**The Jumping Fish** Jennifer Wrzosek, The Jumping Fish is a story about a granddaughter's visit with her grandparents in a Mexican Village. Ericka and her grandfather share a special moment talking about how we are all created for a purpose and a time. This conversation focuses on a fish that was in the fisherman's boat and has just died. The story uses the death of the jumping fish to talk about death and the appreciation of life. The book will appeal to an audience of young children (4 years and older) but would best be shared with a caregiver. The book could provide opportunities to have a discussion about feelings that occur when something or someone dies. Ericka realizes that as the fish dies we all will eventually die. Both the fisherman and her grandpa share loving thoughts to help Ericka move through this concept.

Though death is discussed, I believe the main theme is about the appreciation of life; cherishing and making memories with loved ones thus forming strong relationships. An interesting feature of the book is the illustrations and the unique colour background capturing the fun and energy of a Mexican holiday. The images match the story in a very unique way and it was a pleasure working with two very talented artists. We hope that the compassion and love that weaves through the story will touch the hearts of all who read it. Thank you Jennifer, Stephanie, and Chalene.

Tales of Fishing Virgin Seas Zane Grey,1925 Stepping off the deck of his three-masted schooner, the Fisherman, at the end of an unparalleled fishing cruise, Zane Grey set down the record, without an instant's delay, of these adventurous weeks. The result is this book, a narrative of adventure and deep-sea fishing, unique even in the career of this great sportsman. Cruising

in the dangerous, little-known sections of the Pacific around the Galapagos Islands, the party, putting out from the Fisherman in small boats, threw their lines into the waters often alive with man-eating sharks. At other times, under less strenuous conditions, Zane Grey devoted his time to careful observation, and the recording, cataloguing and photographing of strange and little-known game fish. Here, certainly, is a book that every good sportsman will wish to own -- a chronicle of adventure and danger, and sport for sport's sake.

Veiled Horizons Ralph Bandini, 2001-09-26 First published in 1939 by The Derrydale Press, Veiled Horizons offers a collection of anecdotes of fishing for the giants of the sea as well as fish tales many would find difficult to swallow. Writing in the same style as Zane Grey's fishing stories, Ralph Bandini enthralls his readers with breath taking descriptions, narrow escapes and of course, the one that got away.

**Just Here, Doctor** Robert Clifford, 2014-08-28 Just Here, Doctor is the true story of a young country doctor and his patients - a richly entertaining and humorous chronicle of the life of a small West Country community as seen through the eyes of its G.P. Dr Clifford has some marvellous stories to tell: about the home delivery of a cricket fan's baby - in between overs of a

televised Test Match; of the time he rode off on a gigantic horse to attend a hunting casualty - and rode back in an ambulance as the casualty; and the amazing saga of his student rugby tour of France - the craziest, most drunken ever undertaken. Here too, on the more serious side, are moving accounts of the courage of ordinary people in the face of serious, even fatal illness. Teeming with colourful and curious places and characters, Just Here, Doctor is packed with comedy, drama and tragedy, every bit as warm and enthralling as James Herriot's famous stories of a vet's life.

**Fishing Alaska's Wild** Douglas C Myers, 2009-12-07 'Fishing Alaska's Wild' is a wilderness fishing adventure ebook. Each chapter is introduced with a photo taken at the time and location of the writing. A reference link is available for viewing additional photos of the various adventure excursions. Alaskan author Doug C. Myers is a former owner of a sport fishing lodge located in remote Southwest Alaska. Myers writes of his fishing/wildlife adventures on wild rivers of the Bering Sea and Bristol Bay Regions, Kodiak Island, Alaska Peninsula, and less secluded Kenai Peninsula. Detailed attention is given to fishing upper Kenai River reds (sockeye salmon) and Arctic grayling. To read 'Fishing Alaska's Wild' is to take a virtual trip to the fisherman's 'last frontier' - a timeless treasure experienced by a fortunate few. For some it provides the vicarious realization of an elusive dream. Episodes of catching Alaska salmon are included in several chapters - king (chinook), red (sockeye), chum (dog), pink (humpy), and silver (coho) salmon. A saga account

of the salmon's migratory pattern and metamorphic change leading to instinct's spawning ritual is also included. Rainbow trout, Dolly Varden char, northern pike, herring, and halibut are also featured. Included also is time spent with Native friends at their subsistence fish camp on the shoreline of a designated 'wild and scenic' river in Southwest Alaska. From ancient privilege to wildlife observations and encounters to sport fishing highlights, the ebook emphasizes Alaska's greatest resource - the spirit of adventure. The book's contents includes: Katmai Wilderness Drama, Rainbow Reward, Ancient Privilege, Appointment With Kings, Migration Spectacle, Prospecting Silver, Treasured Island Jewel, Wilderness Extravaganza (A River Runs Red), Arctic Splendor, Final Cast Retrieve, and Extending The Journey. You will learn about sport fishing experiences that will more than wet your appetite for your own adventure, whether in Alaska or out your own back door. Recommended: 'Your book was very interesting to read. I have fished Alaska waters for many years. I know from my own fishing that your experiences are well written.' - Larry Connolly, Air Force Retired, Alaska 'Myself and my buddy Jeff loved your book. Thank you!. Someday I hope to visit your land!' - Marque Kelsey - Nature Photographer and Jeff Smith - Screenplay Writer, California
