Silk and Cotton Susan Meller,2018-12-15 The traditional textiles of Central Asia are unknown treasures. Straddling the legendary Silk Road, this vast region stretches from Russia in the west to China in the east. Whether nomadic or sedentary, its peoples created textiles for every aspect of their way of life, from ceremonial objects marking rites of passage, to everyday garments, to practical items for the home. There were suzanis for the marriage bed; prayer mats; patchwork quilts; bridal ensembles; bags for tea, scissors, and mirrors; lovingly embroidered hats and bibs; and robes of every color and pattern. Author Susan Meller has spent years assembling the 590 textiles illustrated in this book. She documents their history, use, and meaning through archival photographs and fascinating travelers' narratives spanning many centuries. Her book will be a revelation to designers, collectors, students of Central Asia, and travelers to the region. *Silk and Cotton* is destined to become a classic.

The Wallpaper Book Genevieve Brunet,2012-05-15 A wealth of design inspiration for any home: wallpaper styles to suite every taste, from nostalgic floral prints to playful retro revivals. While it has long been an essential element of interior decor, wallpaper is currently experiencing a creative boom. This everyday material has always reflected social shifts as well as changing fashions, and now designers everywhere are rediscovering its versatility, using it to achieve a variety of imaginative effects. It can add texture, warmth, wit, or personality to any space, becoming a tranquil backdrop or a striking conversation piece. A room may be papered with a profusion of patterns, or a wallpaper mural can make a bold statement, even blurring the boundaries between design and art installation. This book explores the art of wallpaper from its historical beginnings to the present day. Beginning with the handcrafted papiers peints of the eighteenth century through the Arts and Crafts movement, modernism, and Pop art, it traces the influences behind today’s popular motifs and showcases a dazzling selection of the very best in contemporary wallpaper. Some designers are reviving and reinventing traditional craft techniques while others embrace the latest in digital printing technology, even incorporating glow-in-the-dark effects or LED lights.

Playing Dead Julia Heaberlin,2012-05-29 “A compelling family mystery that kept me turning the pages. Highly recommended.”—Margaret Maron, New York Times bestselling author of *Three Day Town* “Dear Tommie: Have you ever wondered about who you are?” The letter that turns Tommie McCloud’s world upside down arrives from a stranger only days after her father’s death. The woman who wrote it claims that Tommie is her daughter—and that she was kidnapped as a baby thirty-one years ago. Tommie wants to believe it’s all a hoax, but suddenly a girl who grew up on a Texas ranch finds herself linked to a horrific past: the slaughter of a family in Chicago, the murder of an Oklahoma beauty queen, and the kidnapping of a little girl named Adriana. Tommie races along a twisting, nightmarish path while an unseen stalker is determined to keep old secrets locked inside the dementia-battered brain of the woman who Tommie always thought was her real mother. With everything she has ever believed in question, and no one she can trust, Tommie must discover

the truth about the girl who vanished—and the very real threats that still remain. “[Julia Heaberlin’s] voice is pitch perfect, and her story of one woman’s fierce struggle to reconcile her past with her present is gripping and powerful. An outstanding debut.”—Carla Buckley, author of *Invisible Catalog of Copyright Entries, Fourth Series* Library of Congress. Copyright Office,1980

Motion Picture Herald ,1957-10

Housekeeping Marilynne Robinson,2015-11-03 The story of Ruth and her

younger sister, Lucille, who grow up haphazardly, first under the care of their competent grandmother, then of two comically bumbling great-aunts, and finally of Sylvie, the eccentric and remote sister of their dead mother. The family house is in the small town of Fingerbone on a glacial lake in the Far West, the same lake where their grandfather died in a spectacular train wreck and their mother drove off a cliff to her death. It is a town chastened by an outsized landscape and extravagant weather, and chastened again by an awareness that the whole of human history had occurred elsewhere. Ruth and Lucille's struggle toward adulthood beautifully illuminates the price of loss and survival, and the dangerous and deep undertow of transience.--

The Yellow Wallpaper Illustrated Charlotte Perkins Gilman, 2021-05-29 The Yellow Wallpaper is a short story by American writer Charlotte Perkins Gilman, first published in January 1892 in The New England Magazine.

Palm Beach Chic Jennifer Ash Rudick, 2015-10-06 Palm Beach interiors have long reflected the travels, penchants, and whimsies of the town's worldly inhabitants. But as real estate on this tiny barrier island becomes increasingly valuable, residents are calling upon world-class designers to help fine-tune their visions, giving rise to a fresh tropical design vernacular. Fashion designer Josie Natori, for instance, asked architect Calvin Tsao to transform a standard two-bedroom apartment into an airy retreat with rattan furniture and ethnic accessories that are perfectly suited to Palm Beach's subtropical setting and pay tribute to her Asian heritage. These homes aren't slavish copies of interior design magazines or decorators' dictates but testaments to what can be achieved when inspired by the natural beauty of a unique locale and when imagination is one's only limitation. Tropical Chic: Palm Beach at Home captures the enduring charm of newly restored seaside fantasies by Mizner, Fatio and Volk, celebrated for their Cuban coquina courtyards and soaring miradors overlooking tiled pools and arching fountains. Jennifer Ash Rudick, a long-time Palm Beach resident, leads an insider's tour of twenty-five houses, cottages, Moorish casbahs, artists' compounds, and Mad Men-era vintage condos. Jessica Klewicki, a Palm Beach-based photographer, captures extraordinary gardens, verandas, lakeside pavilions, a rustic ranch, and simple pastel Bermudan houses sheltered by dense thickets of Norfolk pines and age-old banyans. It is this eclectic mix of old and new, of Spanish and Caribbean, of contemporary design and sun-faded WASP thrift, that makes Palm Beach chic.
