The Feeling Good Handbook David D. Burns,1999-05-01 From the author of the national bestseller Feeling Good: The New Mood Therapy comes a guide to mental wellness that helps you get beyond depression and anxiety and make life an exhilarating experience! With his phenomenally successful Feeling Good: The New Mood Therapy, Dr. David Burns introduced a groundbreaking, drug-free treatment for depression. In this bestselling companion, he reveals powerful new techniques and provides step-by-step exercises that help you cope with the full range of everyday problems. • Free yourself from fears, phobias, and panic attacks. • Overcome self-defeating attitudes. • Discover the five secrets of intimate communication. • Put an end to marital conflict. • Conquer procrastination and unleash your potential for success. With everything you need to know about commonly prescribed psychiatric drugs and anxiety disorders, such as agoraphobia and obsessive-compulsive disorder, this remarkable guide can show you how to feel good about yourself and the people you care about. You will discover that life can be an exhilarating experience. “A wonderful achievement—the best in its class.”—M. Anthony Bates, clinical psychologist at Penn Presbyterian Medical Center in Philadelphia “Clear, systematic, forceful.”—Albert Ellis, PhD, president of the Albert Ellis Institute

Being A Good Carer Amanda Waring,2020-08-06 Being a Good Carer is essential reading for anyone who cares for an elderly person, whether as a professional or as a loved one, in its promotion of the role dignity and respect should play. This accessible and detailed guide includes practical tips, checklists for best practice, and case studies from a wide range of carers that addresses solutions to common problems and giving expert advice on how to deliver compassionate and dignified care to older people. It is easy to read and provides anecdotal experience from carers and tips from the experts. Uniquely, Amanda Waring also provides support and guidance for the carer, on how to maintain energy and commitment, recognise the signs of compassion fatigue and where to get help if you need it. Essential reading for anyone who cares for an elderly person, whether as a professional or as a loved one, Being a Good Carer advocates for dignity and respect for all.

Pescan Abbie Cornish,Jacqueline King Schiller,2019-03-26 A cookbook of pescatarian, dairy-free recipes for healthy eating, inspired by macrobiotic and Mediterranean diets—includes photos. Actress Abbie Cornish and chef Jacqueline King are best friends who bonded over their love of food and self-care. A few years ago, Abbie, a novice cook, asked Jacqueline, a graduate of the culinary program at the National Gourmet Institute, for cooking lessons. Every Sunday, they would take trips to the local farmers’ market, spend all day cooking, and then serve these dishes to their family and friends. Pescan is an extension of this tradition and all the food they explored together. Their way of eating—which they call pescan—is centered on plant-based, dairy-free dishes, but with high-protein seafood and eggs incorporated. The recipes, like Veggie Tempeh Bolognese, Artichoke Hummus with Za’atar, and Miso-Ginger Glazed Black Cod, are highly nutrient dense, incredibly energizing, and very accessible. Pescan is a collection of healthy recipes, but it’s also a story of friendship, healing, and developing a more positive relationship with food.

Dr. Feelgood Marissa Monteilh,2011-03-01 From the author of MAKE ME HOT comes a steamy tale of a popular heart surgeon and his four women, told in their own voices. They call him Dr. Feelgood. . . One woman would never be enough to satisfy noted cardiologist Dr. Makkai Worthy, better known by his sex partners as Dr. Feelgood. Womanizer extraordinaire, he's a chip off the old block of his rolling-stone papa and commitment isn't an option. At 37 and single, he's happier than he's ever been, living the lifestyle of the rich and fine. A gifted surgeon, Dr. Feelgood knows how to operate in the O.R. by day. But by night, it's his smooth operations in the bedroom that are driving his four main squeezes crazy. First, there's demanding-diva Georgia. She's bound and determined to be the doctor's one and only until suspicions arise that she's keeping something on the down low. Mary Jane is a sweetheart of a nurse who works in Dr. Feelgood's cardiology unit. He tries to stay hands off, until a player friend starts to make a move and he's forced to stake his claim. Self-absorbed Monday is as fast as the day is long, and she boasts that she can bag any man without getting serious; but the sexually talented Dr. Feelgood flips the script and uncovers another side of Monday. Spicy Salina's white husband is not one to share, so when he's sent to jail for choking the good doctor, the drama really begins. Dr. Feelgood's escapades as a true player could force him to finally settle down, or they might just motivate him to begin another affair of the heart. Watch out, because the ladies are lining up, and the doctor is in . . .

The Feelgood Plan Dalton Wong,Kate Faithfull-Williams,2016-01-07 Foreword by Jennifer Lawrence. Good Night, Baby, Good Night Harriett Watson,2019-04-06 Good Night, Baby, Good Night can get your healthy Baby to sleep through the night as early as seven to eight weeks old. Are you expecting a baby or have a new baby? You or someone you know, would love to avoid the interrupted sleep and sleep deprivation you have heard so much about, with a new baby or babies in the house. You will find my step-by-step process quick and easy to follow, not a lengthy philosophy or psychology of training Baby to sleep. It can work for older babies as well. My training offers what money can’t buy: sleeping through the night for Baby and you, positive parenting skills, and confidence in your ability as a parent. It also promotes positive behaviors in Baby and contributes to years of good sleep habits for your child. Let “Good Night, Baby, Good Night” rock you and Baby to sleep!

Unleash Paige Bevens, 2020-09-29 It starts as a quiet rebellion stirring in your bones. No matter what age you are, if you are woman you know the demands placed upon you to be everything for everyone all the time. With all her energy going to family, career and endless errands it is no wonder she can't shake the feeling that somehow along the way she left behind a piece of herself. It may surprise you to know that it is much easier than you think to get back that spark that your younger self had so naturally. The way to her is through the Wild Feminine, a fire that burns fierce in the hearts of all women. While constraints of everyday life may have dwindled that fire, it can never be fully extinguished. Unleash will take you on a journey within, where you will kick up the ashes and find the embers still glowing. In understanding how you have arrived in this place, the patterns that keep you here, and how to break free of them you will see that living life as a passionate and wild female is exactly how your younger self always dreamed you would live. You are made of fire.

The Feel Good Book Todd Parr, 2008-11-15 Sometimes I feel silly. Sometimes I feel like eating pizza for breakfast. Sometimes I feel brave. Sometimes I feel like trying something new... The Feelings Book vibrantly illustrates the wide range of moods we all experience. Kids and adults will appreciate Todd Parr's quirky intelligence as he pays special attention to the ever-changing, sometimes nonsensical emotions that we all feel. Targeted to young children first beginning to read, this book will inspire kids to discuss their multitude of feelings in a kid-friendly, accessible format, told through Parr's trademark bold, bright colors and silly scenes. Along with the four other bestselling Todd Parr picture books, The Feelings Book is designed to encourage early literacy, enhance emotional development, celebrate multiculturalism, and promote character growth.

Fingerpainting in Psych Class Jay Morgan M. S., Jay Morgan, 2010 Working with kids is challenging in the best of situations. Fingerpainting in Psych Class is a resource for parents, teachers, therapists and other adults who want to better meet this challenge and more effectively work with children of all ages. This book will help you: **0000** Better understand children and teenagers. **0000** Confidently work with children on a wide range of emotional and behavioral issues. **0000** Stop reacting to negative behavior and be more of a positive influence. **0000** Better understand some important psychological and spiritual principles critical to every child's healthy development. **0000** Develop the ability to use intuition and creativity in your work with children. My kids were driving me crazy. Now we're all working together again. A whimsical name for a seriously good book. 'Fingerpainting' is a lot more than another 'How to' book. How would you like to take some of the pressure out of parenting? Do you want to know how to really help kids and have fun with them at the same time? If parenting or managing children has been perplexing, frustrating, or tedious for you, why not shake things up a bit? Put that old parent-by-number book away, and try fingerpainting in psych class.

Leading With Emotional Courage Peter Bregman, 2018-07-11 The Wall Street Journal bestselling author of 18 Minutes unlocks the secrets of highly successful leaders and pinpoints the missing ingredient that makes all the difference You have the opportunity to lead: to show up with confidence, connected to others, and committed to a purpose in a way that inspires others to follow. Maybe it's in your workplace, or in your relationships, or simply in your own life. But great leadership—leadership that aligns teams, inspires action, and achieves results—is hard. And what makes it hard isn't theoretical, it's practical. It's not about knowing what to say or do. It's about whether you're willing to experience the discomfort, risk, and uncertainty of saying or doing it. In other words, the most critical challenge of leadership is emotional courage. If you are willing to feel everything, you can do anything. Leading with Emotional Courage, based on the author's popular blogs for Harvard Business Review, provides practical, real-world advice for building your emotional courage muscle. Each short, easy to read chapter details a distinct step in this emotional "workout," giving you grounded advice for handling the difficult situations without sacrificing professional ground. By building the courage to say the necessary but difficult things, you become a stronger leader and leave the "should've's" behind. Theoretically, leadership is straightforward, but how many people actually lead? The gap between theory and practice is huge. Emotional courage is what bridges that gap. It's what sets great leaders apart from the rest. It gets results. It cuts through the distractions, the noise, and the politics to solve problems and get things done. This book is packed with actionable steps you can take to start building these skills now. Have the courage to speak up when others remain silent Be stable and grounded in the face of uncertainty Respond productively to opposition without getting distracted Weather others' anger without shutting down or getting defensive Leading with Emotional Courage coaches you to build your emotional courage, exercise it effectively, and create an environment in which people around you take accountability to get hard things done.

From Drift to Shift Jody B. Miller,2017-04-18 The popular work happiness expert offers inspiration and insight into dealing with life’s obstacles by finding a new path to happiness and fulfillment. In one form or another, change comes to all of our lives—often in way we couldn’t expect, catching us off-guard and leading to feelings of helplessness. In *From Drift to Shift*, Jody Miller collects inspiring true stories of people who faced unexpected obstacles and struggles only to change course, discover their passions, and come out on top of their lives with a renewed sense of self. “There come multiple points in life when we have to make a shift in order to find true happiness and purpose, regardless of what others think. Whether you are a CEO or a stay-at-home parent, the stories in *From Drift to Shift* will inspire you toward an optimism that comes from facing your demons, your challenges, and the roadblocks along your path” (Brad Feld, from the introduction).

In Control Thomas Henderson, Frank Luksa,2004 In the follow-up to the shattering bestseller *Out of Control*; *Confessions of an NFL Casualty*, former Dallas Cowboys star Thomas Hollywood Henderson shares the story of his recovery from the abuse of alcohol and other drugs. He has been clean and sober for over 20 years and has not had a drink or done any drugs since November 8, 1983. *In Control* takes readers from Henderson's 1986 prison release to his current life as a community activist, philanthropist, and distributor of alcohol and drug education films to prison programs and rehabilitation centers. He also discusses how his life has changed since March 22, 2000, when he won a \$28 million jackpot in the Texas lottery

“I’ll Try” Is Not Good Enough ... Kirk W. Nelson, Michael J. Paxton, Philip B. Nelson,2012-02-11 If people could change their competencies and characteristics at will, personal development would be a relatively simple matter. However, there are many reasons why people consciously or unconsciously tend to resist change. The purpose of this book is to make you aware of techniques for overcoming resistance to change and meaningfully influence the change process in others. Knowledge of these techniques will allow you to formulate and execute truly effective personnel planning and development. An individual's behavior is a function of their innate capacity, their level of awareness, their motivation, and their competence to execute their work responsibilities. Behavior is profoundly influenced by each of these factors. Positively impacting an individual is essentially a matter of altering one or more of these factors that are an impediment to behavior change.
