Today, the department has grown to be one of the top law enforcement agencies in the country and is comprised of approximately 350 law enforcement officers. **The Walking Shadow** Stephen Tiedman,2016-03-22 Detective John Schwartz plans to ease back into his job in the Crimes Against Children unit with the Fargo Police Department. He has taken some time off to deal with the death of his wife and hopes for a smooth transition back to work. His first case back looks simple on the outside, but it is anything but that. The case soon leads him to a discovery that Fargo, North Dakota has never encountered before; one that will enlist the attention of the FBI. John tries to balance his work and raise his two children, but he finds it harder and harder the further he gets involved in the case. As another teenager is taken, the police and FBI are stymied for leads. Knowing that the evil that has come to Fargo will slip away to another location, the men and women of the Fargo Police Department and the FBI must find a way to put in end to the carnage while the opportunity is there.

**Race-ing Fargo** Jennifer Erickson,2020-10-15 Tracing the history of refugee settlement in Fargo, North Dakota, from the 1980s to the present day, Race-ing Fargo focuses on the role that gender, religion, and sociality play in everyday interactions between refugees from South Sudan and Bosnia-Herzegovina and the dominant white Euro-American population of the city. Jennifer Erickson outlines the ways in which refugees have impacted this small city over the last thirty years, showing how culture, political economy, and institutional transformations collectively contribute to the racialization of white cities like Fargo in ways that complicate their demographics. Race-ing Fargo shows that race, religion, and decorum prove to be powerful forces determining worthiness and belonging in the city and draws attention to the different roles that state and private sectors played in shaping ideas about race and citizenship on a local level. Through the comparative study of white secular Muslim Bosnians and Black Christian Southern Sudanese, Race-ing Fargo demonstrates how cross-cultural and transnational understandings of race, ethnicity, class, and religion shape daily citizenship practices and belonging.

**Providence Police Department** Paul Campbell,John Glancy,George Pearson,2014-07-14 The Providence Police Department has served New England's second-largest city from its beginnings in 1651 with the appointment of a town sergeant to today's force of nearly 500 men and women. Officially established in 1864, policing in Providence has changed considerably from the days of night watchmen armed with handheld rattle alarms and nightsticks. Whether quelling the violent street riots of 1914, enforcing Prohibition, or fighting the New England mob, the PPD has evolved to meet the complex challenges posed by the city. It also boasts a history of leadership among the nation's law enforcement agencies, being among the first to incorporate women into the department's ranks, create innovative campaigns to reduce traffic fatalities, and pioneer the use of trained canines to aid in police work. Today, cutting-edge telecommunications and forensic analysis in crime fighting continue to protect the city of nearly 178,000.

**San Francisco Police Department** John Garvey,2004 The officers of the San Francisco Police Department would be the first to tell you that police work in this city is nothing like Dirty Harry, The Streets of San Francisco, or Nash Bridges. It's a gritty reality, occasionally infused with glamour, but always characterized by the innovation and unusual proceedings found as a matter of course in this unique city. The department was established in 1849, when the population surge from the Gold Rush created a desperate need for law enforcement. An initial 35-member force was formed to protect over 20,000 residents. Since then, the SFPD has presided over notorious events, including the case of the Zodiac Killer, Zebra Murders, the Patty Hearst Hibernia Bank robbery, the 1975 assassination attempt on President Gerald Ford, and the Golden Dragon Restaurant and 101 California Street Massacres. While the SFPD story includes a gruesome and sometimes scandalous past, its dedicated officers continue to provide a positive and invaluable service to the diverse metropolitan community of San Francisco.

**Charlotte and Mecklenburg County Police** Ryan L. Sumner,2010 For nearly a century and a half, police in Charlotte and Mecklenburg County have displayed tremendous courage and sacrifice in the execution of their duty, adapted to social and cultural changes within the American South, and increasingly embraced sophisticated methods and revolutionary advances in technology to meet the challenges posed by criminals and a violent culture. **Alexandria Police Department** Alexandria Police Association,2006 After constables and night watchmen had protected Alexandria, Virginia, for nearly 100 years, the Alexandria Police Department was officially organized on July 15, 1870. When the city authorized a formal police department, the board of police elected a captain, a lieutenant, and 19 patrolmen. All officers were issued star-shaped tin badges, but they had to supply their own uniforms and guns. This first published history of the Alexandria Police Department follows the growth of the force from the days of foot patrols, when drunks and thieves menaced the seaport town, to

20th-century law enforcement pioneers who once used watches to catch speeders and trained a canine to respond to radio commands. Images recall Alexandria's downtown before it became Old Town and capture the city's expansion to Del Ray and the West End. The officers themselves are highlighted as they caught criminals, investigated traffic accidents, reached out to children in the community, and, in some cases, sacrificed their own lives while protecting the people of Alexandria.
