While highly sustainable, the work documented and envisioned in this book moves well beyond 'normalization,' to reveal inventive takes on contemporary practice. Beyond BIM serves as a primary resource for professional architects from practice, researchers and designers engaged in information related spatial design processes, as well as students and faculties of architecture schools in search of BIM design inspiration. Likewise, those highly attuned to computation and unconventional ways of creating form and space, particularly built outcomes that utilize BIM, will find this book meaningful and essential.

**The Case for Heaven** Lee Strobel,2021-09-14 Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

A California Childhood James Franco,2014-08-12 The trade paperback reprint of James Franco's thoughtful reflection on childhood through a series of personal snapshots, sketches, paintings, poems, and short stories. An actor treads the line between reality and fiction every time he plays a part, and for James Franco, that exploration isn't limited to the screen—he's also a visual artist with several exhibitions under his belt as well as the author of the widely praised story collection Palo Alto. In A California Childhood he plays with the concept of memoir through personal snapshots, sketches, paintings, poems, and stories. "I was born in 1978 at Stanford Hospital and spent my first eighteen years in a single house at the end of a cul-de-sac in Palo Alto," Franco writes in his introduction. Steve Jobs's

daughter and the grandson of one of the Hewlett-Packard founders may have both been in his graduating class, but just across the freeway from his home turf lay East Palo Alto, which in 1992 had the highest murder rate per capita in the country. For Franco, the terrain of his upbringing is fraught with the complication of a city divided. But within that diversity, universal aspects of adolescence rise to the surface, and those are the subjects at the heart of Franco's work. Ultimately this is a portrait of a childhood brightened by California sunshine, but with trouble waiting in the shadows. At turns funny, dark, and emotional, the journey of this book delivers an undeniable immediacy. And at the end, the reader is left wondering just where the boundary lies between Franco's art and his true life.

**127 Hours** Aron Ralston, 2011-02-03 On Sunday April 27, 2003, 27-year old Aron Ralston set off for a day's hiking in the Utah canyons. Dressed in a t-shirt and shorts, Ralston, a seasoned climber, figured he'd hike for a few hours and then head off to work. 40 miles from the nearest paved road, he found himself on top of an 800-pound boulder. As he slid down and off of the boulder it shifted, trapping his right hand against the canyon wall. No one knew where he was; he had little water; he wasn't dressed correctly; and the boulder wasn't going anywhere. He remained trapped for five days in the canyon: hypothermic at night, de-hydrated and hallucinating by day. Finally, he faced the most terrible decision of his life: bracing the bones in his wrist by snapping them against the boulder, he hacked through the skin, and finally succeeded in amputating his right hand and wrist. The ordeal, however, was only beginning. He still faced a 60-foot rappell to freedom, and a walk of several hours back to his car - along the way, he miraculously met a family of hikers, and with his arms tourniqued, and blood-loss almost critical, they heard above them the whir of helicopter blades; just in time, Aron was rescued and rushed to hospital. Since that day, Aron has had a remarkable recovery. He is back out on the mountains, with an artificial limb; he speaks to select groups on his ordeal and rescue; and amazingly, he is upbeat, positive, and an inspiration to all who meet him. This is the account of those five days, of the years that led up to them, and where he goes from here. It is narrative non-fiction at its most compelling.

*Fandango at the Wall* Kabir Sehgal, 2018-09-25 Multi-Grammy-winning producer and New York Times bestselling author Kabir Sehgal examines the relationship between the US and Mexico, accompanied by music from Grammy-winning musician Arturo O'Farrill and special guests, an extended foreword from historian Douglas Brinkley, and afterword by Ambassador Andrew Young. The US-Mexican relationship has involved periods of great friendship with robust trade and loose immigration policies. But its history has also been beset by wars, drug trade, and human trafficking. With the latest xenophobic turn toward Mexico, this book contextualizes the latest swing in the up-and-down, two-hundred-year history of these two countries. In a lyrical narrative reflecting on Fandango Fronterizo, an annual musical celebration held on both sides of the border wall, Sehgal addresses how the broken US-Mexico relationship has been repaired in the past and continues to adapt today. FANDANGO AT THE WALL provides clarity to the current debate regarding construction of the wall and America's posture toward immigration. Sehgal and his artistic collaborators brought over thirty musicians from various traditions to the San Diego-Tijuana border to record a musical repertoire composed of son jarocho songs from Veracruz, Mexico and Latin jazz. With these tunes accompanying a call-to-action narrative, FANDANGO AT THE WALL demonstrates how music can heal and

provide a soundtrack for the US, Mexico, and beyond.

*Grim Fandango* Jo Ashburn, 1998 Find your way through the Land of the Dead with solutions to the 80+ puzzles of *Grim Fandango*, complete lists of each and every item, and descriptions of every diverse environment in all five worlds.

*Chican@ Artivistas* Martha Gonzalez, 2020-07-27 As the lead singer of the Grammy Award-winning rock band Quetzal and a scholar of Chicana/o and Latina/o studies, Martha Gonzalez is uniquely positioned to articulate the ways in which creative expression can serve the dual roles of political commentary and community building. Drawing on postcolonial, Chicana, black feminist, and performance theories, *Chican@ Artivistas* explores the visual, musical, and performance art produced in East Los Angeles since the inception of NAFTA and the subsequent anti-immigration rhetoric of the 1990s. Showcasing the social impact made by key artist-activists on their communities and on the mainstream art world and music industry, Gonzalez charts the evolution of a now-canonical body of work that took its inspiration from the Zapatista movement, particularly its masked indigenous participants, and that responded to efforts to impose systems of labor exploitation and social subjugation. Incorporating Gonzalez's memories of the Mexican nationalist music of her childhood and her band's journey to Chiapas, the book captures the mobilizing music, poetry, dance, and art that emerged in pre-gentrification corners of downtown Los Angeles and that went on to inspire flourishing networks of bold, innovative *artivistas*.

**Bullet Train** Kotaro Isaka, 2021-08-03 A dark, satirical thriller by the bestselling Japanese author, following the perilous train ride of five highly motivated assassins—soon to be a major film from Sony starring Brad Pitt, Joey King, Aaron Taylor-Johnson, Brian Tyree Henry, Andrew Koji, Hiroyuki Sanada, Michael Shannon, and Benito A Martínez Ocasio, and more Satoshi—The Prince—looks like an innocent schoolboy but is really a stylish and devious assassin. Risk fuels him, as does a good philosophical debate, such as questioning: Is killing really wrong? Kimura's young son is in a coma thanks to The Prince, and Kimura has tracked him onto a bullet train heading from Tokyo to Morioka to exact his revenge. But Kimura soon discovers that they are not the only dangerous passengers on board. Nanao, also nicknamed Ladybug, the self-proclaimed “unluckiest assassin in the world,” is put on the bullet train by his boss, a mysterious young woman called Maria, to steal a suitcase full of money and get off at the first stop. The lethal duo of Tangerine and Lemon are also traveling to Morioka, and the suitcase leads others to show their hands. Why are they all on the same train, and who will

make it off alive? A bestseller in Japan, *Bullet Train* is an original and propulsive thriller that fizzles with incredible energy as its complex net of double-crosses and twists unwinds up to the last station.

*Time of the Octopus* Anatoly Kucherena, 2018-01-01 A frightening, prophetic vision of our world... In Moscow's Sheremetyevo airport, fugitive US intelligence officer Joshua Kold is held in limbo, unable to leave the airport's transit area. He is on the run, after blowing the lid off the terrifying reach of covert American global surveillance operations. Will the Russian authorities grant him asylum, or will they hand him over the clutches of the global octopus eager for revenge for his betrayal? As this gripping psychological and political thriller unfolds, a Moscow lawyer takes Kold to a secret bunker and grills him intently on just why he did it. Upon Kold's answers hang not only his own fate, but much, much more as the true extent of this chilling 1984 world unfolds. Anatoly Kucherena is the famous Russian lawyer who took on the case of the American whistleblower Edward Snowden whose revelations about US intelligence operations sent shockwaves around the world in 2013. *Time of the Octopus* is a fiction, but it is based on Kucherena's own interviews with Snowden at Sheremetyevo, and provides the basis for Oliver Stone's major Hollywood movie 'Snowden' starring Joseph Gordon-Levitt, one of the movie events of 2016. According to Stone, Anatoly has written a 'grand inquisitor'-style Russian novel weighing the soul of his fictional whistleblower against the gravity of a 1984 tyranny that has achieved global proportions. His meditations on the meaning of totalitarian power in the 21st century make for a chilling, prescient horror story." Is Kold simply a traitor, or the courageous hero of a terrifying struggle against the dark forces of oppression? Translated by John Farndon with Akbota Sultanbekova and Olga Nakston.
