Fearless Friday Kaye Hopkins,2023-10-20 Isabel Morgan is tired of playing by the rules when it comes to her love life. Izzy isn't allowed to be with the man she's been seeing, the hunky Devlin Russo, casino manager extraordinaire, because their sizzling romance was suddenly plagued by death threats against him and a few bullets flying. With Devlin's inordinate concern for her safety, their passion was put on hold---at his insistence alone (in her mind, the man is definitely worth a flesh wound!). But Izzy is no damsel in distress. Fed up with waiting for the police to catch the culprit threatening her man, she takes matters into her own hands. Against the advice of everyone, including her skeptical roommate Kenny whom she enlists the help of, she launches a hilarious investigation of her own. Armed with old security reports and a fearless spirit, she turns over every rock in her path, determined to unveil the truth. And little did she know, the answers have been hiding right under her nose all along. In this humorous tale of danger and romance, Kaye Hopkins introduces readers to Fearless Friday, a rollercoaster of wit, intrigue, and unexpected twists. Join Izzy and Kenny on their daring quest to uncover the truth and be prepared for a wild ride that will leave you wanting more.

Free Agent Jeremy Duns,2009-04-30 In July 1945 MI6 agent Paul Dark took part in a top secret mission to hunt down and execute Nazi war criminals. He will discover that everything he understood about that mission, about its consequences, and about the woman he once loved, has been built on false foundations. Now it's 1969 and a KGB colonel called Slavin has walked into the High Commission in Lagos, Nigeria, and announced that he wants to defect. His credentials as a defector are good - he has highly suggestive information which indicates that there is yet another double agent within the Service, which would be a devastating blow still coming to terms with its betrayal by Kim Philby and the rest of the Cambridge Five. Paul Dark has been largely above suspicion during MI6's years of self-recrimination. But this time he can see his number coming up. For some it would be fight or flight time. But when you discover that everything you've

taken for granted and trusted for twenty four years turns out to be untrue, and when your arrest may only be moments away, then perhaps the only option is both fight and flight. Free Agent is a twisting, intense thriller set between London and Nigeria during the height of the Cold War. It's a novel of innumerable cliffhangers, all set within a constantly evolving moral universe, and the surprises keep coming until the very last page. It's the first book in a trilogy of novels featuring Paul Dark.

The December Boys Michael Noonan, 2006 They are known as the December boys because all of them - Chocker (who tells the story, Fido, Spark, Misty and Maps - are thought to have been born in that month. And one December in the late 1930s they leave their Catholic orphanage in the dusty outback to spend the Christmas holidays at the seaside settlement of Captain's Folly, staying with the eccentric Mr and Mrs McAnsh, who are partial to pumpkin wine. Wearing bathing costumes made from four-bags dyed black, the boys meet the ocean for the first time and are soon racing through the sandhills to plunge in the surf. But it is Teresa, the young wife of Fearless Foley, former stunt rider on the Wall of Death, who becomes the focus of those holidays, setting off intense ribaldry and competition between the boys which leads to a totally unexpected ending. The December Boys is a classic tale of an unforgettable summer beside the Pacific Ocean. First published in 1963, it was commended in the Miles Franklin Award.

Transcultural Jazz Noam Lemish, 2023-12-22 *Transcultural Jazz: Israeli Musicians and Multi-Local Music Making* studies jazz performance and composition through the examination of the transcultural practices of Israeli jazz musicians and their impact globally. An impressive number of Israeli jazz performers have received widespread exposure and worldwide acclaim, creating music that melds aspects of American jazz with an array of Israeli, Jewish and Middle Eastern influences and other non-Western musical traditions. While each musician is developing their own approach to musical transculturation, common threads connect them all. Unraveling and analyzing these entangled sounds and related discourses lies at the center of this study. This book provides broad insight into the nature, role and politics of transcultural music making in contemporary jazz practice. Focusing on a particular group of Israeli musicians to enhance knowledge of modern Israeli society, culture, discourses and practices, the research and analyses presented in this book are based on extensive fieldwork in multiple sites in the United States and Israel, and interviews with musicians, educators, journalists, producers and scholars. *Transcultural Jazz* is an engaging read for students and scholars from diverse fields such as: jazz studies, ethnomusicology, Jewish studies, Israel studies and transnational studies.

Bee Fearless: Dream Like a Kid Mikaila Ulmer, 2020-08-18 A business memoir from fifteen year-old lemonade entrepreneur and one of TIME Magazine's Top 30 Most Influential Teens, Mikaila Ulmer, and her advice for life and business. When Mikaila Ulmer was four, she was stung by a bee--twice in one week. She was terrified of going outside, so her parents encouraged her to learn more about bees so she wouldn't be afraid. It worked. Mikaila didn't just learn what an important role bees play in our ecosystem, but she also learned bees are endangered, and set out to save them. She started by selling cups of lemonade in front of her house and donating the small proceeds to organizations dedicated to bee conservation. When she realized the more lemonade she sold, the more bees she could help, *Me & the Bees Lemonade* was born. Now she sells her lemonade across the country. From meetings with Fortune 500 CEOs, to securing a deal on Shark Tank, to even visiting the Obama White House, Mikaila's lemonade and passion for bee conservation have taken her far. In *Bee Fearless*, part memoir, part business guide, Mikaila--now fifteen--shares her personal journey and special brand of mindful entrepreneurship and offers helpful tips and guidance for young readers interested in pursuing their own ventures, instilling in them the bee-lief that they can be fearless and

achieve their dreams too.

Rivers and Resilience Heather Goodall, Allison Cadzow, 2009 We started swimming in the Georges River at Liverpool. We were river girls! It was our little stamping ground. - Judy Chester Rivers and Resilience traces the history of Aboriginal people along Sydney's Georges River from the early periods of white settlement to the present. Telling the stories of the river people, it offers insights into Aboriginal history in an urban setting. For centuries Aboriginal people lived along the Georges River. With colonisation, the river's geography forced settlers to leapfrog over its rugged and swampy bends in search of arable land. Aboriginal people retained a hold over some of the land and maintained communities - despite changes caused by the city's growth. Two leading historians investigate Aboriginal communities in this densely settled, but often overlooked, suburban area.
