Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and

that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*The Lincoln Highway* Amor Towles, 2023-03-21 #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year “Wise and wildly entertaining . . . permeated with light, wit, youth.” —The New York Times Book Review “A classic that we will read for years to come.” —Jenna Bush Hager, Read with Jenna book club “Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope.” —Bill Gates “A real joyride . . . elegantly constructed and compulsively readable.” —NPR The bestselling author of A

Gentleman in Moscow and Rules of Civility and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America. In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick

pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including The Iliad, The Odyssey, Hamlet, Huckleberry Finn, and Of Mice and Men. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel."

– Bill Gates

**When Heroes Fall: An Enemies-to-Lovers Mafia Romance** Giana Darling, 2021-06-02 From Wall Street Journal bestselling author Giana Darling comes an enemies to lovers, forbidden romance between an ice cold lawyer and her infamous mafioso client who is on trial for murder... I am the villain of my own story... Jilted by my fiancé. A disappointment to my family. Haunted by my childhood traumas. I felt so much all my life that I resolved to feeling nothing at all. Until I met my match. As the most infamous mafioso of the 21st century, Dante Salvatore was madly passionate, unequivocally bad, and entirely too dangerous to know. He was everything I abhorred, yet I found myself representing him

in the biggest criminal trial of the decade. I was so focused on winning and achieving the success I deserved that I didn't notice the gorgeous black-eyed man's effect on me until it was too late. My icy heart had been held too close to his flame and now I wouldn't let Dante go down without fighting with everything I had in me. Even if the cost of a new life with him meant the loss of my old life and everything I thought I held dear. \*Book One in the Anti-Heroes in Love Duet.\*

**The Particulars of Peter Kelly Conaboy**, 2020-12-08 This might be one of the month's, if not the year's, sweetest books – zaniest, too.” □The Washington Post A hilarious addition to the dogoir canon.” □People Perhaps the greatest love story ever told.” □Refinery29 The feel-good book the world needs. –PopSugar From one of the Internet's most original voices, a hilarious journey through the odd corners of obsessive dog ownership and the author's own infatuation with her perfect dog

Peter. The author met Peter in the spring of 2017. He -- calm, puppy-eyed, with the heart of a poet and the soul of, also, a poet -- came to her first as a foster. He was unable to stay with his previously assigned foster for reasons that are none of your business, but which we will tell you were related to frequent urination. The rescue needed someone free of the sort of responsibilities that would force her to regularly leave the house for either work or socializing, and a writer was the natural choice. Thus began a love story for the ages. *The Particulars of Peter* is a funny exploration of the joy found in loving a dog so much it makes you feel like you're going to combust, and the author's potentially codependent relationship with her own sweet dog, Peter. Readers will follow Peter and his owner to Woofstock, the largest outdoor festival for dogs in North America, and accompany them to lessons in Canine Freestyle, a sport where dogs perform a routine set to music, creating the illusion that they're dancing with their owners. From learning about Peter's DNA, to seeing if dogs can sense the presence of ghosts, *The Particulars of Peter* will give readers a smart, entertaining respite from the harsh world of humans into the funny little world of dogs. Readers will accompany this lovable duo through exciting

trips, lessons, quiet moments of connection, and probably a failure or two. By fusing memoir and infotainment, *The Particulars of Peter* promises to refresh the perennially popular dog lit category in a scrumptiously bighearted barnstormer of a book.

What is supposed to be a fun, family bonding experience across Route 66 turns into a war of pranks, awkward moments and bathrooms full of dirty flannel shirts and day old beard clippings. Paul's know-it-all attitude and Porter's devilish charm brings me to the brink of my sanity on my seven day trek across the United States with three bearded men in a small 1980's RV

**Outcasts** Natalie Bennett, 2018-05-08 \*Grimm\* Pariah. Dark Messiah. Harbinger of death. My reputation has always preceded me. I'm a brother to the queen of the Badlands. I'm one of the few confidants to her fiancé-the devil himself. And those whispered rumors that I'm a silent killer, a true harvester of souls? They're true. People never see me coming. I don't discriminate, I show no mercy,

and I feel no remorse. My only loyalty is to my family and when someone important to them goes missing, I vow to do whatever is necessary to track her down and bring her back. But the person I find is not the same woman who was stolen away. Something's different about her. Something I find myself drawn to as we fight our way back to hell. \*Arlen\* Stubborn. Reckless. Original family disappointment. My reputation has never preceded me. I'm supposed to be this spoiled, rich b\*tch who does everything her daddy tells her. I was forbidden to even think about the Badlands. But money means nothin to me and my paradise was a pretty cage I refused to be trapped in. I fought my way out, I found a new family, and even though sh\*t got tough sometimes it all worked out in the end. And then I got kidnapped. I thought it was over for me. I almost broke. I should have known he would never let that happen. And I should have realized something inside me had shifted. Maybe then I'd have seen the signs that I was falling for an irredeemable man. A man who taught me that there was power in taking away a life. A man who showed me just how beautiful hell truly was. It's only fair I warn you that this is not a story about a rescued damsel in distress. This is a story about what happens when a man who

collects souls finally meets his match. \*Outcasts is the 3rd book in the Badlands series. This book can be read as a standalone but I recommend starting Savages & Deviants first.\*

**Not Funny** Jena Friedman, 2024-05-07 Friedman's debut collection, **Not Funny**, takes on the third

rails of modern life in Jena's bold and subversive style, with essays that explore cancel culture, sexism, work, celebrity worship, and...dead baby jokes. In a moment where women's rights are being rolled back, fascism is on the rise, and so many of us could use a breather as we struggle to get by, Jena applies her unique gifts to pull a laugh from things deemed too raw, too precious, and too scary to joke about. She shares her stories of taking on those who told her she was too brash, too edgy, and too unlikable to make it. She deftly dissects how we get coerced into silence on the issues that matter most, until they've gone too far afield to be turned back around again. And she shares her struggles to make it (-ish) in a world that, more often than not, would rather tune out than listen to a woman confronting the indignities we've been told to bear.--Dust jacket flap.
