

Florida Keys Real Estate Oid212054091119

David Cusic,Ryan Mettling,Jane Somers

Own a Piece of Paradise In the Florida Keys David Meade, Anne Meade, 2015-12-15 The Keys real estate market has become a hot contender as one of the most valuable markets to invest in, particularly since the world's stock markets have started to become so volatile these days. All in all, if you have money and are looking to invest it in real estate, look no further than the Florida Keys. The time is right. The benefits of real estate are many, and one of the most highly valued areas for people to invest in real estate is in the Florida Keys. The Florida Keys has gained a reputation as a solid and dependable market. Even during 2009 when a lot of markets saw their value drop, the Florida Keys remained strong and thus attracted a great deal of investors. It was the Florida Keys' solidity during this period of financial turmoil that brought it to the attention of investors who were desperate for a way to keep the cash flowing. Hotels in the island chain have seen their revenue per available room returns steadily increase. For example, during the general economic downturn in 2009, the Keys proved their resilience by recording only a nominal decline in this rate at 6.3 percent whereas nationally the average reached a 17.4 percent decline. Real Estate Investment Trusts (REITs) from around the country have recently closed deals in the \$90 million to \$184 million range for acquisition of prime Keys properties. Now the purpose of this book is to introduce the individual investor to the Keys. I make note of REIT investment in the Keys only to illustrate a point—it's an extremely robust market. The key to investment is diversification. If you have capital to invest, and you need a primary home, a second market home to generate rental income, or if you're looking to establish an investment base, look no further than the Florida Keys! In the Keys you can buy everything from a one-bedroom condominium to your own spectacular private island, equipped with a state-of-the-art solar system for self-sufficient living. You can buy a town home, a duplex, a corporate retreat, a single family home or a luxury estate. Spend some time in the Keys and rent a houseboat, a vacation rental or a house while you're looking. The Florida Keys are very popular for Europeans, South Americans and Canadians seeking a real estate haven. You can purchase a residence for cash, or for 20-30% down and finance the balance. The Florida Keys has great popularity as a tourist destination. It is the southernmost part of the United States, which means that it stays warm all year round! This gives it a universal, perennial appeal, as people can visit it during the winter months and enjoy the pleasant weather. The lack of a seasonality factor makes the Florida Keys a superior market to most other markets where tourism is the main source of profit. The Keys are a 126-mile long chain of 1,700 islands. This year alone, almost three million people are expected to visit. If you're looking for stunning beauty, look no further. The Keys are the only subtropical part of the United States. The Florida Keys has become an incredibly profitable real estate market. Increasing high demand for vacation rentals and home rentals has resulted in one of the most lucrative markets that one can possibly plan to invest in. Rental occupancy rates in the Keys are among the highest in the world. This book, written by a couple with expertise in real estate and business valuations, can show you how to own a piece of paradise!

Florida Real Estate Exam Manual George Gaines, David S. Coleman, Linda L. Crawford, 2003-11-12 Updated annually, in conjunction with Florida Real Estate Principles, Practices and Law, this exam manual provides Florida real estate students with more than 600 questions for critical exam prep. Key concept outlines, key terms, practice exams and rationales for all answers are included.

Florida Real Estate Exam Manual Linda L. Crawford, George Gaines, 2004-11-25

Buying a Home in Florida David Hampshire, 2002 Buying a home in Florida is essential reading for anyone planning to buy a home in Florida and is designed to guide you through the jungle (and swamps) and make it a pleasant and enjoyable experience. Most

importantly, it is packed with vital information to help you avoid the sort of disasters that can turn your dream home into a nightmare! Book jacket.

Florida Real Estate License Exam Prep: All-in-One Review and Testing to Pass Florida's Real Estate Exam David Cusic, Ryan Mettling, Jane Somers, 2017-12-11 Features of Florida Real Estate License Exam Prep (FL-RELEP): Florida Practices & Law Key Point Review in the same 19 sections as the FREC 1 prelicense course (70 pages) Real Estate Math Key Formula Review & Practice (20 pages) 16 Practice Tests covering Florida and National Content (575 questions with explanations) Florida License Exam Simulation (100 questions with explanations) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the Florida Real Estate License Exam Prep (FL-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works - or fails to work. First, FL-RELEP is comprehensive. It contains both extensive content review as well as testing practice. And the text review, unlike most competing books, is Florida-specific - not just simplistic national content, but terse, relevant and accurate state and national laws and regulations presented as a set of 'key point reviews' ideal for pre-test memorization. FL-RELEP precisely follows the official 50+ page Florida syllabus topic by topic in the correct ordered sequence. Consequently, the material serves as a more user-friendly review for students who have taken pre-license courses throughout Florida containing this required content and organization. FL-RELEP's national key point reviews are a succinct compression of tested national principles and practices drawn from our own national textbook, Principles of Real Estate Practice - one of the most widely used principles textbooks in the country. Finally, our review content and question selection is tailored to follow the state testing outline promulgated by the state of Florida. As such, the breadth and depth of the law reviews and test questions reflect the topic emphasis of Florida's license exam. A word about the tests. The FL-RELEP's test questions are designed to cover the content covered by the law reviews - which reinforces your learning of the total body of information tested by the state of Florida. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass the Florida state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Florida exam. So good luck!!
