Siwak - Miswak Authenticate Ulama's Organization,2016-06-04 The Siwak is one tool of hygiene which holds particular importance in Islam. It is a simple twig for cleaning the teeth, originating from the desert but popularised for ever more by the example and directives of the Messenger of Allah Ta'ala. It is no exaggeration to say that Rasulullah [PBUH] is the first dental educator in proper oral hygiene in history. The Prophet's Siwak of choice was from the Arak (Aloes tree or Salvadora Persica). The Siwak is a natural twig fortified with natural minerals that help clean the teeth, other inhibitors that prevent gums from bleeding, cleaning agents that kill microbes and germs and remove plaque, and a scent that gives breath a naturally fresh smell. The Siwak is an ideal, natural brush that has been endowed with more than any artificial toothpaste could ever have. The wicks on the Siwak clean between the teeth and do not break under any amount of pressure; rather, they are flexible and strong. The small wicks bend to the appropriate shape to get plaque and leftover food out from in between teeth while avoiding any damage to the gums. The Siwak is comprised of many beneficial ingredients. Most significant among them are: - Antibacterial acidic inhibitors that fight decay. They are natural disinfectants and can be used to stop bleeding. They disinfect the gums and teeth and close any microscopic cuts that may have existed in the gums. On first usage, the Siwak will taste harsh, and maybe even burn, because of a mustard-like substance found in it, but this is the ingredient that fights decay in the mouth and kills germs. - Minerals such as sodium chloride, potassium, sodium bicarbonate and calcium oxides. These clean the teeth. The American Dental Association considers sodium bicarbonate to be a preferred ingredient in toothpastes. - Natural scented oils that taste and smell nice, give the mouth a pleasant smell. They make up about 1% of the Siwak. - Enzymes that prevent the build-up of plaque that causes gum disease. Plaque is also the no. 1 cause of premature loss of teeth. - Anti-decay and anti-germ ingredients that act as a penicillin of sorts, decreasing the amount of bacteria in the mouth, which means cleaner teeth and cleaner air when breathing through the mouth. The presence of these properties has actually encouraged some toothpaste laboratories to incorporate powdered stems and/or root material of Salvadora Persica in their products.

Words of the Prophet Muhammad Authenticate Ulama's Organization,2017-03-12 Sunnah (pl. sunan) literally means way or practice. In Islamic terminology, it refers to any act performed, verbally encouraged or, to a lesser degree, sanctioned by the Messenger of Allah Ta'ala by being performed in his presence or knowledge and not meeting with his disapproval. Of equal if not greater importance are the characteristics that made up the personality of Muhammad PBUH, the concerns that impassioned him and the ideals that he strove for. The wisdom of the Messenger of Allah has, since the dawn of his mission, served to inspire, guide, enlighten and heal millions through the journey of life. And how could it not have been of him whose Maker has praised him thus: And truly you stand on an exalted standard of character. (68:4) Today, amongst the chaos and confusion of increasingly hectic lives, living in a world that replaces meaning with material value and purpose with temporal progress, far removed as we are from the time the blessed Messenger walked upon the earth, we need perhaps more than ever before to stop along the way and enrich ourselves with the teachings of truth and meaning of the Messenger of God, teachings in essence as timeless and as old as mankind itself: Say: I am no new thing among messengers... (46:9) The book in your hands is an anthology of some two hundred ahadith mostly of the second type of Sunnah referred to earlier, words of advice and teachings related to man and his relationship with his Maker, fellow human beings, and himself. Words of wisdom to mankind from one who was, after all his greatness and exalted stature, himself a man.

Hajj & Umrah Fisabilillah Authenticate Ulama's Organization,2016-03-03 INTRODUCTION Hajj, the fifth pillar of Islam, brings together Muslims of all races and creed to adopt two unidentifiable white pieces of cloth in an awesome demonstration of Islam's total disregard of insignificant issues like race, social position and nationality. Annually, several million people make the pilgrimage to Makkah from every corner of the globe, providing a unique opportunity of those different nations to meet one another, making it the largest gathering in the world. It is a clear-cut act of worship, but also it is symbolic and represents the spirit's return to its place of origin. Hajj is an essential duty (fardh) for all Muslims, who are physically and financially able to perform it. Allah Ta'ala has prescribed certain rites that a pilgrim should uphold for his pilgrimage to be correct. The primary condition is intention (niyyah), while the others will be mentioned in their places. The meaning of the pilgrimage (Hajj meaning effort) is to leave all worldly activities aside and go forth to meet Allah Ta'ala. The purpose of Hajj is to develop consciousness of Allah Ta'ala and also spiritual upliftment. It is also an opportunity to atone sins collected throughout life. Prophet Muhammad [PBUH] had said that a person who performs Hajj properly will return as (sinless as) a newly born baby. Due to the usual practice of Umrah being performed before the Hajj, it was deemed appropriate that this publication starts with Umrah. The first part of this book deals with the procedures of Umrah. It clearly outlines the entire procedure of how Umrah should be performed, explaining each part of Umrah individually and giving a breakdown of which actions are necessary and which one's are Sunnah and virtuous. Thereafter the rites of Hajj are described in full in the same clear distinctive manner. Starting from the explanation of the three types of Hajj and how they differ. The Hajj at a glance diagram has been specially made to assist the Hajji in simplifying the procedure further.

Mecca the Blessed & Medina the Radiant (Bilingual) Seyyed Hossein Nasr,2015-11-24 Mecca the Blessed, Medina the Radiant is an unprecedented photographic exploration of the most holy cities of Islam and the Hajj, or annual pilgrimage during Ramadan, when more than a million faithful journey to Mecca's Great Mosque to commemorate the first revelation of the Qur'an (Koran). This book allows both Muslims and those unfamiliar with the Islamic faith complete access to the holiest sites of one of the world's major religions, practiced by a quarter of the world's population but often misunderstood in the West. Photographer Ali Kazuyoshi Namachi, a Muslim convert from Japan, garnered the full support of Saudi Arabian authorities—rarely given—to shoot in cities where photography is strictly controlled and non-Muslims are not allowed. An expansive work of photojournalism, Mecca the Blessed, Medina the Radiant includes: 140 full-color, never-before-seen photographs Mystical places and scenes of Islam Breathtaking aerial photographs of the Arabian terrain Vistas of teeming crowds of worshippers surrounding the Kacbah, Mecca's sacred center Intense portraits of faithful Muslims in prayer Magnificent architecture reflecting the faith of the believers Archival illustrations Text by Seyyed Hossein Nasr, one of the most highly regarded scholars of Islam, enhances the stunning Islamic holy city photographs to illuminate many aspects of Islamic belief that have remained enigma to non-Muslims—until now.

كيف نستفيد من الحج Abu Muneer Ismail Davids,2006 The book provides a realistic view of Hajj as it is today, with detailed explanations of all the rites. It provides Fiqh related issues about Hajj, Salah and personal behaviour according to the Quran and Sunnah, to enable you to obtain the best value for your time spent in the holy cities. It also provides information and suggestions about planning for the journey, what to expect and how to survive, so you can depart with full confidence. This is a must have for all those planning to go on Hajj!

Mirath Authenticate Ulama's Organization,2016-10-20 When a person dies, his ownership of his property ends, and is to be given to his heirs. It is Allah's Ta'ala favour upon us that He has not made the disposal of that wealth as charity necessary, but rather, He in His wisdom knows that the death of any person is a great loss to their relatives and an even greater loss to their dependents

who relied upon them for provision. That said, Allah Ta'ala also knew that Man has greed. And it is this greed that causes brother to hate brother and sister, and to usurp the rights of the less persuasive. For this reason, Allah has fixed, very clearly in the Qur'an, the allotted shares of the relatives of the deceased. This has been further mapped out in the Ahadith by the Prophet of Allah Ta'ala so as to leave no scope of doubt or leeway for argument in who gets what. Everyone will get their share: No more, no less. This prevents the greedy from getting more than their share and it stops the undefended from receiving less than their allotment. In Islam the concept of the wealth only going to the first born son is seen as oppressive. Islam has also distinguished the different levels of dependency of the closer relatives and has stipulated amounts varying in quantity in different circumstances. The factors that lessen one relative's share is the presence of another relative, who also has a considerable relationship with the deceased. There are times when an allotment may seem unfair, these will also be explained. For example, of two inheriting brothers, one may be financially well off whereas the other is poor. This will not mean that the poorer brother will get everything or more than the richer brother. This is because inheritance is not charity and is given on account of the strength of the relationship not on account of who is more needy. Both brothers in this aspect are equal, and will thus receive an equal share. This book only deals with the financial side of the events around death. For an in-depth look at the rites of passage of the burial please refer to our publication, What to do when a Muslim Dies.

Salawat Fisabilillah Organization Authenticate Ulama's Organization, 2017-03-02 It is a divine order that good is rewarded with good. After Allah Ta'ala whose favours are beyond calculation, it is the one who was sent by Allah Ta'ala as the mercy to the worlds, Muhammad PBUH the last Messenger who was the greatest benefactor mankind has ever had. In this day, when neither have we the ability to see nor converse with the Prophet PBUH we have either forgotten his favours upon us, or we do not appreciate them. One must remember, however, that truth, even if ignored or forgotten, still remains the truth. The Prophet PBUH was sinless, and had the guarantee of Allah's Ta'ala eternal and infinite love, yet he spent night after night, day after day, begging Allah Ta'ala for our salvation. The physical torture hurled at him by the opposition for propagating Islam, the psychological anguish suffered by him when seeing his beloved followers persecuted and the mental torment undertaken by him in his unending concern for his people are all but a small part of the debt that we owe to this selfless man PBUH. And yet, Allah Ta'ala has not only commanded the sending of salutations upon the Prophet PBUH, but in fact Divine generosity knows no bounds in respect to the reward in lieu of it. For instance one Hadith states, Whoever prays once for blessings upon Muhammad is blessed himself ten times over by the One who sent him. Muslim This is Allah's Ta'ala sheer blessing upon us that we should be rewarded for thanking Allah's Messenger PBUH for what he has done for us. As love for the Messenger is a part of Eman, so should we make Salawat upon him a part of our daily routine.

This title is based on the book Getting the Best out of Hajj and contains chapters on Umrah in Ramadaan and visiting Madinah.

Dua Guide for Umrah Waseem Mirza, This book will give you a step by step guide to perform Umrah, with a comprehensive collection of duas you can read for each round of Tawaf and Sae'e
Fazail E Hajj Shaykhul-hadeeth Maulana Mohammed Zakariyya Kandhalwi, Maulana Mohammed Zakariyya Kandhalwi (Ra), 2016-08-19 Maulana Yusuf had for two years been advising me on the need for such a book, but in spite of my promises nothing had materialized. When Allah desires something to be accomplished, He prepares the way for it from His own side. Thus it had been my habit for it from His own side. Thus it has been my habit annually since the demise of Maulana Ilyas (May Allah have mercy on him) to spend the month of Ramadhan from the 29th Shaban to the 2nd Shawal in Nizamuddin, returning (to Saharanpur) on the 2nd Shawal. Having had to remain in Nizamuddin for some necessary work until of the booklet on Hajj and its virtues when on the night of Eid, the time dawned for loved ones to gather at the door of the Beloved (i.e. when the season of Hajj commenced) my longing to be at the Holy House in Makkah also became most intense. This usually happens to me annually from the dawn of Shawal to the month of Zilhijja. At such a time here in Nizamuddin on Wednesday the 3rd of Shawal 1366, I thus commenced this work for Allah's sake with full reliance on Him. It is my intention to prepare ten short chapters on various aspects of Hajj, which shall deal with: Chapter 1-Encouragement towards performing Hajj. Chapter 2 - Grave warnings for not performing Hajj. Chapter 3 - Enduring the inconveniences of the Hajj journey. Chapter 4 - The meaning of Hajj. Chapter 5 - The manner of performing Hajj. Chapter 6 - Behavior in Makkah and its virtues. Chapter 7 - On Umrah. Chapter 8 - Visiting the grave of Rasulullah Salaam. Chapter 9 - The Aadaab for the Ziarat. Chapter 10 - Behavior in Madinah and its virtues. The last chapter shall deal with the farewell Hajj of Rasulullah (Sallallahu Alaihi Wassallam) and shall also include some incidents from the pilgrimage of some saintly devotees of Islam. Muhammed Zakariyya Kandhalwi (RA)

Mosques Design By Dato' (Dr.) Ar. Hj. Baharuddin Abu Kassim & JBIP Azim Abdul Aziz, 2016-03-24 This biographical monograph is probably the only pictorial and a narration document about a living architectural legacy, the father of the modernist architecture in Malaysia, Dato' (Dr.) Ar. Hj. Baharuddin Abu Kassim. Born on 1929 in Jeram, Selangor to a Malay-Bugis descent family, Dato' Baharuddin received his formal education in architecture and planning at the University of Manchester, United Kingdom in 1958. His early work as a young architect influenced not only many modern architects in Malaysia but also influenced many early leaders and the public. Many of his early works and other known architects' during that time started the Malaysian Modern Movement. This happened during the time; Malaysia had just gained her independence in 1957, and the modern architecture was used to express this new found confidence gained from being an independent country. One great example is his earlier works is the Masjid Negara (National Mosque) in Kuala Lumpur completed in 1965 while he was attached to the Public Works Department. This mosque is still standing elegantly after 51 years and is known to be one of the great modern mosques of the world. At a time when expatriate firms dominated the architectural profession, Dato' Baharuddin started one of the few truly Malaysian architectural practices in 1965 called The Malayan Architects Co-Partnership. Then two years later he founded Jurubena Bertiga/Architects Team 3 which was the forerunner to Jurubena Bertiga International Sdn. Bhd. Since then, Dato' Baharuddin with Jurubena Bertiga has designed many great modern mosques throughout Malaysia, namely the Selangor State Mosque in Shah Alam, Sandakan Mosque, Sabah State Mosque in Kota Kinabalu, Islamic College of Malaya Mosque in Petaling Jaya; An-Nur Jamek Mosque in Labuan, Negeri Sembilan State Mosque in

Seremban and many others. Dato' Baharuddin innovative use of materials, firstly the fluidity use of reinforced concrete and later the use of steel and metal in his design had influenced the design of his Modern Mosque over traditional materials of masonry and concrete.In 2009, Dato' Baharuddin was conferred PAM Gold Medal Award by the Malaysian Institute of Architects (PAM), the highest architectural accolade in the country. In 2015, the year of the 50th anniversary of the National Mosque, Dato' Baharuddin was awarded the Anugerah Maulidur Rasul by the Government of Malaysia during the national celebration of Maulidur Rasul (Mawlid, the Prophet Muhammad's Birthday) in Serdang, Selangor. This monograph is a compilation of the selected mosques projects by Dato' Baharuddin, with a short narration of his early life as an architect. It was compiled and written by his former novice staff, the Chief Executive Officer of ATSA Architects, Azim A. Aziz.

Haj and 'Umra Shaykh Asim Ahmad,2015
The Divine Bureaucracy and Disenchantment of Social Life Maznah Mohamad,2020-03-02 This book traces the expansion of Islamisation within a modern and plural state such as Malaysia. It elaborates on how elements of theology, sacred space, resources, and their interactivity with secular instruments such as legislative, electoral, and new social technological platforms are all instrumentally employed to consolidate a divine bureaucracy. The book makes the point that religious social movements and political parties are only few of the important agents of Islamisation in society. The other is the modern and secular state structure itself. Weber’s legal rational bureaucracy or Hegel’s ethical bureaucracy predominantly characterises a modern feature of governmentality. In this instance an Islamic bureaucracy is advantageously situated not only within an ambit of modernity and therefore legality, but divinity and therefore sacrality as well. This positioning gives religious state agents more salience than any other form of bureaucracy leading to their unquestioned authority in the current contexts of societies with Muslim majority rule. One of the requisites of this condition is the homogenisation of Islam followed by ring-fencing of its constituents. The latter can involve contestations with women, other genders, ‘secular’ Muslims, non-Muslims as well as dissenting Muslims with their differing truthful ‘Islams’.
