

Fleming 01

Jim Wright

Casino Royale Ian Fleming, 2017-07-11 JAMES BOND declares war on Le Chiffre, French Communist and paymaster of the Soviet murder organization SMERSH. The battle begins for the ace secret agent in a fifty-million-franc game of baccarat...gains momentum in his fiery love affair with a sensuous lady spy...and reaches a chilling climax with fiendish torture at the hands of a master sadist. The critics give a winning hand to Ian Fleming's superlative thriller of espionage, adventure, intrigue and murder-CASINO ROYALE "Hums with tension...Author Fleming keeps his incidents and characters spinning through their paces like juggling balls."-Time "A speed-breaker for thrills with a big dramatic scene set in a crowded casino." Atlanta Journal Constitution "Excitement enough to intrigue the most hardened reader."-Newark News "Mounting suspense on every page."-Houston Chronicle "It's superlative, everything such a story should be...One can only beg for more from Mr. Fleming."-Pensacola News-Journal

Franklin Thomas Fleming, 2016-09-06 New York Times bestselling historian Thomas Fleming brings his extraordinary biographical talents to bear upon Benjamin Franklin, perhaps the least understood of America's revolutionary giants. For this reappraisal, Fleming concentrates on the mature Franklin, the man who lived nearly thirty years beyond the point where he ended his famous Autobiography. The poor boy, the miserly young printer, has become a decidedly more complex and cultured man. In scene after vivid scene, Fleming shows us how Franklin's unique blend of faith and courage, humor and wisdom presided over the birth of the American nation. Interwoven in this political history is a moving, almost forgotten personal drama - the conflict between Franklin and his son William, the royal governor of New Jersey, the thorough courtier, as Franklin called him. Year by year, we watch the two men drift apart as the quarrel between America and England deepens - yet always reaching across the gulf with words of personal affection. Finally comes the climactic confrontation, when a fully disillusioned Franklin returns from eleven years in England to confront the son for whom independence is a hated word. With him, Franklin brings William's son Temple, educated in England. The bitter political quarrel soon forces father and grandfather to fight for the boy's loyalty. This personalization of history is Thomas Fleming's hallmark. Almost as revealing as the dramatization of Franklin's battle with his son is the chronicle of Franklin's years in England before the Revolution. We see the network of friendships he created, the deep feeling with which he and William visited the ancestral village of Ecton, the fascinating blend of emotion and reason in his crucial testimony before Parliament at the height of the Stamp Act furor in 1766. Then we see this innate passion for England slowly fade during the next eight years as Franklin struggles to defend America from Parliament's greedy prejudice and - another forgotten story - simultaneously to establish a fourteenth colony on the Ohio. As always, Fleming combines colorful anecdote and shrewd analysis of men and motives. And Franklin being Franklin, there is also the constant spice of humor. We see him stopping at a country inn and emptying the chairs by the fire by booming: Boy, get my horse a quart of oysters. Solemnly, he informs historian Edward Gibbon that he would provide him with ample materials on the decline and fall of the British Empire. The war won, he cheerfully assures English friends that their only hope now was to dissolve Parliament for good and send delegates to Congress. We see him using humor to cope with the egotism and paranoia of other Americans in Paris. Finally, we witness him as mon cher papa, the friend and aspiring lover of two beautiful French women, wooing them with the wittiest essays ever written by a seventy-six-year-old suitor. But in all the byplay, personal and political, one theme dominates: Franklin's dedication to America - a commitment that transcended all others in his life and inspired him to dare the political lightning. It is what makes this book important reading now and in the future.

The Real James Bond Jim Wright, 2020 An illustrated biography of the ornithologist James Bond, the author of the book *Birds of the West Indies* and the namesake of Ian Fleming's fictional British spy.

Ferne Fleming Catherine Ann Warfield, 1877

First Woman: Joanne Simpson and the Tropical Atmosphere James Rodger Fleming, 2020-06-15 Clouds are the spark plugs in the heat engine of the tropical atmosphere, and heat from the tropics drives the planet's general circulation. Atmospheric scientists didn't know this in the 1950s, but Joanne Simpson, the first American woman to earn a Ph.D. in meteorology, did. Most histories of meteorology focus on polar and temperate regions and the accomplishments of male scientists. They marginalize or erase completely the contributions of female researchers. Joanne's work on the tropical atmosphere did not fit this pattern. Joanne had a lifelong passion for clouds and severe storms. She flew into and above them, photographed them, modeled them, attempted to modify them, and studied them from all angles. She held two university professorships, married three times, had two lovers (one secret), mentored a generation of meteorologists, and blazed a trail for other women to follow. This book is about Joanne's personal and professional life, her career prospects as a woman in science, and her relationship to the tropical atmosphere. These multifaceted and interacting textual streams constitute a braided narrative and form a complex dynamic system that displays surprising emergent properties. Is Joanne Simpson best remembered as a pioneer woman scientist or the best tropical scientist of her generation? She was both, with the emphasis on best scientist.

Benjamin Franklin Thomas J. Fleming, 1973

Benjamin Franklin in Paris Thomas Fleming, 2017-06-28 Seventy-year-old Benjamin Franklin charmed Paris and pulled off a diplomatic miracle that led to the British defeat in the American Revolution. Here, in this essay from New York Times bestselling author Thomas Fleming is the little-told story.

Heart of the Storm Col. Edward L. Fleming,2004-04-01 Advance praise for Heart of the Storm Col. Ed Fleming tells a story of true heroism about the constant dangers faced by the pilots and crews who fly the most versatile-and vulnerable-aircraft in the skies today.-John Glenn, former U.S. senator, astronaut, and bestselling author of John Glenn: A Memoir To risk your life to save a stranger is the highest mark of a human being. Ed Fleming is such a man, and this book is a great read.-Dr. Jerri Nielsen, author of the #1 New York Times bestselling Ice Bound Filled with suspense and emotion, Heart of the Storm reads like a thriller--but it's all true. Ed Fleming has led a dramatic and interesting life, and this book portrays it in living color.-Robert K. Tanenbaum, New York Times bestselling author of Resolved and Absolute Rage
