Skyriders Polly Holyoke,2024-04-09 Wings of Fire meets Skandar and the Unicorn Thief in this epic fantasy adventure set in a world where human and skysteed share a deep bond of friendship and love. When monsters emerge to attack the empire, it's up to Kiesandra and her beloved winged horse N'Rah to prove to herself and the imperial army that she has what it takes to lead them to victory . . . and survival. Twelve-year-old Kiesandra's best friend isn't human, but that doesn't stop her from sharing jokes and secrets with her winged horse, N'Rah. She, like every other person with a skysteed, can communicate with N'Rah through her mind. Their bond is critical when one day, monsters from long ago reemerge to ravage a nearby village. No one knows how to fight the fearsome chimerae except Kie's uncle . . . and now Kie. Injured in the battle, Uncle Dug makes her promise to bring his attack plan and weapons to the capital. Kie reluctantly agrees. At the palace, she and N'Rah attempt to gain the trust of the royals and train the army in Dug's lessons. But how can a young girl and her skysteed convince anyone that only they know how to defeat the deadly monsters? Buzzing with action, heart, and friendship, this first book in the Skyriders series show that kids can achieve the impossible—especially with flying horses on their side.

**The Winds of Wisdom** David Shoemaker,2016-04-14 The system of Enochian magick, discovered and developed by John Dee and Edward Kelley in the 1500s, has fascinated ritual magicians for centuries. Enochian magick played a prominent role in the Hermetic Order of the Golden Dawn and its successors, and Aleister Crowley attained many of his greatest mystical insights and initiatory successes using the system. In this modern application of the approach known as scrying the Aethyrs, noted magician, psychologist, teacher, and author Dr. David Shoemaker presents his visionary experiences with the Aethyrs, as well as a practical approach to obtaining your own visions. This book is an essential text for anyone interested in the Enochian system. Dr. Shoemaker is not only a mature and competent practitioner of Enochian magical techniques, but is also possessed with the eloquence and insight to share what is 'shareable' of his intensely personal journey. My highest recommendation. --Lon Milo DuQuette, author of Enochian Vision Magick

*Tacky* Rax King,2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column *Store-Bought Is Fine*” Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in *You Wanna Be On Top*, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. Silk, Mohair, Cashmere and Other Luxury Fibres R R Franck,2001-10-29 Although none of the luxury fibres, including silk, is produced in large quantities, their particular and unique qualities of fineness, softness, warmth and pleasurable handle mean that they occupy a very important place in the luxury apparel and fine furnishing trades. This book covers all aspects of the growth, physical characteristics, production, marketing and consumption of silk, mohair, cashmere, camelhair, Alpaca, Llama, Vicuna, Guanaco, Yak and Musk Ox fibres. The image of these fabrics is of course all important and the book describes in detail those rare occasions when a lower priced and lower quality version of a luxury fibre has damaged its overall reputation. Some natural fibres covered here including spider silk are also increasingly finding applications within the technical textiles sector where their high performance thermal properties and bio-mimetic qualities in particular, are very useful. This is an essential reference for all those involved in any part of the luxury fibre trade. Covers all aspects of the growth, physical characteristics, production, marketing and consumption of silk, mohair, cashmere, camelhair, Alpaca, Llama, Vicuna, Guanaco, Yak and Musk Ox fibres Describes the rare occasions when a lower priced and lower quality version of a luxury fibre has damaged its overall reputation

The Sixth Station Linda Stasi,2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.
