1,000 Places to See Before You Die, the second edition Patricia Schultz, 2011-11-15 The world's bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, 1,000 Places reinvented the idea of travel book as both wish list and practical guide. As Newsweek wrote, it "tells you what's beautiful, what's fun, and what's just unforgettable- everywhere on earth." And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don't compromise on atmosphere or charm. The world is calling. Time to answer.

Spin a Black Yarn Josh Malerman,2023-08-15 Five harrowing novellas of horror and speculative fiction from the singular mind of the New York Times bestselling author of Bird Box Josh Malerman is a master weaver of stories—and in this spine-chilling collection he spins five twisted tales from the shadows of the human soul: A sister insists to her little brother that “Half the House Is Haunted” by a strange presence. But is it the house that’s haunted—or their childhoods? In “Argyle,” a dying man confesses to homicides he never committed, and he reveals long-kept secrets far more sinister than murder. A tourist takes the ultimate trip to outer space in “The Jupiter Drop,” but the real journey is into his own dark past. In “Doug and Judy Buy the House Washer™,” a trendy married couple buys the latest home gadget only to find themselves trapped by their possessions, their history . . . and each other. And in “Egorov,” a wealthy old cretin murders a young man, not knowing the victim was a triplet. The two surviving brothers stage a savage faux-haunting—playing the ghost of their slain brother—with the aim of driving the old murderer mad.
