The Rise of the Human Androids Malcolm P. Chester, 2010 A dying war hero is miraculously healed by the advanced technology of an alien who merges with him to save his own life. Together they along with an equally old android build a whole new country in the Solar System outside of Earth. To build their new country they must fight assassins hired by shadowy groups and Earth governments who want the advanced technology of the alien race to which the android and alien belong. While fighting this battle, they must also prepare for a war against their own alien race which wants information and crystals taken by the alien now merged with our hero. The outcome of these battles depends on the newly created human androids, who struggle to find their identity while fighting to save themselves and mankind.

**Campus Flirt** Jennifer Sucevic, 2022-02-13 From USA Today bestselling author Jennifer Sucevic comes a short, sexy story in the Campus Series. Know what the problem is with crushing on your best friend? That there's not a damn thing you can do about it. Especially if you don't want to blow up your entire relationship. Easton is the guy I turn to when I need...well, just about everything. And what I've learned over the years is that friendship is more difficult to come by than hookups and boyfriends. Plus, it's not like he sees me as anything other than his soccer playing gal pal. The one he used to sneak out of the house with when we were teenagers. But we're not kids any more. At the end of this year, we'll graduate and go our separate ways. Why that thought fills me with sadness, I don't know. Actually, I do. And that's the problem. So, when my roommate suggests going out with her hot, hockey playing cousin, it seems like the perfect opportunity to move on from this crush. According to her—and I quote—the best way to get over one guy is to get under— I'm pretty sure you know how the saying goes. \*Campus Flirt is a short novella (20,000 words) that was originally published in the Let's Play anthology\* ---- “This book is just right when I needed a smile” -Tracy, GoodReads “An amazing ending that will have you wanting to read the story all over again, because it is that incredible” -Brittany, GoodReads “The storyline between Easton and Sasha is a HEA that I needed right now” -Lori, GoodReads “Best friends to lovers... *Growing Strong* BL Dayhoff,2016-05-11 A chance—and embarrassing—encounter brings Hunter and Chase together, but it's patience and kindness that keep them there. Through a slow-blossoming friendship and a series of misunderstandings, Hunter finds himself fighting an attraction he thinks isn't returned. But with the help of his roommate, Tony, he may just be able to make the leap and confess his feelings. But love isn't Hunter's only concern. With Chase by his side, it's going to take strength for Hunter to stand up for himself and to hold on to what really matters.
