**Grace Sticks** Kristina Robb-Dover, 2013-10-10 Even on a bumper sticker, grace is irresistible. Grace Sticks: The Bumper Sticker Gospel for Restless Souls is light-hearted spiritual memoir and theological travel guidance for restless souls looking for more direction, more truth, and more life. Robb-Dover invites readers to reflect on how the bumper stickers they affix to their cars or entertain at traffic lights are themselves spiritual aspirations of sorts pointing to One who is the Way, the Truth and the Life. In their meanderings, with bumper stickers as pit stops, readers will laugh, cry, be provoked, and be inspired to look for God in the most seemingly frivolous and unlikely of places. They'll discover in the process there's as much grace to be found in the journeying itself as in the destination.

Infernal Games Joseph Nassise, 2023-08-28 Keep your friends close and your enemies closer still... The war with the Chiang Shih is over but the Templars have paid a high price for victory. Even the Echo Team has not escaped unscathed, its commander returned a changed man with his thirst for vengeance quenched, but his spirit broken. It is the moment Simon Logan, the Necromancer has been waiting for. A daring prison break allows him to escape Templar control and vanish into the night. Newly promoted Captain Riley and the reformed Echo Team are given the job of tracking him down. But rather than waiting for Echo to come looking for him, the Necromancer takes the battle to them instead; luring former Commander Williams away from his home and stealing the physical form of his wife, Gabrielle, a woman caught somewhere between life and death. It is perhaps the one act that could rouse Cade from the grey haze his life has become. As he ruthlessly tracks the Necromancer through this world and the next, Cade can't help but ask himself what Logan might want with a half-dead woman and the man who had literally traveled to hell and back to rescue her. New York Times bestseller Joseph Nassise delivers another tour-de-force of adrenaline-drenched mayhem in the 4th book of the action-packed Templar Chronicles urban fantasy series.

Russel Botman Albert Grundlingh, Ruda Landman, Nico Koopman, 2017-10-01 This celebratory volume tells the story of the late Russel Hayman Botman who died suddenly early in his second term as Rector and Vice-Chancellor of Stellenbosch University. Botman's story is told from his earliest childhood years until his last day as rector. The nature of tributes and celebratory volumes is that it can never be exhaustive. It tells a rich story from limited perspectives. It, however, serves as invitation, stimulus and inspiration to others connected to Botman to also tell their stories about his story.ÿ

**The (Im)possibility of Forgiveness** Dion A. Forster, 2019-09-10 The findings from this study go beyond biblical-theological scholarship on forgiveness. Dion Forster boldly succeeds in showing that creating conditions for deeper human connection transforms impossibility into possibility and shines a light on the face of the Other, who can now be forgiven. --Pumla Gobodo-Madikizela, Professor and Research Chair of Historical Trauma and Transformation, Stellenbosch University Dion Forster refuses to accept the conclusion that understandings of forgiveness may be so different and complex across social, racial and cultural groups in South Africa that actual forgiveness may be impossible. Using Matthew 18:15-35 as a meeting ground, he gathers ordinary Methodist Christians for cross cultural, intergroup Bible reading. He draws upon the philosophical integral theory of Ken Wilber, the insights of intergroup contact theory and the methods of critical biblical exegesis to organize, analyse and understand this encounter. What emerges is a hopeful conclusion that differing conceptions of forgiveness - its challenges and possibilities - can be understood, shared and perhaps, actualized across social, racial and cultural barriers. --Bruce C. Birch, Dean and Professor of Biblical Theology, Wesley Theological Seminary Reading Dion Forster on the (im)possibility of forgiveness, I was once again struck by our desperate need to learn more about ourselves and one another, but also about the meaning of forgiveness in our respective communities. This is an excellent example of the potential of Intercultural Bible Reading. Forster not only makes an outstanding academic contribution with implications for New Testament studies, Systematic and Public Theology, but also for flesh and blood communities wrestling with the possibilities and perils of forgiveness. --Juliana Claassens, Professor

of Old Testament Studies and Head of Department, Chair of the Gender Unit, Stellenbosch University This book deals with contested and topical matters. Biblical hermeneutics has always been contested - how to read and understand Biblical passages. Things become even more contested when such passages are read inter-culturally; they become even more contested when the words are about contested personal and social issues, like Jesus' words on forgiveness in Matthew 18. Empirical studies like this show how deeply contested such readings truly are in the context of South African churches, with their painful histories of division and conflict. Future academic work will, therefore, benefit from the creative and careful methodological approach developed in this study. However, this book offers much more than academic promise - precisely because of the theme, so topical today and without doubt topical for a long time to come and in many other places in our contemporary world as well. Forster offers resources for reading and conversation for everyone concerned with public life today. This is public theology in action, showing how faith matters - without prescribing answers, but rather by invitation to join an informed discussion. --Dirk J Smit, The Rimmer and Ruth deVries Professor of Reformed Theology and Public Life, Princeton Theological Seminary

**The Carver Settlement** Timothy Gaddo,2017-04-30 It takes three years for young John Carver to heal from injuries suffered in the Marine barracks bombing in Beirut, Lebanon, in 1983. He spends the next two decades hopping from one hot spot to the next, setting up high-tech communication and logistics devices in support of important U.S. military operations. In Iraq, in 2004, a tragic misstep strips him of rank and sends him to prison for 11 years. Released in 2016, he hopes only to forget the past, and to live out his days in simple surroundings in Mexico. Instead, Carver is lured north by a greedy opportunist bent on killing Carver and taking his place in a scheme worth millions.
