Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter

where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

The first time, she’s fourteen, and escapes a near-fatal car accident with scars, a bum leg, and an addiction to Oxy that’ll take years to kick. The second time, she’s seventeen, and it’s no accident. Sophie and her best friend Mina are confronted by a masked man in the woods. Sophie survives, but Mina is not so lucky. When the cops deem Mina’s murder a drug deal gone wrong, casting partial blame on Sophie, no one

will believe the truth: Sophie has been clean for months, and it was Mina who led her into the woods that night for a meeting shrouded in mystery. After a forced stint in rehab, Sophie returns home to a chilly new reality. Mina's brother won't speak to her, her parents fear she'll relapse, old friends have become enemies, and Sophie has to learn how to live without her other half. To make matters worse, no one is looking in the right places and Sophie must search for Mina's murderer on her own. But with every step, Sophie comes closer to revealing all: about herself, about Mina---and about the secret they shared.

a new best friend – and tests her mettle as she navigates the school's social cliques. Miss Garrett's classroom is like every other at our school. White kids sit on one side and black kids on the other. I'm one of the few middle-rowers who split the difference. Sixth-grader Lu Olivera just wants to keep her head down and get along with everyone in her class. Trouble is, Lu's old friends have been changing lately – acting boy crazy and making snide remarks about Lu's newfound talent for running track. Lu's secret hope for a new friend is fellow runner Belinda Gresham, but in 1970 Red Grove, Alabama, blacks and whites don't mix. As segregationist ex-governor George Wallace ramps up his campaign against the current governor, Albert Brewer, growing tensions in the state – and in the classroom – mean that Lu can't stay neutral about the racial divide at school. Will she find the gumption to stand up for what's right and to choose friends who do the same?

Her youngest daughter, actress Emerson, is recently engaged and has just landed the role of a lifetime. She seemingly has the world by the tail and yet something she can't quite put her finger on is worrying her—and it has nothing to do with her recent health scare. When two new women arrive in Peachtree Bluff—one who has the potential to wreck Ansley's happiness and one who could tear Emerson's world apart—everything is put in perspective. And after secrets that were never meant to be told come to light, the powerful bond between the Murphy sisters and their mother comes crumbling down, testing their devotion to each other and forcing them to evaluate the meaning of family. “Kristy Woodson Harvey has done it again....The Southern Side of Paradise is full of humor, charm, and family” (Lauren K. Denton, USA TODAY bestselling author) and is the ultimate satisfying beach read.

I'm Everywhere and Nowhere. and I Own Nothing and Everything Yann Girard, 2016-09-27 Over the past seven years I've lived in more places than I can remember. I lived and worked in Shanghai, New York, Berlin, Bangkok, Munich and a few more places, not including the dozens of places I've stayed at for just a few days or weeks. While writing these lines I'm in a small town in Malaysia. I've basically lived out of a backpack for the past seven years. And the longer I'm doing this, the less stuff I need. Right now I carry less than 10 items around with me in a carry on backpack that weighs less than 10kg. I go wherever I want to go. I currently spend less than \$800 a month. Including everything. My most precious possession is a \$300 Acer laptop. I've started a clothing company in China, for the Chinese market, which failed miserably. I've launched more than 10 websites, some of them made some money, some of them didn't. I shut down all of them. I've written seven books (this is my eighth). None of them was a bestseller. I write a blog where I published more than 500 articles so far. I've more than 100,000 monthly readers spread across multiple platforms. I'm by no means successful. Or rich. But I have more than enough, by all means. I have access to everything I need. And I can buy and afford everything I need. I'm not a minimalist. Or a digital nomad. Or an entrepreneur. Or a blogger. Or an author. I'm mostly trying to just be myself. I'm trying to be myself in a world where it gets harder and harder every single day to just be yourself. It's not always been easy. As a matter of fact it's probably been hard more often than it's been easy. But every day of struggle and doubt has been worth it. Being yourself and creating your own life instead of just living a life is always worth the struggle. This right here is my story. This is what I've learned about life, myself and the world around me. I'm everywhere and nowhere. And I own nothing and everything...
