**Can't Sail In Jail!** Greg Gilmartin,2021-09 Every legend begins with a little lie, but it needs some truth if it's gonna' fly. The chase is on for the American Dream and everyone is looking for a big pay day. Billy and his sailboat race crew are chasing the breeze and a boat load of silver. Their M.F.O. is smuggling home the green grass of Jamaica, and the 'gas and go' Albanians are hoping to fill up on cash. Here comes the D.A., as always, chasing the chasers. What could go wrong? Can't Sail In Jail! is a fun romp of misadventures on wisps of wind and weed in a wacky world around Mystic, Connecticut with no room for innocence, where wrong decisions can help you grow up. If you want to. The cast of characters will charm you, offend you, make you laugh and make you cry. Each seeks the Dream, taking different paths to avoid the inevitable nightmare. Remember - It's okay to fail, just stay out of jail! All of Greg Gilmartin's novels are locally based from Coney Island to Block Island with forays to San Francisco and Colombia.

What I Talk About When I Talk About Running Haruki Murakami,2009-08-11 From the best-selling author of *The Wind-Up Bird Chronicle* and *After Dark*, a rich and revelatory memoir about writing and running, and the integral impact both have made on his life. In 1982, having sold his jazz bar to devote himself to writing, Haruki Murakami began running to keep fit. A year later, he'd completed a solo course from Athens to Marathon, and now, after dozens of such races, not to mention triathlons and a slew of critically acclaimed books, he reflects upon the influence the sport has had on his life and—even more important—on his writing. Equal parts training log, travelogue, and reminiscence, this revealing memoir covers his four-month preparation for the 2005 New York City Marathon and includes settings ranging from Tokyo's Jingu Gaien gardens, where he once shared the course with an Olympian, to the Charles River in Boston among young women who outpace him. Through this marvellous lens of sport emerges a cornucopia of memories and insights: the eureka moment when he decided to become a writer, his greatest triumphs and disappointments, his passion for vintage LPs and the experience, after the age of fifty, of seeing his race times improve and then fall back. By turns funny and sobering, playful and philosophical, *What I Talk About When I Talk About Running* is both for fans of this masterful yet guardedly private writer and for the exploding population of athletes who find similar satisfaction in distance running.

**Mrs. Poe** Lynn Cullen,2013-10 Struggling to support her family in mid-19th-century New York, writer Frances Osgood makes an unexpected connection with literary master Edgar Allan Poe and finds her survival complicated by her intense attraction to the writer and the scheming manipulations of

his wife. 75,000 first printing.

**The Horsewoman** James Patterson, Mike Lupica, 2022-01-10 This hugely entertaining, riveting page-turner (Louise Penny) follows the complicated relationship between mother and daughter as they face off in the Olympics—and into a ride they can barely control. Maggie Atwood and Becky McCabe, mother and daughter, both champion riders, vowed to never, ever, go up against one another. Until the tense, harrowing competitions leading to the Paris Olympics. Mother and daughter share a dream: to be the best horsewoman in the world. Coronado is Maggie's horse. An absolutely top-tier Belgian warmblood. Sky is Becky's horse. A small, speedy Dutch warmblood. Only James Patterson could bring you such breakneck speed, hair-raising thrills and spills. Only hall of fame sportswriter Mike Lupica could make it all so real.

**Born to Run** Christopher McDougall, 2010-12-09 A New York Times bestseller 'A sensation ... a rollicking tale well told' - The Times At the heart of Born to Run lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

**Sham: Great Was Second Best** Phil Dandrea, 2011 Sham was a horse that seemed destined for greatness. He boasted a winning pedigree, a sleek and muscular frame, experienced trainers, and talented jockeys. Early races validated his potential, as he ran to victories by as many as fifteen lengths. After he defeated the mighty Secretariat in the Wood Memorial, many turf writers were touting Sham as the Kentucky Derby favorite. The stage was set for Sham-mania to sweep the country at a time when the nation needed a hero. But it was Secretariat who won over the nation. Despite impressive victories and record-breaking performances, Sham's popularity paled in comparison. If Secretariat was America's horse, Sham might well have been everyman's horse, a working-class hero who couldn't get the recognition he deserved. This is the other side of the story of Secretariat's famous Triple Crown season and of his remarkable challenger who found that great was only second best.

**Psychic Self-Defense** Dion Fortune,2021-12-12 **Psychic Self-Defense** Dion Fortune - **Psychic Self-Defense** is one of the best guides to detection and defence against psychic attack from one of the leading occult writers of the 20th century. After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defence guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defence. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognise them.

**Blindsight** Peter Watts,2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Betting on Horse Racing For Dummies** Richard Eng,2010-03-11 How to enjoy a day at the races-and bet to win! The last two years have seen a record number of Americans tune in for climatic Triple Crown races featuring Smarty Jones and Funny Cide; in 2004, television viewership jumped a whopping 61 percent over the record set in 2003, and the Belmont Stakes race itself drew a record crowd of more than 120,000! This easy-to-understand guide shows first-time visitors to the track how to enjoy the sport of horse racing-and make smart bets. It explains what goes on at the track, what to look for in horses and jockeys, how to read a racing form and do simple handicapping, and how to

manage betting funds and make wagers that stand a good chance of paying off. Complete with coverage of off-track and online betting, it's just what anyone needs to play the ponies-and win!

Richard Eng (Las Vegas, NV) is a racing writer and handicapper for the Las Vegas Review-Journal, a columnist for the Daily Racing Form, and the host of a horseracing radio program in Las Vegas. He was formerly a part of the ABC Sports team that covered the Triple Crown.

**Fast Food Nation** Eric Schlosser, 2012 Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

*Unbroken (Movie Tie-in Edition)* Laura Hillenbrand, 2018-08-21 #1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014's *Unbroken* and the upcoming *Unbroken: Path to Redemption*. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant's name was Louis Zamperini. In boyhood, he'd been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man's journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* "Extraordinarily moving . . . a powerfully drawn survival epic."—The Wall Street Journal "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—New York "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she

describes so incredible, you don't dare take your eyes off the page."—People "A meticulous, soaring and beautifully written account of an extraordinary life."—The Washington Post "Ambitious and powerful . . . a startling narrative and an inspirational book."—The New York Times Book Review "Marvelous . . . Unbroken is wonderful twice over, for the tale it tells and for the way it's told. . . . It manages maximum velocity with no loss of subtlety."—Newsweek "Moving and, yes, inspirational . . . [Laura] Hillenbrand's unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time."—Maureen Corrigan, Fresh Air "Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter's pace."—Time "Unbroken is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it."—Christopher McDougall, author of *Born to Run*

**Those Angry Days** Lynne Olson, 2014-01-14 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND KIRKUS REVIEWS From the acclaimed author of *Citizens of London* comes the definitive account of the debate over American intervention in World War II—a bitter, sometimes violent clash of personalities and ideas that divided the nation and ultimately determined the fate of the free world. At the center of this controversy stood the two most famous men in America: President Franklin D. Roosevelt, who championed the interventionist cause, and aviator Charles Lindbergh, who as unofficial leader and spokesman for America's isolationists emerged as the president's most formidable adversary. Their contest of wills personified the divisions within the country at large, and Lynne Olson makes masterly use of their dramatic personal stories to create a poignant and riveting narrative. While FDR, buffeted by political pressures on all sides, struggled to marshal public support for aid to Winston Churchill's Britain, Lindbergh saw his heroic reputation besmirched—and his marriage thrown into turmoil—by allegations that he was a Nazi sympathizer. Spanning the years 1939 to 1941, *Those Angry Days* vividly re-creates the rancorous internal squabbles that gripped the United States in the period leading up to Pearl Harbor. After Germany vanquished most of Europe, America found itself torn between its traditional isolationism and the urgent need to come to the aid of Britain, the only country still battling Hitler. The conflict over intervention was, as FDR noted, "a dirty fight," rife with chicanery and intrigue, and *Those Angry Days* recounts every bruising detail. In Washington, a group of high-ranking military officers, including the Air Force chief of staff, worked to sabotage FDR's pro-British policies. Roosevelt, meanwhile, authorized FBI wiretaps of Lindbergh and other opponents of intervention. At the same

time, a covert British operation, approved by the president, spied on antiwar groups, dug up dirt on congressional isolationists, and planted propaganda in U.S. newspapers. The stakes could not have been higher. The combatants were larger than life. With the immediacy of a great novel, *Those Angry Days* brilliantly recalls a time fraught with danger when the future of democracy and America's role in the world hung in the balance. Praise for *Those Angry Days* "Powerfully [re-creates] this tenebrous era . . . Olson captures in spellbinding detail the key figures in the battle between the Roosevelt administration and the isolationist movement."—The New York Times Book Review "Popular history at its most riveting . . . In *Those Angry Days*, journalist-turned-historian Lynne Olson captures [the] period in a fast-moving, highly readable narrative punctuated by high drama."—Associated Press

**Spirit of the Times and the New York Sportsman** ,1864

The Horse in America John Gilmer Speed,1905

*Eighty Days* Matthew Goodman,2013 Documents the 1889 competition between feminist journalist Nellie Bly and Cosmopolitan reporter Elizabeth Bishop to beat Jules Verne's record and each other in a round-the-globe race, offering insight into their respective daunting challenges as recorded in their reports sent back home. 50,000 first printing.

**Fast 5K** Pete Magill,2019-09-10 Spend two hours with Pete Magill's Fast 5K and you'll know how to run your fastest 5K. In his fast-paced, ultimate guide to 5K running races, celebrated running coach Pete Magill reveals the 25 crucial keys to setting your next 5K PR. Magill shares hard-earned lessons he gained while leading 19 teams to USA national championships and setting multiple American and world age-group and masters records. Fast 5K shares Magill's essential keys to finding your fastest running fitness and race readiness. The 25 keys include optimal training mileage, effective tempo runs, VO2 max workouts, hill repeats, plyometrics that work, ways to prevent injuries, recovery tips, guides to diet and racing weight, choosing racing flats, and much more. Offering three 12-week and one 16-week 5K training plans, Fast 5K is the key to your best 5K running times. Pete Magill is a world-class 5K runner, personally holds multiple American and world age-group records in track & field and road racing and is a 5-time USA Masters Cross Country Runner of the Year. Now in this distilled guide, you can get world-class advice on how to run your fastest 5K ever.

**The Jungle** Upton Sinclair,1920 1906 bestseller shockingly reveals intolerable labor practices and unsanitary working conditions in the Chicago stockyards as it tells the brutally grim story of a Slavic family that emigrates to America full of optimism but soon descends into numbing poverty, moral degradation, and despair. A fiercely realistic American classic that will haunt readers long after they've

finished the last page.

**I Know Why the Caged Bird Sings** Maya Angelou, 2010-07-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

**Five Came Back** Mark Harris, 2014-02-27 Now a Netflix original documentary series, also written by Mark Harris: the extraordinary wartime experience of five of Hollywood's most important directors, all of whom put their stamp on World War II and were changed by it forever Here is the remarkable, untold story of how five major Hollywood directors—John Ford, George Stevens, John Huston, William Wyler, and Frank Capra—changed World War II, and how, in turn, the war changed them. In a move unheard of at the time, the U.S. government farmed out its war propaganda effort to Hollywood, allowing these directors the freedom to film in combat zones as never before. They were on the scene at almost every major moment of America's war, shaping the public's collective consciousness of what we've now come to call the good fight. The product of five years of scrupulous archival research, *Five Came Back* provides a revelatory new understanding of Hollywood's role in the war through the life and work of these five men who chose to go, and who came back. "*Five Came Back* . . . is one of the great works of film history of the decade." --Slate "A tough-minded, information-packed and irresistibly readable work of movie-minded cultural criticism. Like the best World War II films, it highlights marquee names in a familiar plot to explore some serious issues: the human cost of military service, the hypnotic power of cinema and the tension between artistic integrity and the exigencies of war." --The New York Times

## **Unreasonable Success and How to Achieve It Richard Koch,2020-09-22 Can We Map Success?**

Successful people typically don't plan their success. Instead they develop a unique philosophy or attitude that works for them. They stumble across strategies which are shortcuts to success, and latch onto them. Events hand them opportunities they could not have anticipated. Often their peers with equal or greater talent fail while they succeed. It is too easy to attribute success to inherent, unstoppable genius. Bestselling author and serial entrepreneur Richard Koch charts a map of success, identifying the nine key attitudes and strategies can propel anyone to new heights of accomplishment: Self-belief Olympian Expectations Transforming Experiences One Breakthrough Achievement Make Your Own Trail Find and Drive Your Personal Vehicle Thrive on Setbacks Acquire Unique Intuition Distort Reality With this book, you can embark on a journey towards a new, unreasonably successful future.
