

Find Nearest Chipotle

Chef Maggie Chow

Chipotle Mexican Grill Russell Walker,Greg Merkley,2017 By any measure, Chipotle Mexican Grill was a success story in the restaurant business. It grew from one location in 1993 to over 2,000 locations by 2016 and essentially created the fast casual dining category. Its stock appreciated more than 1,000% in the ten years following its 2006 IPO.However, after more than 20 years without a major reported food safety incident, Chipotle was revealed as the source of multiple outbreaks of illness from norovirus, salmonella, and E. coli that sickened nearly 600 people in 13 states in 2015. The company closed stores, spent several months under investigation by the U.S. Centers for Disease Control and Prevention (CDC) and other health organizations, and faced a criminal investigation in connection with the incidents.After a much-publicized closing of all of its stores on February 8, 2016, and numerous changes to its food sourcing and preparation practices, Chipotle tried to win back customers with dramatically increased advertising and free food promotions.However, on April 26, the chain announced its first-ever quarterly loss as a public company. Same-store sales for the first quarter were 29.7% lower than in the previous year. Operating margins fell from 27.5% to 6.8% over the same period, and the company's share price was down 41% from its summer 2015 high.

Marketing Analysis Chipotle Mexican Restaurant and Applebee's Restaurant Kimberly Wylie,2009-06 Seminar paper from the year 2003 in the subject Business economics - Business Management, Corporate Governance, University of Phoenix, 5 entries in the bibliography, language: English, abstract: The following paper compares the marketing strategies employed by two successful restaurants, Chipotle Mexican Grill and Applebee's Neighborhood Grill & Bar. This analysis will include an overview of each restaurant's business, their current sales trends, and their specific target market. In addition, company brands will be discussed, as well as their manner of distribution, promotion methods, and pricing. With these factors determined, each company's specific advantages and strengths will then be given. From there, a comparison of the two companies marketing strategies will be examined, including an overview of each company website, the strengths and weaknesses of these sites, and which features I personally preferred.

Analysis of Strategic Move by Chipotle Ernesto Paiz,Dave Anderson,Ryan Barone,Mark Toguchi,Kristina Calderon,Frank Lin,Brian Bollinger,2011-06 Project Report from the year 2011 in the subject Business economics - Company formation, Business Plans, grade: B, Santa Clara University, language: English, abstract: Chipotle Mexican Grill, hereafter referred to as Chipotle, is a fast-casual restaurant that specializes in a limited menu mainly consisting of burritos, tacos and burrito bowls. Chipotle is known for its ability to offer products made from sustainable, organic ingredients, while remaining price competitive with other fast food chains. Chipotle refers to this differentiation as food with integrity and it is the driving force that has propelled the company to where it is today. Since its foundation in 1993, Chipotle has been tremendously successful, growing into a corporation that is now worth roughly \$8.5 billion (56). Chipotle's growth is a direct result of

the quality of its products, the consistency of its service and the perceived differentiated value it has established in the minds of consumers. Chipotle stands apart from others in a highly concentrated industry because it does business differently in terms of its food, restaurants and advertising. While most fast food chains rely on advertisements that promote menu gimmicks, such as limited-time price reductions, new items, value menu offerings and more, Chipotle focuses on showcasing its quality ingredients. It also generates excitement for its food through a number promotional events and word of mouth. Strategic Move Even though the restaurant and bar industry is saturated, there are not many competitors that offer organic ingredients within the industry. To take advantage of the recent surge of consumers who demand healthier, organic food, Chipotle has decided to enter into the fast-casual Asian restaurant market with a new chain named ShopHouse Southeast Asian Kitchen, hereafter referred to as ShopHouse. Staying true to its position as a focused differentiator, Chipotle will operate ShopHouse under the same philosophy that has made it so s

A case study of Chipotle Mexican Grill. What are the key factors for the competitive success of the company? Joe Wessh,2019-08-13 Essay from the year 2019 in the subject Business economics - Business Management, Corporate Governance, grade: 4.6, University of Toronto, language: English, abstract: Despite the industry within which a company operates, there are various key success factors that enable a company to survive and develop. Key success factors are an essential part of the company's competitive success and it is this important that the company pay a considerable attention to them. The elements of a company must correspond with the key success factors required in the industry in order for it to survive and grow. As far as the case is concerned, the fast-casual restaurant industry is heavily competitive, making it hard for most of the restaurants to survive and remain successful. Six major rivals; Burger King Corporation, Jack in the Box, McDonald's, Wendy's Group, Starbucks and Yum! Brands, occupy about 40 percent of the market. The remaining 60 percent consists of smaller competitors such as Panera, Panda Express and Chipotle Mexican Grill. Each competitor offers distinguishable products aligned with their core capabilities. Hence, the intense threat of rivalry in this industry requires restaurants to be distinctive and innovative so that they can achieve a competitive edge. Those restaurants that are unable to maintain a constant competitive advantage end up failing.

Chipotle Mexican Grill Inc. - Case Study Daniel Krier,2014-12-15 Dan Krier reviews Chipotle's current business strategies and vision. He then uses that information to make strategic recommendations for the company's future.

Crazy for Chipotle Lynn Nusom,2004 The Rich Smoky Chipotle Chile, discovered long ago by ancient Mesoamerican cultures, has been passed down through the generations and is now the latest trend in Southwest kitchens. Made from smoked and dried jalapenos, these chiles present complex, intriguing hints of chocolate and nuts. Crazy for Chipotle takes those age-old flavors and adds them to modern recipes sure to perk up taste buds all across the country. Book jacket.

Finding the Lost Art of Empathy Tracy Wilde-Pace,2017-05-16 Tracy Wilde, rising celebrity pastor who helped launch the LA Bible Study in Hollywood, reflects on the absence of empathy in today's world and shares how Christians can renew their compassion to help unify not only the church, but society as well. In *Finding the Lost Art of Empathy*, Tracy Wilde addresses the reasons why we struggle with showing empathy toward others and explains why we ultimately avoid it—and even avoid contact with others altogether. She explores the different facets that have promoted isolation instead of community and provides the antidote for a more unified, loving, and empathetic society. In this book Wilde hopes to inspire all of us to self-reflect and remove those obstacles from our lives so that we can experience true fulfillment in our relationships—the way God intended us to.

The Chipotle Effect Paul Barron,2012-05-01 The changing landscape of the American Social Consumer is shifting rapidly and these changes are having a major impact on future of restaurants demonstrated in this new book by Paul Barron, renowned entrepreneur, publisher, founder of FastCasual.com and restaurant industry innovator.

Copycat Recipes Restaurant Dorothea J Laney,2021-02-06 Do you love to eat out at the restaurant just like me? Are you looking for a cookbook that contains some of the best and famous restaurant copycat recipes? Are you looking for tasty and easy restaurant recipes to prepare in your home? Do you want to wow your family and friend with the replica of top American restaurant recipes? If you have answered yes to one or more of these questions, then this book is your next cooking companion in the kitchen. This book contains some of the best-known restaurant recipes from renowned chefs. This book will help you to master how to cook your favorite restaurant dishes in your kitchen, using your tools with your own hands. You don't have to be a professional chef before you can prepare these copycat restaurant dishes in your home. You even have the advantage of adjusting or adding something new to your version of the restaurant dishes, unlike the one you will get from the restaurant, which always has the same taste and flavor. They are usually relatively quick to prepare and do not require special and expensive ingredients. Sometimes they are made

with ingredients that you would never think to use in a recipe. The steps and instructions in this book are extremely detailed, making them easy to follow. Your favorite restaurant could be Olive Garden, Chipotle, Cracker Barrel, or Red Lobster? Whichever one it is, we have got you covered in this book. Some of the Recipes you will find in this book include: Olive Garden Wendy's Frosty Taco Bell Red Lobster Cheesecake Factory Panda Express And many more... If you are ready to wow your family and friends with some of the best restaurant copycat recipes, then head back up and Click BUY NOW to get started!

Eat Mexico: Recipes from Mexico City's Streets, Markets and Fondas Lesley Tellez, 2019-06-17
Eat Mexico is a love letter to the intricate cuisine of Mexico City, written by a young journalist who lived and ate there for four years. It showcases food from the city's streets: the football-shaped, bean-stuffed corn tlacoyo, topped with cactus and salsa; the tortas bulging with turkey confit and a peppery herb called papalo; the beer-braised rabbit, slow-cooked until tender. The book ends on a personal note, with a chapter highlighting the creative, Mexican-inspired dishes - such as roasted poblano oatmeal - that Lesley cooks at home in New York with ingredients she discovered in Mexico. Ambitious cooks and armchair travellers alike will enjoy Lesley's Eat Mexico.

Franchise Times, 2010

Big John's Speedway Grill John Youk, 2006 Contains interviews and stories with celebrity drivers on the NASCAR racetrack, including Kyle Petty, Sterling Marlin, and others. This book also features recipes including appetisers, entrees, sides, and desserts, each illustrated with colour photos.

Yes We (Still) Can Dan Pfeiffer, 2018-06-19 From Obama's former communications director and current co-host of Pod Save America comes a colorful account of how politics, the media, and the Internet changed during the Obama presidency and how Democrats can fight back in the Trump era. On November 9th, 2016, Dan Pfeiffer woke up like most of the world wondering WTF just happened. How had Donald Trump won the White House? How was it that a decent and thoughtful president had been succeeded by a buffoonish reality star, and what do we do now? Instead of throwing away his phone and moving to another country (which were his first and second thoughts), Pfeiffer decided to tell this surreal story, recounting how Barack Obama navigated the insane political forces that created Trump, explaining why everyone got 2016 wrong, and offering a path for where Democrats go from here. Pfeiffer was one of Obama's first hires when he decided to run for president, and was at his side through two presidential campaigns and six years in the White House. Using never-before-heard stories and behind-the-scenes anecdotes, Yes We (Still) Can examines how Obama succeeded despite Twitter trolls, Fox News (and their fake news), and a Republican Party that lost its collective mind. An irreverent, no-BS take on the crazy politics of our time, Yes We (Still) Can is a must-read for everyone who is disturbed by Trump, misses Obama, and is marching, calling, and hoping for a better future for the country.

A Tale of 12 Kitchens Jake Tilson, 2006-01-01 A culinary journey in search of the finest examples of family cookery in the U.S., France, Italy, and Britain describes the author's cooking adventures and includes more than seventy-five recipes from such disparate locales as Southern California, New York's Lower East Side, Tuscany, the Algerian quarter in Paris, and Scotland.

Taco USA Gustavo Arellano, 2013-04-16 Presents a narrative history of Mexican cuisine in the United States, sharing a century's worth of anecdotes and cultural criticism to address questions about culinary authenticity and the source of Mexican food's popularity.

I Don't Care If We Never Get Back Ben Blatt, Eric Brewster, 2014-05-06 Two friends take a wild month-long road trip to hit every Major League Baseball stadium in America: "A fun ride" (The Boston Globe). Ben, a sports analytics wizard, loves baseball. Eric, his best friend, hates it. But when Ben writes an algorithm for the optimal baseball road trip, an impossible dream of every pitch of thirty games in thirty stadiums in thirty days, who will he call on to take shifts behind the wheel, especially when those shifts will include nineteen hours straight from Phoenix to Kansas City? Eric, of course. On June 1, 2013, they set out to see America through the bleachers and concession stands of America's favorite pastime. Along the way, human error and Mother Nature throw their mathematically optimized schedule a few curveballs. A mix-up in Denver turns a planned day off in

Las Vegas into a twenty-hour drive. And a summer storm of biblical proportions threatens to make the whole thing logistically impossible, and that's if they don't kill each other first. I Don't Care if We Never Get Back is a book about the love of the game, the limits of fandom, and the limitlessness of friendship. "Moneyball-worthy mathematical algorithms and the sharp, hilarious prose that has made Lampoon alums famous for generations . . . Nate Silver numbers and James Thurber wit turn what should be a harebrained adventure into a pretty damn endearing one." —Kirkus Reviews "Evokes the spirit of sports stunt journalist George Plimpton and the dazed road-trip fever of Hunter S. Thompson, minus the mind-altering substances . . . It's great watching Blatt and Brewster race home." —The Boston Globe "A cross between The Cannonball Run and The Great Race, with portions of It's a Mad, Mad, Mad, Mad World thrown in for good measure . . . The dynamic and back-and-forth tension and sarcasm between Blatt and Brewster is funny . . . Worth reading." —The Tampa Tribune
