Gretta Monahan

Dead Fashion Girl Fred Vermorel,2023-03-21 A crime and a six-decade cover-up: the death of a fashion designer in the cesspit of vice and violence that was 1950s London. In 1954, Jean Mary Townsend was strangled with her own scarf and stripped of her underwear but not sexually assaulted. The subsequent police investigation was bungled, leading to a six-decade cover-up, ensuring that this twenty-one-year-old fashion designer was effectively killed twice: first bodily, and then as her significance and her memory were erased. Fred Vermorel's forensic, troubling (and trouble-making) investigation digs deep into Jean Townsend's life and times, and her transgressive bohemian milieu. It disentangles the lies and bluffs that have obscured this puzzling case for over half a century and offers a compelling solution to her murder and the official secrecy surrounding it. More than just a true crime story, Vermorel's investigation deploys Townsend's death as a wild card methodology for probing the 1950s: a cesspit of vice and violence, from coprophiles to bombsite gangs and flick knives in the cinema. Densely illustrated with archival material, *Dead Fashion Girl* is a heavily researched, darkly curious exposé of London's 1950s society that touches on celebrity, royalty, the postwar establishment, and ultimately, tragedy.

From Pinterest boards and Instagram posts to shop windows and ad campaigns, fashion is everywhere. We shop and dress for practical reasons like job interviews or to make a good impression at the board meeting. We shop and dress for more adventurous reasons—for dates, to woo a lover, to catch someone’s eye. Clothes are armor for women, and we wrap a lot of meaning in what we choose to wear. As plus-size spokesmodel and blogger Brittany Gibbons knows, what we choose to wear is especially important, and especially emotional, for curvy women. This isn’t only because curvy women feel underrepresented and underserved by the fashion world. For the curvy woman who struggles with feelings of self-worth and a lack of confidence the feeling of why bother can come crashing in. You can’t help but think wouldn’t leggings and a slouchy sweater just be easier? Especially when we, like every other woman on the planet, are facing greater, real-life obstacles like raising kids, attending college, keeping your marriage together, paying bills, and a myriad of other daily struggles. Everyone has those days where they hate their body, they hate their clothes, but self-confidence and strength can come from a great outfit. Brittany is determined to help women, curvy and otherwise, embrace fashion and all the bumps and lumps that come with it. An overdue love letter to her body, Brittany delves into the hilarity and the humility of her quest to find her own personal style—to break out of a rut of maternity underwear and men’s undershirts once and for all. From wardrobe malfunctions, to fashion advice, to mom bodies and the perfect pose, *The Clothes Make the Girl (Look Fat)?* is the empowered battle cry all women deserve.

*Sporting Fashion* Kevin L. Jones,Christina M. Johnson,2021-03-09 Discover how the designers of women's sporting attire navigated the worlds of fashion, function, and propriety, from the beginning of the 19th century to 1960. This book offers a stunning visual record of the evolution of women's sporting attire over nearly two centuries. With selections from Keds, Pendleton, and Spalding and garments by Coco Chanel, Claire McCardell, and Jean Patou, among many others, it features familiar names in fashion, as well as significant rediscoveries. At the intersection of the history of fashion and feminism, *Sporting Fashion* highlights the extraordinary impact of new technologies and evolving social mores on women's clothing for sport. It explores how the basic forms of women's sportswear we know today--from swimsuits to sneakers--were developed during a time when women were achieving more freedom. Full color illustrations of sport and leisure ensembles are included, along with magazine spreads and archival images. In thematic sections, the authors examine the ways women entered into the sporting world--from traveling to calisthenics, motorcycling to promenading. The book looks at examples of clothing that allowed women to walk freely and compete in sports previously restricted to men. It explores how designers reacted to and encouraged the growing acceptance of exposed skin at public beaches and pools--and how cold weather fashion made its way onto the slopes and ice. Never before have the garments that defined women's roles as both spectators and athletes been presented on this scale and in such detail. Published with the American Federation of Arts and the FIDM Museum at the Fashion Institute of Design & Merchandising/Los Angeles The Costume Society of America is pleased to announce Kevin Jones and Christina Johnson as recipients of the 2022 CSA Millia Davenport Publications Award for their work titled *Sporting Fashion: Outdoor Girls 1800-1960*.

**The Kind Fashionista** Joanna Slodownik,2021-01-09 ★ Can a group of fashion-challenged dorks and social misfits steal the fashion show from the glamorous but mean fashionistas, proving that personality, smarts, and self-expression win (almost) every time? ★ A FUN NEW RELEASE FOR GIRLS 2021! (Available in paperback and as Kindle Unlimited download.) When the Find-Your-Style fashion design, sewing, and jewelry making workshop is announced, culminating with a FASHION SHOW & EXTRAVAGANZA, I don't even think about participating. After being officially appointed one of the biggest fashion DISASTERS by the school fashionistas, I don't believe I would even stand a chance and don't want to humiliate myself in front of the entire school and town. Besides, being trendy and following the latest fashion is not something that I'm concerned about. In my book, practicality wins every time over appearances, and what's ACTUALLY INSIDE YOUR HEAD is more important than what color your hair is and whether it's been blow-dried, curled, and hair-sprayed. I mean, who has the time to waste on coordinating your clothes and accessories with your nails every morning, not to mention the money it costs? Not me! I can think of at least ten better things to do. Or-make it a thousand! (And even if I had loads of money to spare, I'd donate it to a farm sanctuary or animal shelter rather than waste it on products that are superfluous and superficial and just plain silly.) It's only when I realize that participating in the show may actually give my friends and me a chance to get back at the mean fashionistas that I decide to join the 'circus' but do it on my terms. There is only one problem-signing up is easy, but what will we present? With the show's big date getting closer, there's little time to figure out our revenge. As we go on that journey, we get close and personal with the contents of our closets and face our dorkiness, self-consciousness, and other demons. We also discover that we are not just smart and caring individuals with an important message to share with the world (and our school mates) but have a distinct personal style as well. \*\*\* This book will almost definitely change the way you think about fashion. And you'll never look at the contents of your closet the same way again! Note: The Kind Fashionista is a fun book about fashion and style with an important message to share-an exciting new release in tween and teen fiction for girls 2021, as well as middle school new releases for girls. If you're looking for entertaining, educational, inspirational, and uplifting stories to read for your kid, funny books about dorks, new tween fiction best sellers, and fun fashion design gifts-definitely check out this book and the whole new series, Rebel Girls With A Cause, that middle-schoolers, tweens, and teens, will enjoy. Available both on kindle unlimited and in paperback. And stay tuned for more new releases in 2021 in this series! Buy the book today, and enjoy the read!
