*The Five Arrows* Allan Chase,2022-08-10 The Five Arrows is a nostalgic historical novel about a war veteran and his civilian life in the United States. Excerpt: After years of anonymity in various city rooms in the States, a brief turn as a byline correspondent in Washington, a still briefer career as a Broadway playwright, Matthew Hall had drawn an assignment as a third-string man...

Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The volume is divided into four sections: The introduction places the position of the Buddhist Tantras within Mahayana Buddhism and recalls their early literary history, especially the Guhyasamahatantra; the section also covers Buddhist Genesis and the Tantric tradition. The foundations of the Buddhist Tantras are discussed and the Tantric presentation of divinity; the preparation of disciples and the meaning of initiation; symbolism of the mandala-palace Tantric ritual and the twilight language. This section explores the Tantric teachings of the inner Zodiac and the fivefold ritual symbolism of passion. The bibliographical research contains an analysis of the Tantric section of the Kanjur exegesis and a selected Western Bibliography of the Buddhist Tantras with comments.

Time's Arrows Richard Morris,1986-01-07 This volume explores Western views on time from ancient Greece through the Middle Ages, going on to modern scientific concepts, including relativity, biological time, cosmic time, and whether there is a beginning (or an end) to time. Starting with ancient cyclical theories of time, the author moves on to more modern topics such as the theory of linear time, the notion that velocity is a function of time (introduced by Galileo), Newton's mathematical explanations of time, the laws of thermodynamics in relation to time, and the theory of relativity.

**Harivamsha** Bibek Debroy,2016-09-09 A gorgeous, lucid rendering of the majestic conclusion to the Mahabharata As an epilogue to the greatest epic of all time, the Harivamsha further elaborates on the myriad conflicts of dharma and the struggle between good and evil. Stories abound—from the cosmogony of the universe to the legends of the solar and lunar dynasties and even a foreshadowing of kali yuga in the future. At the centre of all these magnificent tales is the mercurial figure of Krishna, whose miraculous life and wondrous exploits are recounted with vivid detail. In offering a glimpse into Krishna's life—as a mischievous child, as an enchanting lover, as a discerning prince—this luminous text sheds light on many questions left unanswered in the Mahabharata. Brimming with battles and miracles, wisdom and heroics, philosophical insight and psychological acuity, Bibek Debroy's splendid translation of the Harivamsha is absolutely essential reading for all those who love the Mahabharata.

**AdawnSpirit Divination** Dawn Louise Ovenden, An introduction to the AdawnSpirit divination card deck and readings.

**The Mahabharata** ,2015-06-01 The Greatest Story Ever Told Dispute over land and kingdom may lie at the heart of this story of war between cousins—the Pandavas and the Kouravas—but the Mahabharata is about conflicts of dharma. These conflicts are immense and various, singular and commonplace. Throughout the epic, characters face them with no clear indications of what is right and what is wrong; there are no absolute answers. Thus every possible human emotion features in the Mahabharata, the reason the epic continues to hold sway over our imagination. In this superb and widely acclaimed translation of the complete Mahabharata, Bibek Debroy takes us on a great journey with incredible ease.

**Hidden meanings of Lalita Sahasranama** Satya Narayana Sarma Rupenaguntla,2018-05-29 Lalitha Sahasra Nama (Thousand Names of Goddess Lalitha) are chanted everyday by the devotees of Divine Mother. There are the most prominent among all the hymns of Devi (God in the form of Mother). Though these names have many hidden meanings, they are basically Tantric in nature, because the sadhana of Sakti (God as energy) is the key factor Tantras. However there are many verses in this hymn that praise the Para Brahman (Supreme One God) of Vedas. The hidden secrets of many disciplines like Astrology, Vedanta, Yoga and Tantra are explained in this book at respective places while commenting on the hidden meanings of these names. There is no such commentary on these verses in recent times which reveals as much as this book does, It is hoped that this book will motivate the readers who are in the path of sadhana to move ahead towards realization of their spiritual practice.

Supreme Lord of the Earth Cheng Gang,2019-11-19 He was born with a crippled meridian, yet he followed the path of an ancient assassin. He concealed himself in the imperial court, making it difficult for the one in power to not dare to act recklessly! The Monarch would not dare to fish in fear! Meat eaters are unable to sleep and eat, and do not dare to harm the common people! In the Vast Expanse Continent, who was the Lord? In the Vast Expanse Continent, who was the Lord? The teenager, Meng Chong, said, The world is in chaos. It's time to intervene!

*The Romance of the Rose* Guillaume (de Lorris),Jean (de Meun),1995-07-23 Many English-speaking readers of the Roman de la rose, the famous dream allegory of the thirteenth century, have come to rely on Charles Dahlberg's elegant and precise translation of the Old French text. His line-by-line rendering in contemporary English is available again, this time in a third edition with an updated critical apparatus. Readers at all levels can continue to deepen their understanding of this rich tale about the Lover and his quest--against the admonishments of Reason and the obstacles set by Jealousy and Resistance--to pluck the fair Rose in the Enchanted Garden. The original introduction by Dahlberg remains an excellent overview of the work, covering such topics as the iconographic significance of the imagery and the use of irony in developing the central theme of love. His new

preface reviews selected scholarship through 1990, which examines, for example, the sources and influences of the work, the two authors, the nature of the allegorical narrative as a genre, the use of first person, and the poem's early reception. The new bibliographic material incorporates that of the earlier editions. The sixty-four miniature illustrations from thirteenth-and fifteenth-century manuscripts are retained, as are the notes keyed to the Langlois edition, on which the translation is based.

Steadfast Sword John A. Mortenson,2018-03-13 It was called the Steadfast sword. In truth it was never really given a name by its creator. It was a weapon fit for the gods, and yet the gods have never seen it. To the gods the Steadfast sword remains a mystery. What vexes the gods most was that there are rumors that humans have found and used the sword. Again the gods were disappointed. All they heard was, "It was here. The hero had used it, but when the task was done, the sword disappeared without a trace. The sword was being sought again by two competing forces. One group was made up of seasoned raiders and lead by the Iron Thegn. The warlord had plans for the sword. He would use its great power to conquer and enslave the world, then he would ascend to the realm of the gods. The other group was an odd paring of a priestess and a hunter. These two seek the sword to protect it. A thousand years have passed since anyone has seen the sword. The only source of information about the sword is a group called the wanderers.
