The Temporary European Cameron Hewitt,2022-02-01 Write guidebooks, make travel TV, lead bus tours? Cameron Hewitt has been Rick Steves' right hand for more than 20 years, doing just that. The Temporary European is a collection of vivid, entertaining travel tales from across Europe. Cameron zips you into his backpack for engaging and inspiring experiences: sampling spleen sandwiches at a Palermo street market; hiking alone with the cows high in the Swiss Alps; simmering in Budapest's thermal baths; trekking across an English moor to a stone circle; hand-rolling pasta at a Tuscan agriturismo; shivering through Highland games in a soggy Scottish village; and much more. Along the way, Cameron introduces us to his favorite Europeans. In Mostar, Alma demonstrates how Bosnian coffee isn't just a drink, but a social ritual. In France, Mathilde explains that the true mastery of a fromager isn't making cheese, but aging it. In Spain, Fran proudly eats acorns, but never corn on the cob. While personal, the stories also tap into the universal joy of travel. Cameron's travel motto (inspired by a globetrotting auntie) is Jams Are Fun—the fondest memories arrive when your best-laid plans go sideways. And he encourages travelers to stow their phones and guidebooks, slow down, and savor those magic moments that arrive between stops on a busy itinerary. The stories are packed with inspiration and insights for your next trip, including how to find the best gelato in Italy, how to select the best produce at a Provençal market, how to navigate Spain's confusing tapas scene, and how to survive the experience of driving in Sicily (hint: just go numb). And you'll get a reality check for every traveler's dream job: researching and writing guidebooks; guiding busloads of Americans on tours around Europe; scouting and producing a travel TV show; and working with Rick Steves and his merry band of travelers. It's a candid account of how the sausage gets made in the travel business—told with warts-and-all honesty and a sense of humor. For Rick Steves fans, or anyone who loves Europe, The Temporary European is inspiring, insightful, and fun.

Athena's Choice Adam Boostrom,2019-01-18 What if a stray virus accidentally killed all the men on earth? One of the Best Books of 2019 -- Kirkus Reviews (starred review). Winner of the 2019 National Indie Excellence Award for Visionary Fiction. Winner of the 2019 Maxy Award for Science Fiction. Finalist for the 2019 IAN Book of the Year Awards. Finalist for the 2019 NIEA for Science Fiction. A daring book that will stay in readers' minds long after the final page. -Kirkus Reviews (starred review) Athena Vosh lives just like any other teenager from the year 2099. She watches reality shows with her friends,

eats well, and occasionally wonders to herself: what would life be like if men were still alive? It has been almost 50 years since an experimental virus accidentally killed all the men on earth. However, a controversial project is currently underway to bring men back. There's just one catch. The project has been sabotaged. So begins the award-winning novel, Athena's Choice. When the police of 2099 are tasked with finding the saboteur, they receive a mysterious command to investigate the otherwise innocuous Athena Vosh. After it becomes clear that the young girl might know more than she lets on, Athena is brought in to participate in the official investigation. Simultaneously, the girl begins to experience a series of cryptic dreams featuring a ruined library and an old book containing the saboteur's true identity. As the police close in on their prize, Athena finds herself on a journey of her own. Her clue-filled dreams and incorruptible spirit bring her face-to-face with a pair of forgotten truths about happiness and gender. The world waits to see if men will return as Athena fights a separate battle all on her own, culminating in the choice that will define her and other's lives forever. I have spent days thinking of nothing except this book and I can honestly say, without hesitation, that I loved it. -Mackey S, Macsbooks The story is thought-provoking, troubling, fascinating, and compelling. This is science fiction at its best. -Chris, Amazon Reviewer An interesting concept that the author uses in full force to tell an incredible, lush story. -Hannah S, Librarian
