I Hate Selling for the Fitness Professional: 6 Steps to Making Serious Money in the Fitness Industry Ryan McKenzie, Allan Boress, 2016-12-20 Most fitness professionals love helping people change their lives, but many struggle to gain new clients and build a profitable business. They end up drained instead of energized, worried instead of free, tied down instead of creating their own schedule! Following these six simple steps of *I Hate Selling for the Fitness Professional* will empower you to build your business from the bottom up and keep it growing-all while maintaining your love of serving your clients and members. This book will free you from the ups and downs of the fitness world and help you reach more people than ever before.

Model Rules of Professional Conduct American Bar Association. House of Delegates, Center for Professional Responsibility (American Bar Association), 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Fit Over 40 For Dummies Betsy Nagelsen McCormack, Mike Yorkey, 2011-05-23 Tired of feeling tired all the time? Do you find yourself thinking wistfully of the days when your belt-size was less than your age...your dress size less than your kid's last birthday? Remember when the only spare

tire you had to worry about was the one in your trunk? Do you find yourself gasping for breath at the top of the basement stairs? If any of this sounds familiar, then you're ready for an over 40 fitness plan. And *Fit Over 40 For Dummies* is the place to start. Your complete guide to being fit and fabulous over 40, it shows you step-by-step how to set up a personalized fitness routine and stick to it, no matter what your age, weight, or athletic ability. Packed with practical know-how and inspiring anecdotes it shows you how to: Lose weight and inches from your waistline Boost your energy levels Lower or prevent high blood pressure Reduce your risk of cardiovascular disease and diabetes Improve your muscle tone Give your skin a healthy glow Have a more vibrant sex life Rebound from life-changing events more quickly Get fitter than couch potatoes half your age Live a longer, healthier life Combing her own experiences with the latest scientific research, retired women's tennis pro, Betsy Nagelsen McCormack explores what it takes to be fit over forty. And, step-by-step, she shows you how to: Assess your fitness level Eat right for maximum fitness Choose and buying exercise equipment Select the right gym Develop a balanced program of aerobics, weight training and stretching Integrate exercise into your daily routine Prevent and working around common injuries and ailments Explore sports, outdoor activities, and more Stop thinking about how great it would be to feel twenty-five again and do something about it. *Fit Over 40 For Dummies* helps you get on the road to health and well-being.

Successful Programs for Fitness and Health Clubs Sandy Coffman, 2007 In today's world, a club needs to offer more than state-of-the-art equipment and certified fitness instructors to recruit and retain members. You need something that will appeal to your members and keep them coming back. In *Successful Programs for Fitness and Health Clubs: 101 Profitable Ideas*, you will learn how to utilize programming to meet your strategic and financial goals. Written by internationally-respected programming consultant Sandy Coffman, this book will teach you exactly what programming is and how to make it work for you. *Successful Programs for Fitness and Health Clubs: 101 Profitable Ideas* presents more than 100 ready-to-use programs for use in fitness centers, group exercise studios, pools, gyms, and classrooms. The programs are designed to get hundreds of new members involved immediately. But the text is far more than just a program recipe book. Coffman addresses the challenges faced in programming, including teaching skills, communication skills, marketing techniques, and follow-up procedures. Her advice will help you design programs that unite members with common interests and abilities and foster a sense of belonging and commitment. Such programming leads to increased participation, reduced attrition, greater retention, more referrals, less downtime, and improved staff productivity. The text will first lay the foundation for programming by presenting the key principles and concepts that need to be considered. Part I explores -the five steps to programming success, -the 10 keys to member retention, -hiring and training the right people, -why a program director is needed, -internal and external promotions, and -niche marketing. By understanding and using the information in Part I, you can successfully implement the programs in Part II. Here you will find 101 actual programs, with numerous variations--including ideas for court sports, group exercise, and programs aimed at adults, families, kids, seniors, and women, covering a broad range of fitness levels, from beginners and intermediates to advanced participants. It also includes programming for specific time frames, such as the holiday season, spring, or summer. An activity finder located in the front of the text makes it easy to find programs based on criteria ranging from the type of activity or member to the type of special event. In addition to providing vital information for planning your programs, *Successful Programs for Fitness and Health Clubs: 101 Profitable Ideas* comes with a CD-ROM containing more than 60 files that will help you create support materials to get your programs started. You will find printable quizzes, flyers, score cards, invitations, scoring systems, round robin tournament schedules, and logos--most of which can be customized to include information specific to your facility, such as logo, contact names, dates, times, and more. Additional files provide templates to create T-shirts, buttons, and other promotional pieces. Headings and icons in the text indicate when to refer to the CD-ROM for certain materials. When it comes to enhancing your club offerings, follow the expert programming advice from Sandy Coffman. With it you will be able to create, implement, and deliver successful programs

that will attract and retain new members and ultimately make your club a greater success.
