**Offshore Pursuit** John Unkart,2012 The tranquil beauty of a morning sunrise over the Atlantic Ocean is in direct contrast to the savage acts taking place beneath the water's surface. Powerful tails propel half-ton blue marlin at nearly 50 mph, as their bills slash at baitfish. The razor-sharp teach of wahoo cut unsuspecting prey in half. And these predators become the hunted, when anglers venture forth in Offshore Pursuit. Experience what the ultimate sport fishing has to offer: surface eruptions on trolled baits, rods bent in half, drags screaming, and adrenaline pumping. Whether you call blue water your regular fishing grounds or want to experience the thrill for the first time, don't leave success in the hands of Lady Luck. Knowledge and experience are necessary to produce results, and Offshore Pursuit has the information you need to catch big game fish in offshore waters. What baits each species prefers, methods of trolling, types of spreads, how to chunk for tuna, and when and how to use a kite are all covered in detail. Proven methods learned through years of experience are clearly explained to help you catch more fish. From rigging techniques to tips on how to fight trophy fish, it's all in this book.

**IGFA's 101 Freshwater Fishing Tips & Tricks** Bill Dance,2007-04-17 One of America's best known fishermen with more than 50 years of on-water experience, Bill Dance is also a tournament champion and a television personality. His tips will help any angler catch more and bigger fish. Even experienced fishermen may not know that dark-colored lures work best during low light conditions; that reluctant bass often bite at smaller lures fished slowly; that 75% of all line failures occur at the knot, so

good knot tying is essential to success; that when waters rise, bass move shallower—when it falls, they move deeper. Dance’s knowledge is so wide-ranging that absolute beginners and crusty old veteran fishermen alike will be educated and entertained and amazed. This book is being supported by The International Game Fish Association (IGFA), a leading authority on angling and the keeper of fishing’s world record. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
