Comrades on the Colca Eugene Buchanan, 2016-10-18 A modern-day, real life adventure, this book will take readers along for a rollicking ride through South America on a race to the bottom of the Earth. When the author first met Polish explorer, Yurek Majcherczyk on a commercial feasibility expedition down Ecuador's Quijos River in 1989, he did not know it would lead to taking part in a Polish race, stumbling upon a mummy-filled cave and even getting wrapped up in a legend linking long-lost Incan riches to a riverfront castle in Poland. As the adventurers plunge deeper and deeper into unknown territory, they discover a rival Polish team trying to usurp their goal. The author seamlessly weaves these tales with his own exploits and adventures—climaxing with a tumultuous hike out of the canyon with both teams returning to complete their race the following year.

Game Feel Steve Swink, 2008-10-13 Game Feel exposes feel as a hidden language in game design that no one has fully articulated yet. The language could be compared to the building blocks of music (time signatures, chord progressions, verse) - no matter the instruments, style or time period - these building blocks come into play. Feel and sensation are similar building blocks when

Ilocano Dictionary and Grammar Carl Ralph Galvez Rubino,2000-12-01 This root-based dictionary of the Ilocano language is the most comprehensive dictionary produced of Ilocano (Iloko), the lingua franca of Northern Luzon, and historically the native language of the majority of Filipino immigrants to the United States. The body of the dictionary includes entries for roots and affixes with illustrative sentences, idioms, common derivations, and scientific names (when applicable). Ilocano synonyms are also furnished when appropriate. Derived words that undergo morphological fusion are listed as separate entries to facilitate lexical searches. There is also an affix cross-reference list to help the beginning student recognize root words. Unlike most dictionaries of Philippine languages, it has an extensive English to Ilocano section, information on the pre-Hispanic syllabary, and language maps of the Philippines showing where the largest concentration of Ilocano speakers reside.

The Music of Your Life John Rowell, 2007-11-01
With a voice that is both sophisticated and deeply Southern, author John Rowell evokes the memory of the great Truman Capote in this wonderful collection of short stories, peopled with unforgettable, endearing characters and filled with wry insights. Drawn from the emotional well of a young man who grew up in love with the glittery, glamorous world of music and movies and theater—far removed from his own more prosaic life in North Carolina—and informed with honesty and compassion, the seven short stories that comprise *The Music of Your Life* showcase the talent of a remarkably gifted writer. Compulsively readable and always accessible, each story takes the reader into the mind and heart of its central character, whether a young boy suffering from Lawrence Welk damage and teetering precariously on the edge of puberty (*The Music of Your Life*) or a not-so-young-anymore man for whom fantasy and reality have become a terrifying blur and who finds himself slipping over the edge toward total meltdown (*Wildlife of Coastal Carolina*). Nostalgia plays a part in these stories as a somewhat jaded New York film critic looks back on his life and the movies that shaped him (*Spectators in Love*), and an aging flower-shop owner ruefully assesses the love he found and lost when, as an eighteen-year-old, he embarked on a Hollywood career that never soared but did include one particularly memorable appearance on the *I Love Lucy* television show (*Who Loves You?*) These stories all create

entire worlds within which the characters live and struggle to find their way. Funny, touching, serious, and tender, the tales within *The Music of Your Life* are sure to appeal to anyone who has ever known the awkwardness of being different, and while life is often harsh for the stories' characters, the bold determination with which they persevere offers inspiration to all.

Handbook for Mortals Lani Sarem, 2017-08-15 Zade Holder has always been a free-spirited young woman, from a long dynasty of tarot-card readers, fortunetellers, and practitioners of magick. Growing up in a small town and never quite fitting in, Zade is determined to forge her own path. She leaves her home in Tennessee to break free from her overprotective mother Dela, the local resident spellcaster and fortuneteller. Zade travels to Las Vegas and uses supernatural powers to become part of a premiere magic show led by the infamous magician Charles Spellman. Zade fits right in with his troupe of artists and misfits. After all, when everyone is slightly eccentric, appearing 'normal' is much less important. Behind the scenes of this multimillion-dollar production, Zade finds herself caught in a love triangle with Mac, the show's good-looking but rough-around-the-edges technical director and Jackson, the tall, dark, handsome and charming bandleader. Zade's secrets and the struggle to choose between Mac or Jackson creates reckless tension during the grand finale of the show. Using Chaos magick, which is known for being unpredictable, she tests her abilities as a spellcaster farther than she's ever tried and finds herself at death's door. Her fate is left in

the hands of a mortal who does not believe in a world of real magick, a fortuneteller who knew one day Zade would put herself in danger and a dagger with mystical powers--Amazon.com

Nevada Imogen Binnie, 2022-06-07 One of Vogue's Best Books of 2022 So Far, BuzzFeed's Summer Books You Won't Be Able To Put Down, Book Riot's Best Summer Reads for 2022, and Dazed's Queer Books to Read in 2022 [*Nevada*] is defiant, terse, not quite cynical, sometimes flip, addressed to people who think they know. It is, if you like, punk rock. —The New Yorker *Nevada* is a book that changed my life: it shaped both my worldview and personhood, making me the writer I am. And it did so by the oldest of methods, by telling a wise, hilarious, and gripping story. —Torrey Peters, author of *Detransition, Baby* A beloved and blistering cult classic and finalist for the Lambda Literary Award for Transgender Fiction finally back in print, *Nevada* follows a disaffected trans woman as she embarks on a cross-country road trip. Maria Griffiths is almost thirty and works at a used bookstore in New York City while trying to stay true to her punk values. She's in love with her bike but not with her girlfriend, Steph. She takes random pills and drinks more than is good for her, but doesn't inject anything except, when she remembers, estrogen, because she's trans. Everything is mostly fine until Maria and Steph break up, sending Maria into a tailspin, and then onto a cross-country trek in the car she steals from Steph. She ends up in the backwater town of Star City, Nevada, where she meets James, who is probably but not certainly trans, and who reminds

Maria of her younger self. As Maria finds herself in the awkward position of trans role model, she realizes that she could become James's savior—or his downfall. One of the most beloved cult novels of our time and a landmark of trans literature, Imogen Binnie's *Nevada* is a blistering, heartfelt, and evergreen coming-of-age story, and a punk-smeared excavation of marginalized life under capitalism. Guided by an instantly memorable, terminally self-aware protagonist—and back in print featuring a new afterword by the author—*Nevada* is the great American road novel flipped on its head for a new generation.

The Serpent King Jeff Zentner, 2017-06-06 Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, *The Serpent King* is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind.

Perfect for fans of John Green's *Turtles All the Way Down*. Move over, John Green; Zentner is coming for you. —The New York Public Library “Will fill the infinite space that was left in your chest after you finished *The Perks of Being a Wallflower*.” —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. “A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking.” —PasteMagazine.com “A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it.” —Mashable.com “I adored all three of these characters and the way they talked to and loved one another.”—New York Times

Rooster / Gallo Jorge Luján, 2016-10-01 A rooster heralds the beginning and end of the day in this imaginative and beautifully illustrated bilingual

poem. The song of the rooster draws forth the universe and gives way to the dance of beings and objects as day draws its first brilliant breath. This book is so supremely simple that a baby can delight in it, and yet so complex that an adult reader can find joy in the poem and beautiful images over and over again. Jorge Lujan dreamed this myth and, when he wrote it, understood that the rooster is the poet of the day. Manuel Monroy dipped his pen in the ink of the night and, when he withdrew it, found it was spangled with stars.
