

Follett Digital Reader

Various

Edge of Eternity Ken Follett, 2014-09-16 Ken Follett's extraordinary historical epic, the Century Trilogy, reaches its sweeping, passionate conclusion. In *Fall of Giants* and *Winter of the World*, Ken Follett followed the fortunes of five international families—American, German, Russian, English, and Welsh—as they made their way through the twentieth century. Now they come to one of the most tumultuous eras of all: the 1960s through the 1980s, from civil rights, assassinations, mass political movements, and Vietnam to the Berlin Wall, the Cuban Missile Crisis, presidential impeachment, revolution—and rock and roll. East German teacher Rebecca Hoffmann discovers she's been spied on by the Stasi for years and commits an impulsive act that will affect her family for the rest of their lives. . . . George Jakes, the child of a mixed-race couple, bypasses a corporate law career to join Robert F. Kennedy's Justice Department and finds himself in the middle of not only the seminal events of the civil rights battle but a much more personal battle of his own. . . . Cameron Dewar, the grandson of a senator, jumps at the chance to do some official and unofficial espionage for a cause he believes in, only to discover that the world is a much more dangerous place than he'd imagined. . . . Dimka Dvorkin, a young aide to Nikita Khrushchev, becomes an agent both for good and for ill as the United States and the Soviet Union race to the brink of nuclear war, while his twin sister, Tanya, carves out a role that will take her from Moscow to Cuba to Prague to Warsaw—and into history.

E-book Platforms for Libraries Mirela Roncevic, 2014-01-01 E-book vendors continue to experiment: adjustments to business models, consolidation of content, and mergers with competitors mean constant change.

Guided Reading Irene C. Fountas, Gay Su Pinnell, 2017 Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of *Guided Reading*, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with *Guided Reading, Second Edition*, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation—from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Through guided reading, students learn how to engage in every facet of the reading process and apply their reading power to all literacy contexts. Also check out our new on-demand mini-course: *Introducing Texts Effectively in Guided Reading Lessons*

Never Ken Follett, 2023-11-28 New York Times Bestseller The new must-read epic from master storyteller Ken Follett: more than a thriller, it's an action-packed, globe-spanning drama set in the present day. "A compelling story, and only too realistic." —Lawrence H. Summers, former U.S. Treasury Secretary "Every catastrophe begins with a little problem that doesn't get fixed." So says Pauline Green, president of the United States, in Follett's nerve-racking drama of international tension. A shrinking oasis in the Sahara Desert; a stolen US Army drone; an uninhabited Japanese island; and one country's secret stash of deadly chemical poisons: all these play roles in a relentlessly escalating crisis. Struggling to prevent the outbreak of world war are a young woman intelligence officer; a spy working undercover with jihadists; a brilliant Chinese spymaster; and Pauline herself, beleaguered by a populist rival for the next president election. *Never* is an extraordinary novel, full of heroines and villains, false prophets and elite warriors, jaded politicians and opportunistic revolutionaries. It brims with cautionary wisdom for our times, and delivers a visceral, heart-pounding read that transports readers to the brink of the unimaginable.

Whiteout Ken Follett, 2008-12-02 Everyone likes a page-turner, and Follett is the best. —The Philadelphia Inquirer A hell of a storyteller (Entertainment Weekly), #1 New York Times bestselling author Ken Follett reinvents the thriller with each new novel. But nothing matches the intricate knife-edge drama of *Whiteout*. . . . A missing canister of a deadly virus. A lab technician bleeding from the eyes. Toni Gallo, the security director of a Scottish medical research firm, knows she has problems, but she has no idea of the nightmare to come. As a Christmas Eve blizzard whips out of the north, several people, Toni among them, converge on a remote family house. All have something to gain or lose from the drug developed to fight the virus. As the storm worsens, the emotional sparks—jealousies, distrust, sexual attraction, rivalries—crackle; desperate secrets are revealed; hidden traitors and unexpected heroes emerge. Filled with startling twists at every turn, *Whiteout* rockets Follett into a class by himself.

Leveled Books (K-8) Irene C. Fountas, Gay Su Pinnell, 2006 For ten years and in two classic books, Irene Fountas and Gay Su Pinnell have described how to analyze the characteristics of texts and select just-right books to use for guided reading instruction. Now, for the first time, all of their thinking and research has been updated and brought together into *Leveled Books, K-8* to form the ultimate guide to choosing and using books from kindergarten through middle school. Fountas and Pinnell take you through every aspect of leveled books, describing how to select and use them for different purposes in your literacy program and offering prototype descriptions of fiction and nonfiction books at each level. They share advice on: the role of leveled books in reading instruction, analyzing the characteristics of fiction and nonfiction texts, using benchmark books to assess instructional levels for guided reading, selecting books for both guided and independent reading, organizing high-quality classroom libraries, acquiring books and writing proposals to fund classroom-library purchases, creating a school book room. In addition, Fountas and Pinnell explain the leveling process in detail so that you can tentatively level any appropriate book that you want to use in your instruction. Best of all, *Leveled Books, K-8* is one half of a new duo of resources that will change how you look at leveled books. Its companion-www.FountasandPinnellLeveledBooks.com-is a searchable and frequently updated website that includes more than 18,000 titles. With *Leveled Books, K-8* you'll know how and why to choose books for your readers, and with www.FountasandPinnellLeveledBooks.com, you'll have the ideal tool at your fingertips for finding appropriate books for guided reading. Book jacket.

Words Onscreen Naomi S. Baron, 2015-01-09 People have been reading on computer screens for several decades now, predating popularization of personal computers and widespread use of the internet. But it was the rise of eReaders

and tablets that caused digital reading to explode. In 2007, Amazon introduced its first Kindle. Three years later, Apple debuted the iPad. Meanwhile, as mobile phone technology improved and smartphones proliferated, the phone became another vital reading platform. In *Words Onscreen*, Naomi Baron, an expert on language and technology, explores how technology is reshaping our understanding of what it means to read. Digital reading is increasingly popular. Reading onscreen has many virtues, including convenience, potential cost-savings, and the opportunity to bring free access to books and other written materials to people around the world. Yet, Baron argues, the virtues of eReading are matched with drawbacks. Users are easily distracted by other temptations on their devices, multitasking is rampant, and screens coax us to skim rather than read in-depth. What is more, if the way we read is changing, so is the way we write. In response to changing reading habits, many authors and publishers are producing shorter works and ones that don't require reflection or close reading. In her tour through the new world of eReading, Baron weighs the value of reading physical print versus online text, including the question of what long-standing benefits of reading might be lost if we go overwhelmingly digital. She also probes how the internet is shifting reading from being a solitary experience to a social one, and the reasons why eReading has taken off in some countries, especially the United States and United Kingdom, but not others, like France and Japan. Reaching past the hype on both sides of the discussion, Baron draws upon her own cross-cultural studies to offer a clear-eyed and balanced analysis of the ways technology is affecting the ways we read today--and what the future might bring.

Jackdaws Ken Follett, 2006-12-05 In his own bestselling tradition of *Eye of the Needle* and *The Key to Rebecca*, Ken Follett delivers a breathtaking novel of suspense set in the most dangerous days of World War II. D-Day is approaching. They don't know where or when, but the Germans know it'll be soon, and for Felicity "Flick" Clariet, the stakes have never been higher. A senior agent in the ranks of the Special Operations Executive (SOE) responsible for sabotage, Flick has survived to become one of Britain's most effective operatives in Northern France. She knows that the Germans' ability to thwart the Allied attack depends upon their lines of communications, and in the days before the invasion no target is of greater strategic importance than the largest telephone exchange in Europe. But when Flick and her Resistance-leader husband try a direct, head-on assault that goes horribly wrong, her world turns upside down. Her group destroyed, her husband missing, her superiors unsure of her, her own confidence badly shaken, she has one last chance at the target, but the challenge, once daunting, is now near impossible. The new plan requires an all-woman team, none of them professionals, to be assembled and trained within days. Code-named the Jackdaws, they will attempt to infiltrate the exchange under the noses of the Germans—but the Germans are waiting for them now and have plans of their own. There are secrets Flick does not know—secrets within the German ranks, secrets among her hastily recruited team, secrets among those she trusts the most. And as the hours tick down to the point of no return, most daunting of all, there are secrets within herself. . . . Filled with the powerful storytelling, unforgettable characters, and authentic detail that have become his hallmarks, *Jackdaws* is Ken Follett writing at the height of his powers.

After the Fall (How Humpty Dumpty Got Back Up Again) Dan Santat, 2017-10-03 After falling off the wall, Humpty Dumpty is very afraid of climbing up again, but is determined not to let fear stop him from being close to the birds.

Night Over Water Ken Follett, 2011-06-04 Set during the outbreak of the Second World War, *Night Over Water* is about a perilous journey across the Atlantic to escape Britain, from the number one bestseller and master of the historical thriller, Ken Follett. The Eve of War Britain has just declared war against Nazi Germany. In Southampton, the world's most luxurious airliner, the Pan American Clipper, takes off on its final flight to neutral New York – a haven for those fleeing the conflict. A Disparate Group Flees The passengers aboard the plane each have their own reasons for leaving Britain. Amongst them are an English aristocrat fleeing with his family and a fortune in jewels; a German scientist running away from the Nazis; a murderer returning under FBI escort; a wife escaping her controlling husband; and a devious thief determined to keep his spoils. A Journey into Danger Trapped on the plane, with only their fellow passengers for company, their journey over the Atlantic becomes increasingly fraught. Especially when it becomes apparent a plot is unfolding that may endanger all of their lives . . .

Seraphina Rachel Hartman, 2012-07-10 A new vision of knights, dragons, and the fair maiden caught in between . . . Four decades of peace have done little to ease the mistrust between humans and dragons in the kingdom of Goredd. Folding themselves into human shape, dragons attend court as ambassadors, and lend their rational, mathematical minds to universities as scholars and teachers. As the treaty's anniversary draws near, however, tensions are high. Seraphina has reason to fear both sides. An unusually gifted musician, she joins the court just as a member of the royal family is murdered. While a sinister plot to destroy the peace is uncovered, Seraphina struggles to protect the secret behind her musical gift, one so terrible that its discovery could mean her very life. Seraphina's tortuous journey to self-acceptance will make a magical, indelible impression on its readers.

Skandar and the Unicorn Thief A.F. Steadman, 2022-05-03 Soar into a breathtaking world of heroes and unicorns as you've never seen them before in this fantastical middle grade debut perfect for fans of the Percy Jackson and Eragon series! Skandar Smith has always yearned to leave the Mainland and escape to the secretive Island, where wild unicorns roam free. He's spent years studying for his Hatchery exam, the annual test that selects a handful of Mainlander thirteen-year-olds to train to become unicorn riders. But on the day of Skandar's exam, things go horribly wrong, and his hopes are shattered...until a mysterious figure knocks on his door at midnight, bearing a message: the Island is in peril and Skandar must answer its call. Skandar is thrust into a world of epic sky battles, dangerous clashes with wild unicorns, and rumors of a shadowy villain amassing a unicorn army. And the closer Skandar grows to his newfound friends and community of riders, the harder it becomes to keep his secrets—especially when he discovers their lives may all be in graver danger than he ever imagined.

Reader, Come Home Maryanne Wolf, 2018-08-14 The author of the acclaimed *Proust and the Squid* follows up with a lively, ambitious, and deeply informative book that considers the future of the reading brain and our capacity for critical thinking, empathy, and reflection as we become increasingly dependent on digital technologies. A decade ago, Maryanne Wolf's *Proust and the Squid* revealed what we know about how the brain learns to read and how reading changes the way we think and feel. Since then, the ways we process written language have changed dramatically with many concerned about both their own changes and that of children. New research on the reading brain chronicles these changes in the brains of children and adults as they learn to read while immersed in a digitally dominated medium. Drawing deeply on this research, this book comprises a series of letters Wolf writes to us—her beloved readers—to describe her concerns and her hopes about what is happening to the reading brain as it unavoidably

changes to adapt to digital mediums. Wolf raises difficult questions, including: Will children learn to incorporate the full range of deep reading processes that are at the core of the expert reading brain? Will the mix of a seemingly infinite set of distractions for children's attention and their quick access to immediate, voluminous information alter their ability to think for themselves? With information at their fingertips, will the next generation learn to build their own storehouse of knowledge, which could impede the ability to make analogies and draw inferences from what they know? Will all these influences change the formation in children and the use in adults of slower cognitive processes like critical thinking, personal reflection, imagination, and empathy that comprise deep reading and that influence both how we think and how we live our lives? How can we preserve deep reading processes in future iterations of the reading brain? Concerns about attention span, critical reasoning, and over-reliance on technology are never just about children—Wolf herself has found that, though she is a reading expert, her ability to read deeply has been impacted as she has become increasingly dependent on screens. Wolf draws on neuroscience, literature, education, and philosophy and blends historical, literary, and scientific facts with down-to-earth examples and warm anecdotes to illuminate complex ideas that culminate in a proposal for a biliterate reading brain. Provocative and intriguing, *Reader, Come Home* is a roadmap that provides a cautionary but hopeful perspective on the impact of technology on our brains and our most essential intellectual capacities—and what this could mean for our future.

Why Reading Books Still Matters Martha Carswell Pennington, Robert P. Waxler, 2017

A Column of Fire Ken Follett, 2019-08-27 #1 NEW YORK TIMES BESTSELLER “Absorbing . . . impossible to resist.” —The Washington Post As Europe erupts, can one young spy protect his queen? #1 New York Times bestselling author Ken Follett takes us deep into the treacherous world of powerful monarchs, intrigue, murder, and treason with his magnificent new epic, *A Column of Fire*. In 1558, the ancient stones of Kingsbridge Cathedral look down on a city torn apart by religious conflict. As power in England shifts precariously between Catholics and Protestants, royalty and commoners clash, testing friendship, loyalty, and love. Ned Willard wants nothing more than to marry Margery Fitzgerald. But when the lovers find themselves on opposing sides of the religious conflict dividing the country, Ned goes to work for Princess Elizabeth. When she becomes queen, all Europe turns against England. The shrewd, determined young monarch sets up the country's first secret service to give her early warning of assassination plots, rebellions, and invasion plans. Over a turbulent half century, the love between Ned and Margery seems doomed as extremism sparks violence from Edinburgh to Geneva. Elizabeth clings to her throne and her principles, protected by a small, dedicated group of resourceful spies and courageous secret agents. The real enemies, then as now, are not the rival religions. The true battle pitches those who believe in tolerance and compromise against the tyrants who would impose their ideas on everyone else—no matter what the cost. Set during one of the most turbulent and revolutionary times in history, *A Column of Fire* is one of Follett's most exciting and ambitious works yet. It will delight longtime fans of the Kingsbridge series and is the perfect introduction for readers new to Ken Follett.

Weeding Manual, 2002

The New State Mary Parker Follett, 1920 Having organized neighborhood discussion groups before World War I, Follett traces the dynamics she noticed in these forums and develops some core concepts useful for those working on questions of public deliberation today. She also shows how deliberation informs debates that raged in political theory during her own era. She discusses the works of pluralists (Harold Laski), idealists (T. H. Green and Bernard Bosanquet), and pragmatists (William James) and makes important arguments about the relationship between socialism and democracy. Her work is marked by rigorous thinking about the implications of democratic principles as they relate to political and socioeconomic organization. This book articulates the formation of a so-called new state, growing out of the local activities of citizens and renews the American idea of federalism in order to balance local activities and national purposes.

Eye of the Needle Ken Follett, 2017-10-17 The worldwide phenomenon from the bestselling author of *The Pillars of the Earth*, *World Without End*, *A Column of Fire*, and *The Evening and the Morning* His code name was “The Needle.” He was a German aristocrat of extraordinary intelligence—a master spy with a legacy of violence in his blood, and the object of the most desperate manhunt in history. . . . But his fate lay in the hands of a young and vulnerable English woman, whose loyalty, if swayed, would assure his freedom—and win the war for the Nazis. . . .

World Without End Ken Follett, 2007-10-09 #1 New York Times Bestseller In 1989, Ken Follett astonished the literary world with *The Pillars of the Earth*, a sweeping epic novel set in twelfth-century England centered on the building of a cathedral and many of the hundreds of lives it affected. *World Without End* is its equally irresistible sequel—set two hundred years after *The Pillars of the Earth* and three hundred years after the Kingsbridge prequel, *The Evening and the Morning*. *World Without End* takes place in the same town of Kingsbridge, two centuries after the townspeople finished building the exquisite Gothic cathedral that was at the heart of *The Pillars of the Earth*. The cathedral and the priory are again at the center of a web of love and hate, greed and pride, ambition and revenge, but this sequel stands on its own. This time the men and women of an extraordinary cast of characters find themselves at a crossroads of new ideas—about medicine, commerce, architecture, and justice. In a world where proponents of the old ways fiercely battle those with progressive minds, the intrigue and tension quickly reach a boiling point against the devastating backdrop of the greatest natural disaster ever to strike the human race—the Black Death. Three years in the writing and nearly eighteen years since its predecessor, *World Without End* is a well-researched, beautifully detailed portrait of the late Middle Ages (The Washington Post) that once again shows that Ken Follett is a masterful author writing at the top of his craft.

Real Stories of World War Two Various, 2013-09-05 On Ken Follett's Facebook page Pan Macmillan created a storybank, as a place for readers to upload their own, real-life stories of World War Two. This ebook contains some of the incredible, moving stories that readers were inspired to post – the voices of a generation and its descendants – as well as a personal piece from Ken himself, about his own family's experience of the war. Told by Ken Follett's readers from across the world, from the USA to Europe, Asia to Africa, these accounts offer a glimpse into the deep effects of the war on each and every family at this terrible moment in history. Pan Macmillan have also teamed up with ABF The Soldiers' Charity, whose mission statement is to offer lifetime support to serving and retired soldiers and their families. All of the profits from the sale of this ebook will go direct to them. You can find out more about their work on their website, www.soldierscharity.org To see the storybank on Facebook, visit www.facebook.com/KenFollettAuthor

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Follett Digital Reader eBooks, including some popular titles.

FAQs About Follett Digital Reader Books

What is a Follett Digital Reader PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Follett Digital Reader PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that

allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Follett Digital Reader PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Follett Digital Reader PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Follett Digital Reader PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
