Frogs shouldn't have anything to do with human things, says wise Uncle Ben, so to protect his family, Frederick must leave the only world he knows. The world beyond the pond is frightening, but rather than hide or mope, Frederick sets out to get rid of this dangerous human thing. His only hope is to find the small human who tossed the ring into the pond, the boy chased by big men and bigger horses. The boy is in trouble, too, but how can Frederick, one little frog, save a human, much less the pond from an evil sorcerer? A middle grade chapter book, 16 chapters, approximately 18,000 words.
