Words without Alloy Paul Turner,2022-12-15 Why do we have the readings we have on the days we have them? Roman Catholics enjoy the rotation of readings from the Lectionary for Mass because they offer a rich presentation of the Bible, anchor the Liturgy of the Word, and provide a source of private meditation. But how did the pairing of all these readings come about? In *Words without Alloy*, Paul Turner traces the history of the lectionary as if it were a person coming to full maturity. By following the development of the lectionary, readers may come to a deeper appreciation of the One whose words it speaks.
