Redeeming Productivity Reagan Rose, 2022-10-04 Feeling overwhelmed and unproductive? The answer isn't to do more. What image forms in your mind when you think of productivity? An assembly line? Spreadsheets? Business suits or workplace uniforms? In the ancient world, productivity didn't conjure images like these. Instead, it referred to crop yield and fruit bearing. This agrarian imagery helps us understand productivity through a biblical lens. Jesus taught, By this my Father is glorified, that you bear much fruit (John 15:8). Who doesn't want to have a truly productive life—to bear much fruit? But how does this happen in the places we hold dear—the home, workplace, and in our communities? We often feel overworked and overrun, defeated and discouraged. The world says be productive so that you can get all you can out of this life. The Bible says be productive so you can gain more of the next life. In Redeeming Productivity, author Reagan Rose explores how God's glory is the purpose for which He planted us. And he shows how productivity must be firmly rooted in the gospel. Only through our connection to Christ—the True Vine—are we empowered to produce good

fruit. This book shows how we can maintain the vitality of that connection through simple, life-giving disciplines. Readers will discover manageable applications like giving God the first fruits of our days. Additionally, Reagan discusses how our perspective on suffering is transformed as we see trials as God's pruning for greater productivity.

The Fighter Verses Journal Truth78, 2022-11-07 There are many benefits to journaling when you're trying to memorize Scripture. John Piper says, We see more when we write than when we just read. That's why we created the Fighter Verses journals. Writing the verses on paper can help you remember the words, notice patterns and details, ask questions, and pray. Capturing these observations in writing can further aid your meditation on the verses you're memorizing. This 115-page journal includes smooth white lightly-lined pages, two for each of the 52 passages in set 3 of the Fighter Verses. Also featured are quarterly Scripture illustrations by Chris Wright of Scripture Type.

Scripture in Style Hannah Armbruster, 2021-04-03 When you think of scripture memory, what comes to mind? Do you think of dozens of flashcards with verses written on them? Or maybe you think of having a verse pop into your head, but you just cannot remember the reference when you need it most! Or maybe, if you are like me, you think of your younger days in Sunday school when your teacher would share a verse that went with the lesson of the day and you would go home, work on memorizing it, and then come back the next week and recite it to him/her. It was a satisfying experience because you received a sticker or a prize for your efforts. On the contrary, maybe you feel like you do not have a good memory, and that scripture memory is only for people with photographic memories, or for people who are really smart and are good at studying. If this is how you feel currently, or have felt in the past, I believe God really wants to speak to you specifically and let you know that this is a lie from the enemy, Satan, who seeks to steal, kill, and destroy (John 10:10). He wants you to believe that scripture memory is too lofty of a task and one that you are incapable of. I know it to be true because I hear it when I ask people if I can recite some verses that I have memorized to them. They comment, Wow, that is so amazing that you can do that. I could never memorize scripture like that - my memory is not that good. The reality is that we need to bring those lies into the light of God's Word to expose them. The Bible says that for all of those who have put their trust in Jesus Christ as Lord and Savior of their lives, they have the mind of Christ (1 Corinthians 2:16). This means that for followers of Christ who have the Holy Spirit residing in their being, they can discern the things of God because they have received the very Spirit of God within them.
