This book is a compilation of the papers written by undergraduate students that were published during the 2013/2014 academic year.

Dating You / Hating You Christina Lauren, 2017-06-06 Everyone knows that all's fair in love and war. But these two will learn that sabotage is a dish best served naked. A sexy, compulsively readable romantic comedy that dives headlong into the thrill and doubt of modern love, *Dating You/Hating You* by New York Times bestselling author Christina Lauren is the story of what two high-powered agents will—and won't—do to get everything they ever wanted. Despite the odds against them from an embarrassing meet-awkward at a mutual friend's Halloween party, Carter and Evie immediately hit it off. Even the realization that they're both high-powered agents at competing firms in Hollywood isn't enough to squash the fire. But when their two agencies merge—causing the pair to vie for the same position—all bets are off. What could have been a beautiful, blossoming romance turns into an all-out war of sabotage. Carter and Evie are both thirtysomething professionals—so why can't they act like it? Can Carter stop trying to please everyone and see how their mutual boss is really playing the game? Can Evie put aside her competitive nature long enough to figure out what she really wants in life? Can their actor clients just be something close to human? Whether these two Hollywood love/hatebirds get the storybook Hollywood ending, or just a dramedy of epic proportions, you get to enjoy Christina Lauren's heartfelt, hilarious story of romance in the modern world.

A Very Punchable Face Colin Jost, 2020-07-14 NEW YORK TIMES BESTSELLER • In these hilarious essays, the Saturday Night Live head writer and Weekend Update co-anchor learns how to take a beating. “I always wanted to punch his face before I read this book. Now I just want to kick him in the balls.”—Larry David NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Cosmopolitan • Vulture • Parade If there’s one trait that makes someone well suited to comedy, it’s being able to take a punch—metaphorically and, occasionally, physically. From growing up in a family of firefighters on Staten Island to commuting three hours a day to high school and “seeing the sights” (like watching a Russian woman throw a stroller off the back of a ferry), to attending Harvard while Facebook was created, Jost shares how he has navigated the world like a slightly smarter Forrest Gump. You’ll also discover things about Jost that will surprise and confuse you, like how Jimmy Buffett saved his life, how Czech teenagers attacked him with potato salad, how an insect laid eggs inside his legs, and how he competed in a twenty-five-man match at WrestleMania (and almost won). You’ll go behind the scenes at SNL and Weekend Update (where he’s written some of the most memorable sketches and jokes of the past fifteen years). And you’ll experience the life of a touring stand-up comedian—from performing in rural college cafeterias at noon to opening for Dave Chappelle at Radio City Music Hall. For every accomplishment (hosting the Emmys), there is a setback (hosting the Emmys). And for every absurd moment (watching paramedics give CPR to a raccoon), there is an honest, emotional one (recounting his mother’s experience on the scene of the Twin Towers’ collapse on 9/11). Told with a healthy dose of self-deprecation, *A Very Punchable Face* reveals the brilliant mind behind some of the dumbest sketches on television, and lays bare the heart and humor of a hardworking guy—with a face you can’t help but want to punch.

Green Light! Martin Wolfe, 1993 In World War II, the 81st Troop Carrier Squadron dropped paratroopers onto the battlefield, often in the face of heavy fire. This book relates the exploits of the 81st, which mirrored the combat experience of World War II troop carrier units.

The Revolution Starts at Home Ching-In Chen, Jai Dulani, Leah Lakshmi Piepzna-Samarasinha, 2016 Radical movements for social change are not immune to sexual assault and gendered violence. This landmark collection brings together two dozen voices, as fearless as they are compassionate, to challenge the intimate forms of oppression that surround us. The Revolution

Starts at Home began as a popular zine when published in its complete form by South End Press (2011). With South End's closing, it went out of print before it could reach its audience - just as its relevance was becoming clear. This facsimile reprint edition will breathe new life into this important project.

Jews and Humor Leonard J. Greenspoon, 2011-10-01 Jews and humor is, for most people, a natural and felicitous collocation. In spite of, or perhaps because of, a history of crises and living on the edge, Jews have often created or resorted to humor. But what is humor? And what makes certain types, instances, or performances of humor Jewish? These are among the myriad queries addressed by the fourteen authors whose essays are collected in this volume. And, thankfully, their observations, always apt and often witty, are expressed with a lightness of style and a depth of analysis that are appropriate to the many topics they cover. The scholars who contributed to this collection allow readers both to discern the common features that make up Jewish humor and to delight in the individualism and eccentricities of the many figures whose lives and accomplishments are narrated here. Because these essays are written in a clear, jargon-free style, they will appeal to everyone—even those who don't usually crack a smile!

Breaking the Marriage Idol Kutter Callaway, 2018-06-26 Should all Christians be married? Although we might quickly respond no, our cultural stories and norms—including those in the church—often communicate yes. Theologian and husband Kutter Callaway considers why marriage, which is a blessing from God, shouldn't be expected or required of all Christians. Through an examination of Scripture, cultural analysis, and personal accounts, he reflects on how our narratives have limited our understanding of marriage and obscured our view of the life-giving and kingdom-serving roles of single people in the church. In doing so, Callaway helps the church craft a new story that transforms the way we look at marriage and affirms the contributions of all to the body of Christ.

Sonnets from the Singlish Joshua Ip, 2012

Beyond the Bases Kaylee Ryan, 2018-07-20 What happens when you want more in life than just running the bases? You hang out at home plate and stop playing the field. He's sexy and irresistible. I've done my best to ignore the magnetism that flows between us. I don't need complications in my life. I can't get wrapped up in his world, the last thing I need is to get attached to a professional athlete. I don't have time for heartbreak. Something about her pulls me in. I want to get to know her. I want a chance to show her I'm more than just my career, my paycheck. I'm the man for her. I know I am. No matter how much she resists this connection between us. It doesn't change the fact that she's my grand slam.

JFK Jr., George, & Me Matt Berman, 2014-05-20 John Kennedy Jr.'s creative director for *George* magazine presents "a vivid portrait of JFK Jr. that only a select few have ever seen, offering a touching and honest tribute to John's legacy" (BookReporter.com). If *George* magazine was about "not just politics as usual," a day at the office with John F. Kennedy Jr. was not just business as usual. John handpicked Creative Director Matt Berman to bring his vision for a new political magazine to life. Through marathon nights leading up to *George*'s launch; extraordinary meetings with celebrities including Barbra Streisand, Robert De Niro, and Demi Moore; and jokes at each other's expense, Matt developed a wonderfully collaborative and fun-loving relationship with America's favorite son. They were an unlikely team: the poised, charismatic scion of a beloved political family and the shy, self-deprecating, artistic kid. Yet they became close friends and confidants. In this warm, funny, and intimate book, Matt remembers his brilliant friend and colleague—John's approach to work, life, and fame, and most of all, his ease and grace, which charmed those around him. More than any book before it, *JFK Jr., George, & Me* reveals the friendly, witty, down-to-earth guy the paparazzi could never capture. Matt opens the doors of John's messy office to share previously untold stories, personal notes, and never-before-seen photos from the trenches of a startup magazine that was the brainchild of a superstar. John helped Matt navigate a world filled with celebrities, artists, beauty, style, competition, and stunningly tender egos. In turn, Matt shares the invaluable lessons about business and life that he learned from John. What emerges

is a portrait of JFK Jr. as a true friend and mentor.
