Comic Drunks, Crazy Cults, and Lovable Monsters David Scott Diffrient,2022-12-01 Contradictory to its core, the sitcom—an ostensibly conservative, tranquilizing genre—has a long track record in the United States of tackling controversial subjects with a fearlessness not often found in other types of programming. But the sitcom also conceals as much as it reveals, masking the rationale for socially deviant or deleterious behavior behind figures of ridicule whose motives are rarely disclosed fully over the course of a thirty-minute episode. Examining a broad range of network and cable TV shows across the history of the medium, from classic, working-class comedies such as *The Honeymooners*, *All in the Family*, and *Roseanne* to several contemporary cult series, animated programs, and online hits that have yet to attract much scholarly attention, this book explores the ways in which social imaginaries related to “bad behavior” have been humorously exploited over the years. The repeated appearance of socially wayward figures on the small screen—from raging alcoholics to brainwashed cult members to actual monsters who are merely exaggerated versions of our own inner demons—has the dual effect of reducing complex individuals to recognizable “types” while neutralizing the presumed threats that they pose. Such representations not only provide strangely comforting reminders that “badness” is a cultural construct, but also prompt audiences to reflect on their own unspoken proclivities for antisocial behavior, if only in passing.

Wickedly Good Halloween Recipes Martha Stone,2017-10-04 Taking place between fall and winter, Halloween on October 31 is a time of superstition and celebration. It is thought that dressing up as ghosts and monsters originated from an ancient Celtic tradition of local townspeople disguising themselves as evil spirits and demons. They did this in an effort to go unnoticed by the real spirits wandering the town during Samhain. Samhain which is the holiday that inspired Halloween in the United States is, in fact, a Gaelic festival. It marks the end of the harvest period and the onset of winter. Today, Halloween is not such a dark affair. It's a family time. A time for dressing up, holding costume parties, and trick or treating. And it isn't just for the little spirits in your family! It is the perfect opportunity to create some of the most spooktacular Halloween recipes. We will show you how to make 40 creepily creative, sometimes gruesome drinks, snacks and party food to delight your guests!
