The Soulmate Secret Arielle Ford,2011-01-04 Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations--feeling in every cell of your being the outcome you want to create--Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.

Finding Your Soul Mate with ThetaHealing Vianna Stibal,2016-10-11 Many of us are born into this world with the feeling and knowing of what being loved by another person should feel and be like, but we lack the feeling and

knowing of how to fulfill this desire in the highest and best way. The desire for a soul mate is the ancient need to become the divine couple whose union breathes new life into the world. Seen from this context, finding your soul mate has deeper ramifications than a purely romantic desire; the union of a soul mate is about the creation of an energy that is a candle to bring illumination to the world. The content of this book is designed for spiritually romantic people who have not lost the faith that there is someone out there that has a divine understanding of us, and that two people are brought together for a divine plan that will contribute towards a higher purpose. Based on Vianna Stibal's own experience of finding her soul mate, this book will reaffirm your belief in true love and will explain how, using ThetaHealing®, you can bring your soul mate into your life.

Get to Know Your Mate Ossice Stevens, 2010-09-10 The Personality Extraction Profile Whether a male or female, it is critical that we use every opportunity and means we have available to choose our mate. Life is short and you don't want to waste years on a dead end relationship, which will only cost you grief, time and money in the end. Many of our relationship problems could be avoided if we took a little more time when forming them. The Personality Extraction (PE) profile provides you with a way to begin this process. At the first intention of starting a relationship is when you begin your personality extraction. This rule applies to both sexes, though women need to be more cautious of the situations they place themselves in. Often, first dates are where a woman

runs into unforeseen problems. That's why it is important to apply the fundamentals of dating: know who you are dating, where they come from, their place of residence and something about their background; ask to see some identification, if they drive a car get a license number, but do this very discretely. However you do it make sure you get to know who you are dating. The Personality Extraction (PE) is a good way to start the process of getting to know your mate; you will come in contact with who he/she really is or he/she will fill you with lies. Caution is advised that while you are working on the Personality Extraction (PE) you must be patient until completing the PE as you watch your mate's personality unfold before your eyes. We understand and perceive things we hear and see in different ways; this is why the PE is arranged for the various ways people may view questions. Of course, you have those who like to play word games, but as you will see the PE will give them ample opportunities to give a truthful answer. Serious questions are asked in several ways to ensure no misunderstanding of the question asked. You have to be able to track your mate's answers mentally to be able to use this portion of the book. But if your mate is honest in his/her responses, you will not have to worry about tracking his/her responses considering the fact that all concerned know that the PE is safe-guarded against deception. Anyone trying to be deceptive in his/her answers should be looked upon as an untrustworthy person, incapable of having a meaningful relationship. There is no doubt that questions and answers are the foundation of all relationships. Without questions and answers there is no way to develop a relationship, this fact should be clear, and this is the foundation of the PE without proper questioning, where would any relationship go? How could we ever hope to accomplish anything without questions and answers? With the PE all the key questions are prepared for you; all you have to do is ask him/her and evaluate your proposed mate's answers. This tool consists of 572 questions which have been broken down into different workable formats, ranging from a one-month time frame to a 3-to-12 month time period. These workable formats have been made to give you some idea as to how to go about completing the book in its entirety. It is not recommended to try and complete the book in a hasty fashion. The one-month format is a reasonable one for those who are willing to invest the time and mental interaction which is necessary to complete the Personality Extraction at this rapid, but realistic pace. The one-month process seems to display a true element of honesty while ultimately aiming to get the relationship off to a good start. But that choice is for you and your prospective mate to decide. Choosing a time frame for completion varies for each couple. The workable formats are just suggestions which will apply a reasonable completion date to look forward to. Choose your time frame and stick to it based on your own personal relationship desires and availability. 1 month = 19 questions per day 3 months = 6 questions per day 6 months = 3 questions per day 9 months = 2 questions per day 1 year = 2 questions per
