A Textbook of Retail for Class X (A.Y. 2023-24) Onward Dr. Teena Mishra, 2023-05-20 A Textbook of Retail [Subject Code: 401] for class 10 is designed and developed to facilitate the job role of Store Operation Assistant. It provides learners with the necessary skills and knowledge through practice, experience, and applications in day-to-day business. It has been developed as per the latest syllabus and examination pattern prescribed by the CBSE. The retail industry is one of the fastest growing industries in the skill sector. The entry of many small and large stores has increased the demand for skilled and trained retail professionals for various job roles such as store operation assistant, trainee associate, sales associate, etc. The objectives of this

job role are to deliver products and services to the customers, maintain sufficient stock levels, sustain health and safety, and work effectively in a team as well as in the organisation. Consumers have become more aware of the practices in the retail sector as a result of the development of modern merchandising strategies and the establishment of large retail companies. Experiential learning stresses on the learning methodology for the individual. Thus, the learning activities are student-oriented rather than teacher-oriented. In this book, students will learn about introduction to retailing, receiving and storing goods, stock level in storage and how to deliver excellent customer service. Salient Features of this Book • This book adopts a simplified method of presenting the ideas, keeping the needs and expectations of the students and teachers in mind as laid down in the syllabus. • This book is divided into two parts: \* Part A deals with the Employability Skills with chapters on the units: Communication Skills- I, Self-Management Skills- I, ICT Skills- I, Entrepreneurial Skills- I and Green Skills - I. \* Part B which deals with the Subject Specific Skills comprises of four units. Each unit has four sessions. The first unit focuses on the introduction of retailing. The second unit explains the procedure of receiving and storing of goods. The third unit discusses the stock levels in retail stores, and the fourth unit describes how to deliver excellent customer service. • This book is learner-centred with a comprehensive approach. • Every session in each unit has its accompanying activity and practical exercises. Also, each unit ends with a self assessment consisting of multiple choice questions, short answer and long answer questions that help in assessing the students' learning. • The learning objectives at the beginning of each unit describe a direction for the student to acquire new skills, knowledge and attitudes. • Fascinating pictures related to the topics are given. We hope that this book will

help learners understand retail concepts and scenarios, allowing them to become successful retail professionals. Any suggestions for further improvement of the book will be most welcomed. We wish the readers all the best in their career. -Authors

**A Textbook of Tourism for Class X (A.Y. 2023-24)Onward** Singdha Kainthola,2023-05-20 A Textbook of Tourism [Subject Code 406] for class 10 is designed to facilitate the job role of Travel Agent/Tour Operator. This book has been developed as per the latest syllabus and examination pattern prescribed by the CBSE. The language in the book is deliberately kept to be reader-friendly, allowing easy accessibility and grasp of knowledge. In addition, the pictures and diagrams are used to give the readers a good understanding of the topics without any difficulties. Tourism has grown significantly in the last decade. Tourism is the world's largest and fastestgrowing industry and also the largest source of income and employment. India is a diverse country, and its diversity attracts visitors from around the world. India is a developing nation, and tourism provides emerging and developing nations with excellent opportunities to strengthen their economies, contribute to local infrastructure, preserve the environment and cultural treasures and traditions, and lessen poverty and inequality. The government is emphasising in developing and promoting tourism. It has also introduced various policies and schemes to boost the tourism industry by providing more job opportunities in the society. It has also started several short-term vocational courses related to the travel and tourism sector. With these courses, individuals can quickly acquire the necessary skills to join the travel industry. In addition, CBSE has introduced Tourism as a vocational course at the school level. In the previous class, you learned some basics of travel and tourism, and this book will extend

your knowledge of those topics. This book will teach you about different types of tourism, tourism's social, economic, and cultural impact, tourism organisations, tourism businesses, and tourism products, as well as requirement of soft skills in tourism. Tourism is classified as a service industry, and because of the nature of the jobs in the tourism industry, a person should have a high level of soft skills. This book provides knowledge about those soft skills required for this industry. In addition, this book will teach you about different personality traits and how to develop your personality. Each chapter has been divided into the following parts: (a) Introduction: It introduces you to the chapter's topic and learning objectives. (b) Relevant Knowledge: This part of the unit provides you with the relevant information on the topics covered. The knowledge developed through this part will enable the students to perform certain activities listed at the end of each topic. (c) Assignment: The various questions included in this part of the chapter will help the students to check their understanding of the topics learned. We hope that this book will help further enhance the understanding and knowledge of the tourism sector. We also hope that this book will boost the students' morale and enormously benefit the teachers. This book attempts to cover almost every aspect of tourism and travel that can help students become tourism professionals. Constructive suggestions for the improvement of the book are most welcome. -Authors

*A Textbook of Tourism for Class XII (A.Y. 2023-24)* Onward Nimit Chowdhary, 2023-05-20 A Textbook of Tourism [Subject Code 806] for Class 12 is designed to facilitate the job role of Travel Blogger, Airline Staff, Hotelier, Tourism Manager, Travel Consultant, Front Office Executive, Travel Executive, Tourist Guide, Transport Agent and Tour Operator. This book has been developed as per the latest syllabus and examination pattern prescribed by the CBSE with the planned instructions consisting of units for

developing employability and skills competencies among students. The language in the book is deliberately kept reader-friendly, allowing easy accessibility and grasp of knowledge. In the contemporary era, the predominance of the internet and advanced technology have increased the operational value of tour operators and travel agencies. Increased domestic and international visits to India led to an increased dependence on travel intermediaries. Also, the lower investment and attractive returns enticed many people to start their own travel agencies. The book provides a comprehensive view of travel agencies' and tour operators' businesses in the tourism sector. Each topic is discussed and supported by examples to provide students with a better understanding. The book proposes to provide both practical and theoretical knowledge about the tourism industry. It also imparts basic knowledge of contemporary topics like online travel agencies, e-visa, the significance of travel insurance in the post-COVID-19 phase and entrepreneurship in the tourism trade. This book aims to impart knowledge about the travel intermediaries' significance, operating mechanisms, and activities. The wide array of activities carried out by travel agents and tour operators covers itinerary planning, package design, helping travellers choose a destination, costing the package, marketing the product, operating the booking software (GDS), and so on. This book will help students learn about the significance of travel intermediaries in facilitating travellers in different ways throughout their vacations. Each chapter has been divided into the following parts: (a) Introduction: It introduces you to the unit's topic and learning objectives. (b) Relevant Knowledge: This part of the unit provides you with the relevant information on the topics covered. The knowledge developed through this part will enable the students to perform certain activities listed at the end of each topic. (c)

Assignment: The various questions included in this part will help the students to check their understanding of the topics learned. Sincere attempts have been made to keep the language of the book simple. The concepts have also been explained through pictorial illustrations wherever necessary. This will allow the students to have a swift reading of the book, making the content of the book easy to understand. We also hope that this book will boost the students' morale and enormously benefit the teachers. Constructive suggestions for the improvement of the book are most welcome. The authors would be glad to read the feedback and implement it in upcoming books. -Authors
