

Florida Police Buddy

Brendan G. Carr

Buddy Boys Mike McAlary, 2015-09-29 A shocking true story of corruption and crime in the ranks of the NYPD in the worst police scandal since the revelations of Fred Serpico In the 1970s, New York City's 77th Precinct was known as "the Alamo." In Bedford-Stuyvesant and Crown Heights, Brooklyn-neighborhoods notorious for drugs and violent crime-some of the worst criminals wore police uniforms and carried badges. Henry Winter was a good cop when he first entered the infamous 77th station house that was already infamous as a home to the dregs of the NYPD. Before long, he and fellow officer Anthony Magno found themselves deeply entrenched in the Alamo's culture of extortion, lies, corruption, and crime-and they were regularly supplementing their incomes by ripping off thieves, drug dealers, junkies, and honest citizens alike. But the gravy train couldn't stay on the rails forever. Winter and Magno were caught and faced a devastating choice: They could betray their crooked friends and colleagues by helping investigators expose the rot that festered at the Alamo's core-or spend the next several years behind bars. In *Buddy Boys*, Pulitzer Prize-winning investigative journalist Mike McAlary blows the doors off 1 of the worst scandals ever to taint New York's uniformed guardians, the men and women sworn to protect and serve the populace. Blistering, shocking, and powerful, it's a frightening look inside the NYPD and an eye-opening exploration of the daily temptations that can seduce a good cop over to the dark side.

The Peace Officer's Companion J. Leith Harrell, 2011-02-18 Police work isn't for everyone. Those who choose to answer the call seldom realize what they are getting themselves into. They're drawn to the excitement, the pursuit of justice, and the thrill of the chase. Once in uniform, they are confronted by the worst humanity has to offer, departments that seem designed to frustrate rather than support their officers, and friends and family incapable of understanding what they're going through. Being a cop is an incredibly rewarding way of life, but only if you can keep your head straight. This book aims to help you do just that. Inside you'll find 365 inspirational passages from history's greats. Each passage is accompanied by modern analysis from a street cops perspective. It's nothing fancy, just frank observations honed over almost two decades of working the road. Whether you are considering a career in police work, or if you are already on the job, this book is for you. Read one passage per day as part of your beginning of shift ritual or devour it whole in one sitting. Either way, you'll enjoy the advice of some of the greatest minds and most accomplished people in history as you find your own answers to the jobs most pressing challenges.

K C on the Boulevard Mark Hussey, 2017-02-07 KC on the Boulevard is a raucous trip down a very bumpy memory lane. How law enforcement used to be fun for the cops, and dangerous for the bad guys. The book is fictional, based on real life stories as told by former Lakeland Florida Police Officer, Mark Hussey. The author is a 36 year veteran of law enforcement, serving with several police agencies in the southern United States as well as the U.S. Army's Military Police.

New Blue John D. Drake, Kevin C. Kozak, 2020-12-16 From an early age, Jeremiah Krone had a strong sense of right and wrong and of justice. In the fifth grade, he stood up against, Buzz, the class bully. When Krone graduates from high school, he applies to the police academy, is accepted, and graduates. But his first call as a young police officer fresh out of the academy is a shock. And it's what's missing that holds the answers to the crime. Thrust into the world of police work, Krone navigates his way through his rookie year. He balances a budding love relationship with his drive to succeed as an officer in this coming-of-age tale. Praise for *New Blue* "Author John Drake has done it again. This time, a novel of a young police officer learning the ropes of his trade in a beach town in North Florida. The wacky escapades cops see in the course of duty is material enough for a book. With an enjoyable writing style, the authors introduce youthful innocence to the mix and masterfully produce a compelling story. I hope we see more of young Officer Jerry." -James H.K. Bruner, Author, the Bike Cop Trilogy "Provides a realistic introduction to young people considering police work. A true rookie-eye view, from getting chewed out and nearly washed out, to persevering and succeeding. The path this new blue takes is honest and believable; it effectively shows the diverse nature of this amazing job." -Chief James T. Hurley, Fernandina Beach (Florida) Police Department

A Cop Story Donahue B. Silvis, 2017-06-06 Frankie and Phil Fasino and Carlo Cardoni grew up together in a poor Italian neighborhood in Newark, New Jersey, during the Depression and World War II. Times were bad, and for them stealing was a way of life. The brothers, Frankie and Phil, end up working for the Mafia, while their childhood friend Carlo joins the Army Air Force. While Carlo is in the military, the brothers become wise guys and unscrupulous businessmen. After four years of service, Carlo pursues life as a police officer to get away from the criminal element of his old buddies, or so he thought. However, using the problems within his everyday life as an excuse, Carlo accepts favors from his past friends and their capo regime. Favors that he knows must someday be repaid. His old buddies Frankie and Phil continually try to talk him into leaving the New Jersey police force and joining them, but he is committed to his wife and children and being a police officer. Once again, he tries to get away from their influence. He moves to California and joins the Los Angeles police force. But a few years later his friends move their criminal activities to San Diego. Carlo learns they are there and again begins accepting favors from them. The time comes for Carlo to honor his commitment. His friend Frankie informs him of how the Family expects him to repay their favors. Carlo knows he must do as asked and agrees to participate in the proposed crime. But things go awry, and he's caught by the police and ends up in jail. The judge is paid off by the capo regime, and Carlo goes free. Now he is faced with a major decision and decides to join the Family.

Murder of the Horse Trainer's Rival: The Bitter Breakup of Buddy Jacobson and the Model (A Historical True Crime Short) R. Barri Flowers, From R. Barri Flowers, award-winning criminologist and the bestselling author of *Murdered by the King of Western Swing*, *Murder at the Pencil Factory*, *Murder of the Doctor's Wife*, and *Murder During the Chicago World's Fair*, comes the riveting historical true crime short, *Murder of the Horse Trainer's Rival: The Bitter Breakup of Buddy Jacobson and the Model*. On August 6, 1978, firefighters discovered the charred remains of a body inside a wooden crate, set ablaze in an empty lot in the Bronx, New York. The male decedent had been worked over, stabbed, and shot multiple times. The victim was identified as John "Jack" Tupper, a restaurateur, age thirty-four. His killer turned out to be forty-eight-year-old Howard "Buddy" Jacobson, who at one time was the country's leading Thoroughbred horse trainer. The shocking act of violence was the result of a classic love triangle turned deadly. The woman caught between the two men was an attractive twenty-three-year-old fashion model and cover girl named Melanie Cain, who had recently started living with Tupper in his 84th Street penthouse apartment on the Upper East Side of Manhattan. She had previously lived in the adjoining suite with Jacobson for a number of years before moving out. After being convicted of Tupper's murder in 1980, Buddy Jacobson made a daring escape from custody, fleeing across the country to California with his new girlfriend, a twenty-two-year-old model named Audrey Barrett. The convicted murderer stayed on the lamb for several weeks before being captured to carry out his sentence for the death of Jack Tupper. The stunning tale of Jacobson's meteoric rise and fall in horse training, and subsequent romantic involvement with someone less than half his age ending up in a tragic crime of passion, had all the makings of an ill-fated contemporary melodrama, except that it occurred on a real-life stage as a sad true event. Bonus material includes a complete and gripping historical true crime short, *Murder of the Banker's Daughter: The Killing of Marion Parker*, and excerpts from the author's bestselling true crime anthologies, *Murder Chronicles: A Collection of Chilling True Crime Tales*, and *The Dreadful Acts of Jack the Ripper and Other True Tales of Serial Murder and Prostitutes*.

The Crime Analyst's Companion Matthew Bland, Barak Ariel, Natalie Ridgeon, 2022-04-27 This volume presents a collection of essays from experienced crime analysts from around the world. It explores themes relevant to anyone embarking on, or already into a career in crime analysis. Divided into two sections, this book addresses

technical issues central to the profession, from collection of data to presenting findings to reluctant audiences. It incorporates a collection of methodological case studies, demonstrating the ways analysis has made a meaningful difference to policing and security. This volume is intended for scholars who study and work with crime analysts, the global community of undergraduate and graduate students who may take one of these roles in the future, and law enforcement.

Pensacola's Finest Mike Simmons,2021-05-04 As he was fleeing Florida westward toward the Alabama line, the demons in Ted Bundy took control once again. After a daring escape and an effort to start living a normal life in Tallahassee, Ted had murdered two Florida State co-eds and 12-year-old Kimberly Leach. Maybe if he could get away this time, he could start fresh. But it was not to be. The evilness came on him. The monster came out and he had to feed it. He drove into Pensacola and scouted around, looking for his next victim. This and other exciting stories, the police chiefs and stations, the firsts, spotlights, and the story of the Pensacola police department are contained within the pages of this fascinating book!

All Boys Aren't Blue George M. Johnson,2020-04-28 In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson's All Boys Aren't Blue explores his childhood, adolescence, and college years in New Jersey and Virginia. A New York Times Bestseller! Good Morning America, NBC Nightly News, Today Show, and MSNBC feature stories From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys. Both a primer for teens eager to be allies as well as a reassuring testimony for young queer men of color, All Boys Aren't Blue covers topics such as gender identity, toxic masculinity, brotherhood, family, structural marginalization, consent, and Black joy. Johnson's emotionally frank style of writing will appeal directly to young adults. Beat Buddy Vincent Gerrard,2017-08 .

Cold Case Squad Edna Buchanan,2004-06-15 Like all things good and bad in the world, it began with a woman... And so begins the first chapter of Edna Buchanan's Cold Case Squad, a new suspense novel that features a special homicide unit that breathes new life into old cases. A man and a woman are shot dead at a strip club in Miami Beach. A few hours later, an explosion in a garage rocks a child's birthday party and burns a father of three to death. The murders go unsolved and the fire is chalked up to an accident. But was it an accident? Twelve years later, a blonde walks in to the Miami Police Department's Cold Case Squad -- which Buchanan fans will remember from The Ice Maiden -- and complains that she's been seeing her husband everywhere she goes. Trouble is, he's been dead for twelve years. In Buchanan's characteristic voice, Some guys just don't know when to let go. As the Cold Case Squad unearths the details of the strip club deaths and the dead or missing father -- as well as the unsolved killings of a series of little old ladies -- readers get to know the three cops and their boss: veteran homicide detective Sergeant Craig Burch, whose marriage has turned into a case he can't solve; Detective Sam Stone, for whom the past will always be a mystery; Detective Pete Nazario, airlifted out of Cuba during Operation Pedro Pan in the 1960s; and Lieutenant K. C. Riley, for whom one case will never grow cold. Edna Buchanan has been thrilling readers since her Pulitzer Prize-winning stint as a crime reporter for The Miami Herald. The Chicago Tribune once raved that few writers can touch Buchanan, to which The Washington Post Book World seemed to respond, I doubt if anyone else is doing it better. In Cold Case Squad, Edna Buchanan, the woman the Los Angeles Daily News calls the Queen of crime, delivers unlikely killers, near-perfect murders, and her most suspenseful novel yet.

A Practical Companion to the Constitution Jethro K. Lieberman,1999-03-10 Updated and expanded ed. of Evolving Constitution.

Enhancing Police Integrity Carl B. Klockars,Sanja Kutnjak Ivkovich,M.R. Haberfeld,2007-04-27 How can we enhance police integrity? After surveying more than 3,000 police officers on how they would respond, the authors went on to study three police agencies which scored highly. The authors conclude that effective administration focuses on organizational rulemaking; detecting, investigating and disciplining rule violations; circumscribing the code of silence that prohibits police from reporting the misconduct of their colleagues; and understanding the influence of public expectations and agency history.

Criminal & Social Justice Basics Kai Kafferly,

The Oxford companion to the Supreme Court of the United States ,

The Oxford Companion to the Supreme Court of the United States Kermit L. Hall,2005-05-19 The Supreme Court has continued to write constitutional history over the thirteen years since publication of the highly acclaimed first edition of The Oxford Companion to the Supreme Court. Two new justices have joined the high court, more than 800 cases have been decided, and a good deal of new scholarship has appeared on many of the topics treated in the Companion. Chief Justice William H. Rehnquist presided over the impeachment trial of President Bill Clinton, and the Court as a whole played a decisive and controversial role in the outcome of the 2000 presidential election. Under Rehnquist's leadership, a bare majority of the justices have rewritten significant areas of the law dealing with federalism, sovereign immunity, and the commerce power. This new edition includes new entries on key cases and fully updated treatment of crucial areas of constitutional law, such as abortion, freedom of religion, school desegregation, freedom of speech, voting rights, military tribunals, and the rights of the accused. These developments make the second edition of this accessible and authoritative guide essential for judges, lawyers, academics, journalists, and anyone interested in the impact of the Court's decisions on American society.

A Critical Companion to Sofia Coppola Naaman Wood,Christopher Booth,2022-08-31 This volume offers eight interdisciplinary readings to the films of Sofia Coppola, analyzing her oeuvre with a focus on her treatment of masculinity, sexual politics, bodies, and love.

The Routledge Companion to Intersectionalities Jennifer C. Nash,Samantha Pinto,2023-02-28 The Routledge Companion to Intersectionalities is a dynamic reference source to the key contemporary analytic in feminist thought: intersectionality. Comprising over 50 chapters by a diverse, international, and interdisciplinary team of contributors, the Companion is divided into nine parts: Retracing intersectional genealogies Intersectional methods and (inter)disciplinarity Intersectionality's travels Intersectional borderwork Trans* intersectionalities Disability and intersectional embodiment Intersectional science and data studies Popular culture at the intersections Rethinking intersectional justice This accessibly written collection is essential reading for students, teachers, and researchers working in women's and gender studies, sexuality studies, African American studies, sociology, politics, and other related subjects from across the humanities and social sciences.

The Beatles In America 1964 Jason Richards, A Fun and Fascinating Look at When The Beatles Came to America. Yeah, Yeah, Yeah! “I think one of the cheekiest things we ever did was to say to Brian Epstein, ‘We’re not going to America until we’ve got a Number One record.’” – Paul McCartney On February 7, 1964, Pan Am Yankee Clipper flight 101 from London landed at John F. Kennedy International Airport in New York City—and The Beatles had arrived in America. Just six days earlier, ‘I Want To Hold Your Hand’ had become the Number 1 song in the country, having already sold more than a million copies nationwide. Two days later a record-breaking 73 million Americans tuned in to watch The Beatles perform on The Ed Sullivan Show. The Fab Four would follow that up by electrifying a crowd in Washington, DC with their first concert in the United States. Beatlemania truly had arrived, and it would only get bigger. In August 1964, The Beatles would make a triumphant return for their first

North American concert tour. In just 33 days, The Beatles would sell an unprecedented number of tickets, earn more than any musical performers had before them, and establish their place in music history. THE BEATLES In America 1964 is a magical mystery tour filled with fascinating stories, first-hand accounts, and in-depth coverage of John, Paul, George, and Ringo throughout their 1964 visits to America. Take a step back through the mists of time and experience The Beatles in America like you never have before.

The Oxford Companion to American Law Kermit L. Hall,David S. Clark,James W. Ely,Joel B. Grossman,N. E. H. Hull,2002-05-02 A landmark in legal publishing, The Oxford Companion to the Supreme Court is a now classic text many of whose entries are regularly cited by scholars as the definitive statement on any particular subject. In the tradition of that work, editor in chief Kermit L. Hall offers up The Oxford Companion to American Law, a one-volume, A-Z encyclopedia that covers topics ranging from aging and the law, wiretapping and electronic eavesdropping, the Salem Witch Trials and Plessy vs. Ferguson. The Companion takes as its starting point the insight that law is embedded in society, and that to understand American law one must necessarily ask questions about the relationship between it and the social order, now and in the past. The volume assumes that American law, in all its richness and complexity, cannot be understood in isolation, as simply the business of the Supreme Court, or as a list of common law doctrines. Hence, the volume takes seriously issues involving laws role in structuring decisions about governance, the significance of state and local law and legal institutions, and the place of American law in a comparative international perspective. Nearly 500 entries are included, written by over 300 expert contributors. Intended for the working lawyer or judge, the high school student working on a term paper, or the general adult reader interested in the topic, the Companion is the authoritative reference work on the subject of American law.

Whispering the Strategies of Language: An Mental Quest through **Florida Police Buddy**

In a digitally-driven world where monitors reign great and immediate conversation drowns out the subtleties of language, the profound strategies and emotional nuances hidden within phrases often go unheard. Yet, set within the pages of **Florida Police Buddy** a charming literary value pulsating with organic thoughts, lies a fantastic quest waiting to be undertaken. Composed by a talented wordsmith, that marvelous opus encourages visitors on an introspective trip, delicately unraveling the veiled truths and profound impact resonating within the very cloth of every word. Within the emotional depths of the poignant review, we can embark upon a sincere exploration of the book is key subjects, dissect their charming writing design, and succumb to the effective resonance it evokes strong within the recesses of readers hearts.
