First Scout Joel R. Linnabary,2016-09-23 Doug Peterson wants two things. He wants to be a good man to his stepson and to have his stepson grow and see the power of being a Boy Scout. Curt is still upset that his parents divorced and now feels that a week at Boy Scout camp is a sentence worse than death. He wants to do the cooler activity that his father wantsplay football. President Jeffery Franklin was born to be a politician and has become the president of the United States. General OSullivan has a love of the land of his forefathers, Ireland, and will do anything to free it. Now all of these forces collide as an evil plan to overthrow the president nearly kills him and places him in the hands of four scouts and their leader. These scouts must now protect the president and use their scouting skills to get him back to Washington, DC, and save the Union.

Boy Scouts Handbook - First Edition Boy Scouts of America,2016-08-14 The Official Handbook for Boys was published in June 1911. In this edition, the American Scouting program was standardized, albeit with many omissions and mistakes (cf. external links). As with the Original Edition, many now-standard Scouting skills were passed over, including knife and axe use and map and compass work. The book describes many Scout-like virtues and qualifications. After a lengthy section on what a Scout should know, including chivalry, history, and national issues, it is noted that in short, to be a good Scout is to be a well-developed, well-informed boy.

Scouting Frontiers Nelson R. Block,Tammy M. Proctor,2009-01-23 Despite the fact that Scouting has touched the lives of a quarter of a billion boys and girls and their leaders around the world in the past century, its history has been largely ignored. Scouting Frontiers: Youth and the Scout Movement's First Century is the first book to discuss the history and principal themes of the Boy Scout and Girl Guide movements on an international scale. Inspired by presentations at the ground-breaking 2008 Johns Hopkins University symposium, Scouting: A Centennial History, the authors examine the world's greatest youth movement through the diverse experiences of its members and their organizations. From Muslim Scouts in Wales to French Scouts in Syria to Girl Guides in colonial Kenya, Scouting has responded to the challenges of international expansion and transformed itself to address cultural, political and social diversity. Scouting Frontiers focuses particularly on the intersections between Scouting's origins and its transformations over the last century as it faced frontiers of nation, empire, religion, race, class, and gender.

Juliette Gordon Low Kathleen V. Kudlinski,2015-06-02 Ask the girls, Juliette Gordon Low always said when a problem came up. They'll know what's best. But in 1912, no one thought that children should be listened to. No one

except Daisy, that is. She wanted girls to learn that they could be active and make a real difference in the world. She overcame both deafness and the disapproval of her family to establish the Girl Scouts. Now, more than four million girls are Girl Scouts in the United States alone.

Boy Scouting in the North Carolina Foothills, 1908-1958: Early Troops, Scout Executive R.M. Bud Schiele, the Piedmont Council, and the Piedmont Boy Sc Harvey James Hamrick, 2019-10-31 The beginning and subsequent growth of

the Boy Scout movement in the North Carolina foothills is a remarkable story. The first troop in the area started in Kings Mountain in 1909 and had British origins. This preceded the formation in 1910 of the Boy Scouts of America (BSA). Between 1909 and 1923, troops formed in Statesville, Hickory and possibly other towns with charters from the national BSA office. However, without a local council organization, many became inactive and the movement stalled. Recognizing the need to establish local councils staffed by trained Scout executives to sustain growth, the BSA sent field executives all over the country in the early 1920s to accomplish this mission. This resulted in the formation of the Piedmont Council in 1923 with headquarters in Gastonia, N.C. and the hiring of R. M. Bud Schiele as the first Scout executive. The central thread of the narrative is on Bud Schiele's commitment and leadership in developing the council and its camp into outstanding models for the entire Southeast. Personal memories of former Scouts (now in their 70s and 80s) and various archives from area libraries and museums inform the narrative. Thousands of boys were Scouts in the council over Bud Schiele's thirty-four years at the helm. This book attempts to capture the significance of Scouting on their lives in the context of the cultural and economic conditions of the first half of the 20th century.

Scouting for Wild Ones Brittney McGann, 2020-11-13

A Century of Scouting Badges Wan Meng Hao, At the first Boy Scout camp held by founder Robert Baden-Powell on Brownsea Island in 1907, the pioneer Boy Scouts were organised into four patrols and presented with a brass fleur-de-lis badge. They were then taught practical outdoor activities, such as knotting, tracking and camping, and tested on these skills. Upon passing the tests, each boy received a bronze badge in the shape of a scroll, featuring the words "Be Prepared". The fleur-de-lis badge would later become the Scout's membership badge, also known as Tenderfoot, while the scroll badge became the Second Class Scout badge. This book compiles various collections of badges over the past century, from Boy Scouts and Wolf Cubs to Rover/Venture Scouts and adult Scouters. It also contains the collections of related accessories such as hat plumes and medals, as well as information about the history of Scouting. Informative and extensive, *A Century of Scouting Badges* is required reading for anyone with an interest in the Scouting movement and its story. Reader Reviews: "I spent many happy years of my childhood and youth in the scout movement. Scouting taught me good values and how to be a good leader. I thank Meng Hao for this wonderful book on 100 years of scout badges." — Professor Tommy Koh, Ambassador-At-Large, Ministry of Foreign Affairs "Wan Meng Hao is to be congratulated on achieving a Scouting first for his country that has yet to equalled in our own. He has produced a systematic and comprehensive encyclopaedia of the badges and artefacts relating to Scouting in Singapore over a 100-year period, since its inception in 1907. (He starts with an illustration of a supposed replica of B-P's brass Brownsea badge). The book is a wonderful compendium of badges and other artefacts beautifully laid out and illustrated in full colour over 200 A4 pages with interesting and relevant text to tell the story. What makes this book of exceptional interest to our UK members is that up to the 1970s the Scout Association of Singapore relied on the UK Association for its badges and medals etc. The book covers all aspects and sections including WW2 and illustrates over 1,000 items, though it makes no claims to be a 'tick list'. Mr Wan uses his own collection and those of others to depict some very rare items, some of which I have never seen before, to lovingly tell the story of Scouting in his homeland. A wonderful example of what Scout Badge Collecting is all about!" — UK Scout Historian Colin Walker "After reading the first sample of this book, I was very moved! This book introduces Scouting badges, from the beginning of the movement more than one hundred years ago to today. The author introduces almost all the various identification badges

carried on the uniforms of the Scout movement. When I look through the book, I can't help but marvel at the Scout movement. There have been so many creators who have contributed rich treasures to the movement. I have also written books on the history and origins of Scouting, and deeply feel the difficulty of writing such books. I believe the author must have incomparable enthusiasm and loyalty to scouts. He would have needed to verify the many details—such as the year, location, and origins—information that cannot tolerate errors. A lot of data collection and interview work is required. Every time you see such a high-quality Scout information book, you can feel the hardships that the author has gone through. For all Scouting people and even those who just agree with the concept of Scouting, this book is a treasure trove of information that should not be missed.” — Ho Chung Keung, Hong Kong Scout Leader and writer “Scouting historian Wan Meng Hao's impressive A Century of Scouting Badges is a labour of love, almost two decades in the making. Meng Hao's encyclopaedic knowledge of and passion for Scouting has resulted in this excellent and invaluable contribution to the very limited literature on the Scouting Movement in Singapore and British Malaya. A Century of Scouting Badges weaves in the overarching story of how Scouting has evolved through the years and how the progressive and proficiency badge curriculum enables many scouts to challenge themselves in their Scouting pursuits, to learn useful skills, crafts, and hobbies, to grow in knowledge and understanding of the world around them, to imbibe values and perseverance, and to contribute to their communities in relevant and meaningful ways. The Scouting Movement's badges and awards, so thoughtfully recorded in this work, reminds us of the importance of striving not for its own sake but as a means of learning by doing and giving for the greater good.” — Associate Professor Eugene Tan, Singapore Management University “This book is the result of Meng Hao's journey in documenting scout badges. He explains succinctly the historical evolution of badges, and the book is replete with photo-illustration of badges and how some of these badges were worn. It will undoubtedly serve as a handy compendium for scout badges in Singapore.” — Associate Professor Yeo Kang Shua, Singapore University of Technology and Design
