**Marcia Miller, Martin Lee**

"My Number Was Up, Dad" Gary Vaught, 2006-08 My Number Was Up, Dad, written by Gary and Gabriel Vaught, is the real life account of a phenomenal sequence of events (that still occur today) following the death of the family's eighteen-year old son, Gabriel. Gabriel died suddenly and tragically while attending college in Chicago, IL, from symptoms associated with Type-One, (Insulin Dependent) Diabetes. The entire event was a mystery for two short days until their son contacted them from the afterlife to explain his death, his departure from the earth, his amazing revelations and observations of and from heaven. This Fisher's, Indiana, family could have never imagined a more tragic or startling turn of events in their life. From experiencing the grief of the horror of hearing of their son's mysterious death, to the channeled communications that occurred in a leisurely dialogue that reinforces his existence in the afterlife, (proving the Afterlife Consciousness theory) through Spirit communications. Numerous conversations subsequently have occurred bringing Light to the Vaught's of what each individual can expect to learn here and hereafter. The journey is laid out in an easy to understand process that bears witness to why each human being lives here and hereafter. The story is a tragedy turned into a triumphant joy for Gary, producing an inner peace that brings him now to the threshold of an entirely new and different life. He spends each moment now walking with Christ. Serving God in instructional and guided ways that help humans better understand their true Spiritual awakening, he discusses anyone's abilities to communicate with Spirit for guidance or joyous purposes, through conscious awareness and practice. The significance of the messages, serve to inspire faith and awareness, and are insightful, as they raise one's consciousness beyond customary routine thinking. This book offers hope to anyone and everyone that has ever lost a loved one, especially a child, that our loved ones are indeed here with us, always!

**Coward Plays: 4** Noël Coward,2013-11-12 Volume Four of Noël Coward's plays contains a selection of Coward's plays from the thirties and forties which includes *Blithe Spirit*, a comedy that centres around the spirit medium Madame Arcati. The play that mocks sudden death was produced at precisely the moment when bombs were bringing it to Britain I shall ever be grateful, for the almost psychic gift that enabled me to write *Blithe Spirit* in five days during one of the darkest years of the war. The play was for years the longest-running comedy in the history of British theatre. *Present Laughter* follows the life of Garry Essendine, a world-weary, middle-aged projection of the dilettante, debonair persona - self-obsessed and dressing-gowned who struts through the play like an educated peacock. It is a comedy about the 'theatricals' that Noël best knew and loved, and was originally a star vehicle for himself. It is the closest to an autobiographical play that Coward ever wrote. *This Happy Breed* is a saga of a lower middle-class family; and three shorter pieces from *Tonight at 8.30* - is a farce set in the South of France, and serves as an oblique tribute to Frederick Lonsdale; *The Astonished Heart* is about the decay of a psychiatrist's mind through personal sexual obsession. *Red Peppers*, which closes the volume, was a cynical tribute to the lost music halls of the First World War.

**Finding Your Ethnicity in the Bible** Devon L. Wilson,2009-01-12 The names of Noah's three sons are Shem, Ham, and Japheth. The meaning! The meaning of Ham is dark dark or black; Shem means, name, dusky, or olive-colored; and Japheth means bright or fair. One of the most intimidating questions that plagued the mind of many today is how could one son be of Black decent and not the

others? According to medical research, it tells us it is possible to have children that are very different, particularly if one or both of the parents is dark-complexioned, but according to medical research it is impossible for a bright or fair-complexioned person to produce a dark-skinned child. (NOTE: NOTHING IS TOO HARD FOR GOD) According to historians and their findings, Ham is the ancestral father of the Blacks, Mongoloids, and the Indians. Shem is the ancestral father of the Jews and Arab nations; and from the loins of Japheth came the Caucasians, nationalized the Indo-European- Countries.
