Nick Vulich, 2014-06-28

They tell you to sell this or that product, or to try this top secret listing method, or to sign up for this course. But, that's all they are - promises. *Sell It Online* is different. It's written by a real eBay Power Seller and Top Rated Seller. One who's been selling on eBay and Amazon for over fifteen years. Most importantly, *Sell It Online* doesn't make any crazy promises that you'll make a million dollars overnight selling on any of these sites. It's not going to happen. It also doesn't tell you that you can make three thousand dollars a month following my method, because those kinds of promises don't make sense. Anyone can make money selling online. But, you aren't going to make a fortune following someone else's plan.
