Travel as a Political Act Rick Steves, 2018-02-06 Change the world one trip at a time. In this illuminating collection of stories and lessons from the road, acclaimed travel writer Rick Steves shares a powerful message that resonates now more than ever. With the world facing divisive and often frightening events, from Trump, Brexit, and Erdogan, to climate change, nativism, and populism, there's

never been a more important time to travel. Rick believes the risks of travel are widely exaggerated, and that fear is for people who don't get out much. After years of living out of a suitcase, he still marvels at how different cultures find different truths to be self-evident. By sharing his experiences from Europe, Central America, Asia, and the Middle East, Rick shows how we can learn more about own country by viewing it from afar. With gripping stories from Rick's decades of exploration, this fully revised edition of *Travel as a Political Act* is an antidote to the current climate of xenophobia. When we travel thoughtfully, we bring back the most beautiful souvenir of all: a broader perspective on the world that we all call home. All royalties from the sale of *Travel as a Political Act* are donated to support the work of Bread for the World, a non-partisan organization working to end hunger at home and abroad.

Fluent Forever Gabriel Wyner, 2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a

foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Learn Italian For Beginners Giorgio Mills, 2020-10-23 If you want to learn Italian quickly and easily, without endless hours of memorization then keep listening. Love Italian culture? Planning to travel for business or leisure and want to be able to hold real conversations? Maybe you have previously tried to learn Italian before you gave up. We understand where you're coming from. In our experience many students we had, have taken a program or two before us, but found them either too difficult, time-consuming or confusing. They either contained too many obscure words that barely even get used in conversation or they require thousands of hours of practice and dedication. As a result many people drop out before they could have a chance to experience the beauty of the Italian language. It is a sad and tragic opportunity we don't want any aspiring person who desires to experience the culture in all its full richness to miss. That is why we have put together an effective Italian language learning program that will help you start speaking Italian quickly and easily, with minimal time and effort. Italian Folktales Italo Calvino, 2013-08-26 One of the New York Times's Ten Best Books of the Year: These traditional stories of Italy, retold by a literary master, are "a treasure" (Los Angeles Times). Filled

with kings and peasants, saints and ogres—as well as some quite extraordinary plants and animals—these two hundred tales bring to life Italy’s folklore, sometimes with earthy humor, sometimes with noble mystery, and sometimes with the playfulness of sheer nonsense. Selected and retold by one of the country’s greatest literary icons, “this collection stands with the finest folktale collections anywhere” (The New York Times Book Review). “For readers of any age . . . A masterwork.” —The Wall Street Journal
“A magic book, and a classic to boot.” —Time
