After We Fell Anna Todd,2014-12-30 Soon to be a major motion picture! Book 3 of the After series—newly revised and expanded, Anna Todd's After fanfiction racked up 1 billion reads online and captivated readers across the globe. Experience the internet's most talked-about book for yourself from the writer Cosmopolitan called "the biggest literary phenomenon of her generation." Tessa and Hardin's love was complicated before. Now it's more confusing than ever. AFTER WE FELL...Life will

never be the same. #HESSA Just as Tessa makes the biggest decision of her life, everything changes. Revelations about first her family, and then Hardin's, throw everything they knew before in doubt and makes their hard-won future together more difficult to claim. Tessa's life begins to come unglued. Nothing is what she thought it was. Not her friends. Not her family. The one person she should be able to rely on, Hardin, is furious when he discovers the massive secret she's been keeping. And rather than being understanding, he turns to sabotage. Tessa knows Hardin loves her and will do anything to protect her, but there's a difference between loving someone and being able to have them in your life. This cycle of jealousy, unpredictable anger, and forgiveness is exhausting. She's never felt so intensely for anyone, so exhilarated by someone's kiss—but is the irrepressible heat between her and Hardin worth all the drama? Love used to be enough to hold them together. But if Tessa follows her heart now, will it be...the end?

The Bad Boy's Girl Blair Holden, 2017-04-12 Tessa O'Connell is a girl as ordinary as they come - or so she thinks. Her aim for senior year is to keep her head down yet somehow manage to convince her childhood love Jay Stone to love her back. What she isn't prepared for is for Jay's brother, Cole, to return to town and change the life she's always been seemingly content to live.

Be Kind, Be Calm, Be Safe Dr. Bonnie Henry, Lynn Henry, 2021-03-09 From the BC doctor who has become a household name for leading the response to the pandemic, a personal account of the first weeks of COVID, for readers of Sam Nutt's *Damned Nations* and James Maskayk's *Life on the Ground Floor*. Dr. Bonnie Henry has been called one of the most effective public health figures in the world by *The New York Times*. She has been called a calming voice in a sea of coronavirus madness, and our hero in national newspapers. But in the waning days of

2019, when the first rumours of a strange respiratory ailment in Wuhan, China began to trickle into her office in British Columbia, these accolades lay in a barely imaginable future. Only weeks later, the whole world would look back on the previous year with the kind of nostalgia usually reserved for the distant past. With a staggering suddenness, our livelihoods, our closest relationships, our habits and our homes had all been transformed. In a moment when half-truths threatened to drown out the truth, when recklessness all too often exposed those around us to very real danger, and when it was difficult to tell paranoia from healthy respect for an invisible threat, Dr. Henry's transparency, humility, and humanity became a beacon for millions of Canadians. And her trademark enjoinder to be kind, be calm, and be safe became words for us all to live by. Coincidentally, Dr. Henry's sister, Lynn, arrived in BC for a long-planned visit on March 12, just as the virus revealed itself as a pandemic. For the four ensuing weeks, Lynn had rare insight into the whirlwind of Bonnie's daily life, with its moments of agony and gravity as well as its occasional episodes of levity and grace. Both a global story and a family story, *Be Kind, Be Calm, Be Safe* combines Lynn's observations and knowledge of Bonnie's personal and professional background with Bonnie's recollections of how and why decisions were made, to tell in a vivid way the dramatic tale of the four weeks that changed all our lives. *Be Kind, Be Calm, Be Safe* is about communication, leadership, and public trust; about the balance between politics and policy; and, at heart, about what and who we value, as individuals and a society. The authors' advance from the publisher has been donated to charities with a focus on alleviating communities hit particularly hard by the pandemic: True North Aid with its Covid-19 response in Northern Indigenous communities, and First Book Canada, with its focus on reading and literacy for underserved, marginalized youth.

Portola Bay Jan Suzukawa, 2007-09-11 A Northern California fishing town. Mysterious activities in the abandoned cannery

district late at night. A dead body and a man who can no longer avoid facing his own dark past When David Jackson returns to Portola Landing to investigate his childhood friend Peter Santangelo's untimely death, he rejects the official verdict of suicide and goes deep into the small town's secrets to discover the truth. But the darkest secret lies in his own past—a past he thought dead and buried—and now it threatens to destroy him.

Before Anna Todd, 2015-12-08 Recounts Hardin's first encounters with Tessa and their ensuing love affair that became a vortex pulling in everyone around them.

After We Collided Anna Todd, 2014-11-25 The inspiration behind the major motion picture *After We Collided*! From New York Times bestselling author and Wattpad sensation Anna Todd, “the biggest literary phenom of her generation” (Cosmopolitan), comes the sequel to the internet’s most talked-about book—now with new exclusive material! Tessa has everything to lose. Hardin has nothing to lose...except her. *AFTER WE COLLIDED*...Life will never be the same. After a tumultuous beginning to their relationship, Tessa and Hardin were on the path to making things work. She knew he could be cruel, but when a bombshell revelation is dropped about the origins of their relationship—and Hardin’s mysterious past—Tessa is beside herself. Hardin will always be...Hardin. But is he really the deep, thoughtful guy Tessa fell madly in love with despite his angry exterior, or has he been a stranger all along? She wishes she could walk away. It’s just not that easy. Not with the memory of passionate nights spent in his arms. His electric touch. His hungry kisses. Still, Tessa’s not sure she can endure one more broken promise. She put so much on hold for Hardin—school, friends, her mom, a relationship with a guy who really loved her, and now possibly even a promising new career. She needs to move forward with her life. Hardin knows he made a mistake, possibly the biggest one of his life. He’s not going down without a fight. But can he change? Will he change...for love?
