CAD for Fashion Design and Merchandising Stacy Stewart Smith,2013-02-20 It takes more than raw talent and passion to make it in today's global apparel and accessories markets-excellent computer-aided design skills are a prerequisite. CAD for Fashion Design and Merchandising allows students to immediately begin creating digital fashion presentations using Adobe Illustrator® and Photoshop®. This book takes an integrated approach, allowing students to master the three-dimensional benefits of combining the two software programs. Colorful illustrations accompany easy, step-by-step tutorials that are geared toward students at the beginner and intermediate levels. Because the book uses fashion photography rather than hand-drawn illustrations as a basis for demonstrating the proportion of fashion croquis, instructors will be able to evaluate students' mastery of digital illustration regardless of their hand-drawing skills, and students will benefit from a seamless transition from creative thought to digital rendering. The Fashion Insiders' Guide to New York Carole Sabas,2013-05-20 The Fashion Insiders' Guides are carefully curated compendiums of the current hotspots, classic haunts, and hidden gems of the world's greatest fashion destinations. A former Parisian living in New York, French Vogue correspondent Carole Sabas was often approached by friends and colleagues on their way to Paris for Fashion Week, looking for the best place for a quick facial, early morning yoga, or to meet a friend for a drink. So many people asked, in fact, that she produced a small guide filled with advice, which she gave out for free. Requests for more information and other cities came pouring in. Abrams is now making Sabas's Paris and New York guides available to everyone, with expanded content including chapters such as "Eating and Drinking," "Beauty," "Health," "Shopping," "Art," and an eclectic selection of odds and ends called "Might Be Useful One Day." Written with a light touch and in a friendly tone, each entry includes a description of the recommended spots with hints about when to go, who to ask for, and what to get, as well as location and contact information. The inclusion of additional advice from local fashion celebrities on their favorite places to frequent puts readers confidently in-the-know. Peppered throughout with drawings by a noted and local fashion illustrator, these beautifully designed guides will be the must-have accessories of the season. Praise for The Fashion Insiders' Guide to New York: "Hidden gems are finally unveiled in this posh and savvy guide for sophisticated visitors and newcomers to the Big City . . . this is one must-have guide for stylish New York travelers." —Ambassador magazine

Faith and Fashion Julie Cole,Graham Cole,2022-08-24 We all wear clothes. But are you concerned that your fashion choices are mere vanity or wasteful or environmentally harmful? The question is how to look our best in a responsible and wise way that avoids guilt, vanity, and immodesty. Jules and Graham Cole bring their expertise to bear on this question in this unique collaboration: Jules as a fashion designer and Graham as a theologian. This book pays attention to differences in body type and the challenge of best fit and does so in an environmentally sustainable way. In this work, you will find hints on how to dress and how to coordinate a wardrobe that is economically responsible and minimizes landfill. The book seeks to honor the God of the Bible who values beauty. The discussion culminates in considering the ultimate wardrobe change. Fashions come and go, but to be clothed with Christ is never out of date.

Illustrating Fashion Kathryn McKelvey, Janine Munslow, 2009-04-15 In clear and easy-to-follow steps, this highly effective textbook sets out everything that students need to know to produce competent and visually exciting illustrations. It is suitable both for class use and self-teaching, and shows how to create lively fashion illustrations of men, women and children. Examples of the media available and different drawing techniques are presented in a student-friendly form, with detailed explanations of how to represent fabrics, create and use templates and stencils, and make specification and working drawings. The presentation in this new edition has been updated throughout, using modern software techniques, the resource drawings now have a more contemporary look, and coloured illustrations are included for the first time.

Adobe Photoshop for Fashion Design Susan Lazear, 2011-11-21 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. More than just a how-to manual, Adobe Photoshop for Fashion Design introduces readers to Photoshop and ways to think about designing fashion apparel and textiles using the program. Early chapters provide a strong foundation in the commands and capabilities of the program while later sections offer application exercises that develop skills in fashion design, textile design and presentation techniques. Available with an accompanying website, this book emphasizes the creative process and explores the capabilities of this powerful program as related to clothing, fashion, and textiles.

Sustainability in Creative Industries Muhammad Nawaz Tunio,

Bright Lights Paris Angie Niles, 2015-09-08 Take a life-changing journey with a fashion insider through the neighborhoods of Paris—and become the most glamorous girl in town (without even trying). After spending much of her life mining the secrets of La Parisienne, Angie has discovered there are as many ways to be Parisian as there are arrondissements. Find out what Saint Germain women wear, where Canal Saint Martin girls shop and hang out with their friends, the décor tricks of the artistic ladies in Montmartre, and how to cook and entertain—as if you just rolled out of bed and onto the cobblestone streets of Le Marais... Featuring hundreds of stunning photographs and original fashion illustrations, as well as fabulous tips from celebrities, fashion designers, bloggers, chefs, and more!

In Fashion: Culture, Commerce, Craft, and Identity, 2022-01-10 For the international cast of contributors to this volume being “in fashion” is about self-presentation; defining how fashion is presented in the visual, written, and performing arts; and about design, craft manufacturing, packaging, marketing, and archives.

For designers who need to learn to design on the computer.

Analytical Modeling Research in Fashion Business Tsan-Ming Choi, 2016-05-23 This book includes both theoretical results and application cases of analytical modeling based research related to the fashion and textile business. It responds to calls for deeper theoretical foundations as an expansion of research methodology in a field that has to date mostly relied on case studies and empirical analysis. Although there are a growing number of related publications which employ an analytical approach in conducting theoretical and applied research in the fashion and textile business, this book fills an essential gap by providing a comprehensive reference source that introduces the methodology and provides state-of-the-art findings on the topic. Covering an important and well-established industry, Analytical Modeling Research in Fashion Business is a pioneering text and essential reading for researchers and practitioners in the fashion and textiles industry alike. /div
