High Crimes and Misdemeanors Frank O. Bowman III,2019-07-30 America frequently talks about impeaching a president, but the impeachment provisions of the American constitution are widely misunderstood. In *High Crimes and Misdemeanors*, constitutional scholar Frank O. Bowman, III offers unprecedented clarity to the question of impeachment, tracing its roots to medieval England through its adoption in the Constitution and 250 years of American experience. By examining the human and political history of those who have faced impeachment, Bowman demonstrates that the Framers intended impeachment to be a flexible tool, adaptable to the needs of any age. Written in a lively, engaging style, the book combines a deep historical and constitutional analysis of the impeachment clauses, a coherent theory of when impeachment should be used to protect constitutional order against presidential misconduct, and a comprehensive presentation of the case for and against impeachment of President Trump. It is an indispensable work for the present moment.

Radical Revolution of Values Azam Saeed,2022-10-25 Even in the midst of today' s global concerns, this book provides a sense of hope and future. A must-read for business executives who desire to be responsible citizens and leaders. – Idris T Vasi, Head of Nokia CNS &– Asia-Pacific Finding sacredness in the other does not just create societal harmony, it may also be an essential milestone in the path to a more meaningful self-discovery... – *Radical Revolution of Values* In this thoroughly researched and hopeful examination inspired by Rev. Martin Luther King' s call for a radical revolution of values, the author guides readers through a worldly and spiritual voyage, taking a deep dive into the holy scriptures of various religions and their guiding light to move toward justice, peace, and global harmony. Grounded in the principle that our religions can be a source of solutions towards the world' s disputes, Azam delves into the emotionally charged and polarized identities that are too often used as tools of exploitation and control instead of empowerment and freedom. This book inspires readers to ask intricate questions about the world around them by unraveling the complex web of geopolitics, politico-economic systems, and

religion in international conflicts. What People are Saying: Radical Revolution of Values is a scholarly book but its message of love, compassion, justice, and inclusion, which is much-needed today, is for all people. – Dr. Riffat Hassan, Professor Emerita, Islamic Theology, University of Louisville Azam Saeed has tackled big topics we all confront today in our divided culture: religious exploitation, tribalism, threats to our freedom, domestic terrorism. He skillfully dissects these and provides solutions in clear, easy-to-understand language. – Cynthia Parzych. Author and Book Publisher, Cynthia Parzych Publishing, Inc. “ An excellent resource for helping us understand the backstory to the major socio-political and religious issues of today.” – Miriam Therese Winter, PhD, Medical Mission Sister, Professor Emerita, Hartford International University for Religion and Peace
