

Fishead Analytics Free App For Google Analytics

**Sebastian Tonkin, Caleb Whitmore, Justin
Cutroni**

Google Analytics Justin Cutroni, 2010-08-13 Do you know what people do when they visit your website or web app? Or how much the site contributes to your bottom line? Google Analytics keeps track and makes it easy for you to learn precisely what's happening. This hands-on guide shows you how to get the most out of this free and powerful tool -- whether you're new to Google Analytics or have been using it for years. Google Analytics shows you how to track different market segments and analyze conversion rates, and reveals advanced techniques such as marketing-campaign tracking, a valuable feature that most people overlook. And this practical book not only provides complete code samples for web developers, it also explains the concepts behind the code to marketers, managers, and others on your team. Discover exactly how the Google Analytics system works Learn how to configure the system to measure data most relevant to your business goals Track online marketing activities, including cost-per-click ads, email, and internal campaigns Track events -- rather than page views -- on sites with features such as maps, embedded video, and widgets Configure Google Analytics to track enterprise data, including multiple domains Use advanced techniques such as custom variables and CRM integration

Advanced Web Metrics with Google Analytics Brian Clifton, 2012-03-30 This book is intended for use by customers using Google Classic Analytics and does not cover the newer Google Universal Analytics or related Google Tag Manager. Google

Analytics is the free tool used by millions of web site owners to assess the effectiveness of their efforts. Its revised interface and new features will offer even more ways to increase the value of your web site, and this book will teach you how to use each one to best advantage. Featuring new content based on reader and client requests, the book helps you implement new methods and concepts, track social and mobile visitors, use the new multichannel funnel reporting features, understand which filters to use, and much more. Gets you up and running with all the new tools in the revamped Google Analytics, and includes content requested by readers and users especially for new GA users Covers social media analytics features, advanced segmentation displays, multi-dashboard configurations, and using Top 20 reports Provides a detailed best-practices implementation guide covering advanced topics, such as how to set up GA to track dynamic web pages, banners, outgoing links, and contact forms Includes case studies and demonstrates how to optimize pay-per-click accounts, integrate AdSense, work with new reports and reporting tools, use ad version testing, and more Make your web site a more effective business tool with the detailed information and advice about Google Analytics in Advanced Web Metrics with Google Analytics, 3rd Edition.

Google Analytics Jerri L. Ledford, Joe Teixeira, Mary E. Tyler, 2011-02-02 Get the most out of the free Google Analytics service—and get more customers Google Analytics allows you to discover vital information about how end users interact with their Web sites by collecting vital data and

providing tools to analyze it, with the intention of improving the end-user experience and, ultimately converting users into customers. This indispensable guide delves into the latest updates to the newest version of Google Analytics—3.0—and explains the concepts behind this amazing free tool. You'll discover what information to track, how to choose the right goals and filters, techniques for reading Google Analytics reports and graphs, and, most importantly, how to compile this data and use it to improve your Web site and attract more potential customers. Takes an in-depth look at Google Analytics 3.0 and walks you through the possibilities it offers Explains how to read Google Analytics reports and graphs so that you can compile this data and use it to improve your Web site and attract more users Shares techniques for converting end users into customers Features tips and suggestions for getting the information you need from Google Analytics reports and then converting that information into actionable tasks you can use With Google Analytics, Third Edition, you'll be well on your way to retrieving the information you need to convert visitors to your site into customers!
