Naptime with Joey Laura Izumikawa,2022-02-22 From viral Instagram sensation, lifestyle photographer, and mommy blogger Laura Izumikawa comes Naptime with Joey, a ridiculously delightful photo book of her now internet-famous daughter dressed up in various pop culture costumes—a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she's dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from Stranger Things. She's taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She's held occupations such as pizza chef, aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She's inspired a parenting blog, been the face of her mom Laura Izumikawa's Instagram account—and for the first time, she's taken the leap from the ranks of internet-baby-snoredom to the pages of a book. Naptime with Joey is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!

Why Men Rape Tara Kaushal,2020-06-30 In Why Men Rape, Tara Kaushal sets out to understand the reasons through a detailed investigation which includes meetings with nine men who have an inclination to commit acts of sexual violence. The men interviewed for the book belong to all sections of society: a doctor who raped his twelve-year-old patient; an unemployed youth who decided to kill his former lover; a youth who gang raped; a serial gang rapist who doesn't believe rape exists. Alongside, the author gives insights from myriad survivors; world-famous experts; a jail inmate who observes and provides us with a commentary on the worldview of rape convicts inside a prison; and many more. At a time when sexual violence is crippling our society, Why Men Rape marks an important contribution towards making us aware of the problem, and finding a way to stop it.

Likeable Social Media: How to Delight Your Customers, Create an Irresistible Brand, and Be Generally Amazing on Facebook (& Other Social Networks) Dave Kerpen,2011-06-07 THE NEW YORK TIMES AND USA TODAY BESTSELLER! The secret to successful word-of-mouth marketing on the social web is easy: BE LIKEABLE. A friend's recommendation is more powerful than any advertisement. In the world of Facebook, Twitter, and beyond, that recommendation can travel farther and faster than ever before. Likeable Social Media helps you harness the power of word-of-mouth marketing to transform your business. Listen to your customers and prospects. Deliver value, excitement, and surprise. And most important, learn how to truly engage your customers and help them spread the word. Praise for Likeable Social Media: Dave Kerpen's insights and clear, how-to instructions on building brand popularity by truly engaging with customers on Facebook, Twitter, and the many other social media platforms are nothing short of brilliant. Jim McCann, founder of 1-800-FLOWERS.COM and Celebrations.com Alas, common sense is not so common. Dave takes you on a (sadly, much needed) guided tour of how to be human in a digital world. Seth Godin, author of Poke the Box Likeable Social Media cuts through the marketing jargon and technical detail to give you what you really need to make sense of this rapidly changing world of digital marketing and communications. Being human – being likeable – will get you far. Scott Monty, Global Digital Communications, Ford Motor Company Dave gives you what you need: Practical, specific how-to advice to get people talking about you. Andy Sernovitz, author of Word of Mouth Marketing: How Smart Companies Get People Talking

Youtility Jay Baer,2013-06-27 The difference between helping and selling is just two letters If you're wondering how to make your products seem more exciting online, you're asking the wrong question. You're not competing for attention only against other similar products. You're competing against your customers' friends and family and viral videos and cute puppies. To win attention these days you must ask a different question: How can we help? Jay Baer's Youtility offers a new approach that cuts through the clutter: marketing that is truly, inherently useful. If you sell something, you make a customer today, but if you genuinely help someone, you create a customer for life.

My Blogging Secrets Amber McNaught,2017-03-26 Want to make a living simply by writing about your life? Here's how one pro-blogger does it... On a sunny day in April, journalist-turned-PR Amber McNaught walked out of her well-paid office job, and started a blog. Ten years, multiple blogs, 42 million pageviews, one kidney transplant (her husband's), and a whole lot of mistakes later, that blog is now a full-time business, which means that Amber, who started documenting her life in a green velvet diary when she was 11 years old, now gets paid to continue documenting her life - but on the internet. (Yes, she still has to pinch herself every morning to make sure she's not dreaming.) So, how did she do it? How did she make writing a diary into a full-time job? You're about to find out. In 'My Blogging Secrets', Amber shares everything she's learned about blogging, from how to come up with an idea for your blog, to how to persuade people to read it, and - most importantly - how to actually make money from writing about your life.

a tumblr book Allison McCracken,Alexander Cho,Louisa Stein,Indira N Hoch,2020-10-26 This book takes an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr. Though it does not receive nearly as much attention as other social media such as Twitter or Facebook, Tumblr and its users have been hugely influential in creating and shifting popular culture, especially progressive youth culture, with the New York Times referring to 2014 as the dawning of the “age of Tumblr activism.” Perfect for those unfamiliar with the platform as well as those who grew up on it, this volume contains essays and artwork that span many different topics: fandom; platform structure and design; race, gender and sexuality, including queer and trans identities; aesthetics; disability and mental health; and social media privacy and ethics. An entire generation of young people that is now beginning to influence mass culture and politics came of age on Tumblr, and this volume is an indispensable guide to the many ways this platform works.

On Adventure with Dad Kenny Deuss,2022-04-11 * Kenny Deuss, the man behind the humorous Instagram account On adventure with Dad, makes his 400k followers laugh every week with hilarious photos about fatherhood* The perfect Father's Day gift or new father giftAlone every Tuesday with his newborn daughter, Kenny Deuss fielded frequent requests from his partner, Tineke, for photos of the baby when she was away from home. His series of hilariously Photoshopped images of the baby in mock perilous situations began with teasing photographs that showed just how safe the baby was. Currently, people from all over the world follow Kenny's adventures with his (now 2) daughters Alix and Aster through his Instagram account On Adventure with Dad. In this book he bundles his best photos, supplemented with a large number of never-before-seen images. He also includes 'tips' for dads and dads-to-be with a large dose of his typical dry humor.

Don't Unplug Chris Dancy,2018-09-18 Chris Dancy, the world's most connected person, inspires readers with practical advice to live a happier and healthier life using technology In 2002, Chris Dancy was overweight, unemployed, and addicted to technology. He chain-smoked cigarettes, popped pills, and was angry and depressed. But when he discovered that his mother kept a record of almost every detail of his childhood, an idea began to form. Could knowing the status of every aspect of his body and how his lifestyle affected his health help him learn to take care of himself? By harnessing the story of his life, could he learn to harness his own bad habits? With a little tech know-how combined with a healthy dose of reality, every app, sensor, and data point in Dancy's life was turned upside down and examined. Now he's sharing what he knows. That knowledge includes the fact that changing the color of his credit card helps him to use it less often, and that nostalgia is a trigger for gratitude for him. A modern-day story of rebirth and redemption, Chris' wisdom and insight will show readers how to improve their lives by paying attention to the relationship between how we move, what we eat, who we spend time with, and how it all makes us feel. But Chris has done all the hard work: Don't Unplug shows us how we too can transform our lives.

Status Update Alice E. Marwick,2013-11-26 Presents an analysis of social media, discussing how a technology which was once heralded as democratic, has evolved into one which promotes elitism and inequality and provides companies with the means of invading privacy in search of profits.

Twitter Jean Burgess,Nancy K. Baym,2020-04-28 The sometimes surprising, often humorous story of the forces that came together to shape the central role Twitter now plays in contemporary politics and culture Is Twitter a place for sociability and conversation, a platform for public broadcasting, or a network for discussion? Digital platforms have become influential in every sphere of communication, from the intimate and everyday to the public, professional, and political. Since the scrappy startup days of social media in the mid-2000s, not only has the worldwide importance of platforms grown exponentially, but also their cultures have shifted dramatically, in a variety of directions. These changes have brought new opportunities for progressive communities to thrive online, as well as widespread problems with commercial exploitation, disinformation, and hate speech. Twitter's growth over the past decade, like that of much social media, has far surpassed its creators' vision. Twitter charts this trajectory in the format of a platform biography: a new, streamlined approach to understanding how platforms change over time. Through the often surprising, fast-moving story of Twitter, it illuminates the multiple forces—from politics and business to digital ideologies—that came together to shape the evolution of this revolutionary platform. Jean Burgess and Nancy K. Baym build a rich narrative of how Twitter has evolved as a technology, a company, and a culture, from its origins as a personal messaging service to its transformation into one of the most globally influential social media platforms, where history and culture is not only recorded but written in real time.

Undoing Networks Tero Karppi,Urs Stäheli,Clara Wieghorst,Lea Zierott,2021-05-18 Exploring and conceptualizing practices, technologies, and politics of disconnecting How do we think beyond the dominant images and imaginaries of connectivity? Undoing Networks enables a different connectivity: “digital detox” is a luxury for stressed urbanites wishing to lead a mindful life. Self-help books advocate “digital minimalism” to recover authentic experiences of the offline. Artists envision a world without the internet. Activists mobilize against the expansion of the 5G network. If connectivity brought us virtual communities, information superhighways, and participatory culture, disconnection comes with privacy tools, Faraday shields, and figures of the shy. This book explores nonusage and the “right to disconnect” from work and from the excessive demands of digital capitalism.

Practical UI Patterns for Design Systems Diana MacDonald,2019-06-25 Understanding UI patterns is invaluable to anyone creating websites for the first time. It helps you make connections between which tools are right for which jobs, understand the processes, and think deeply about the context of a problem. This is your concise guide to the tested and proven general mechanisms for solving recurring user interface problems, so that you don't have to reinvent the wheel. You'll see how to find a pattern you can apply to a given UI problem and how to deconstruct patterns to understand them in depth, including their constraints. UI patterns lead to better use

of existing conventions and converging web standards. This book shows you how to spot anti-patterns, how to mix and match patterns, and how they inform design systems. By helping the non-web professionals and junior web professionals of the world use basic patterns, the web industry can put its best foot forward as new interfaces such as VR/AR/MR, conversational UIs, machine learning, voice input, evolving gestural interactions and more infiltrate the market. Given the emerging popularity of design systems and space of DesignOps, as well as the rise of companies competing on design and usability, now is the time to think about how we use and evolve UI patterns and scale design systems. What You'll Learn Produce intuitive products through consistency and familiarity. Save time instead of starting from scratch. Communicate design decisions with evidence to support solutions. Use smart defaults without extensive product design experience. Improve a user's experience. Scale growing business with design. Who This Book Is For Those familiar with creating websites and want to learn more, WordPress bloggers, or marketers who want to weave components together into a usable, revenue-generating experience.

Praise for *How to Blog for Profit*: *How to Blog for Profit* is hands down the best blogging book I've ever read. I cannot recommend it highly enough and will be telling every new and seasoned blogger I know to get a copy! This book is comprehensive, but not overwhelming, and packed with amazing information. And I don't say that lightly. You see, by implementing the Pinterest strategies that Ruth suggests in her book, I have increased my site traffic by over 500,000 unique visitors per month. For real. Ruth is brilliant! What more can I say?! -Crystal Paine @ Money Saving Mom After a year and a half of blogging as a hobby, I decided to launch a second blog with the goal of making a profit. Ruth did an excellent job addressing all of the questions I had, including the ones that came up as I navigated through my new blogging journey. By implementing the strategies and action plans in Ruth's eBook, I was able to surpass my one-year blog traffic goal within 3 months from launching my blog. Not only that, I was also able to earn an income within 2 months! Today, my blog traffic and income continue to steadily grow. If you are serious about monetizing your blog, Ruth provides you with the necessary tools to yield tangible results. Jesenia Montanez @ The Latina Homemaker No blogging for profit book has made the difference to me and my blog like this one. If you only read ONE of these subject books - LET IT BE THIS BOOK!!! After finishing the book, my blog is totally getting revamped, I have the excitement for it again, and now my whole direction has changed to not only help me become more profitable, but also for me to get back to ENJOYING what I do, which is really the best part! -Danielle @ Busy Moms Helper As a new blogger, I have been wanting a conversation--a seasoned blogger to talk to me about the most popular ways to monetize my blog, the pros and cons of each of them, and give me realistic tips and goals to reach my future goal. Ruth did all of this. She has such a fantastic writing style that you feel like you are sitting down with her over a cup of coffee. The material is easy to navigate, covering the importance of good content before anything else, Pinterest, media kits, reviews, ads, and a whole lot more. Ruth is incredibly level-headed in her approach to monetizing her blog and truly believes and promotes that a blog full of good ideas, content and writing must come first. My favorite part is that every chapter ends with a plan of action which is great if you are truly looking to improve your blog. I can't wait to put her tips and ideas into action and watch my blog grow! -Maggie @ The Love Nerds

The Opposite of Hate Sally Kohn, 2018-04-10 "A stunning debut by a truly gifted writer—an eye-opening read for both liberals and conservatives—and it could not come at a better time."—Adam Grant, New York Times bestselling author of *Option B*, with Sheryl Sandberg What is the opposite of hate? As a progressive commentator on Fox News and now CNN, Sally Kohn has made a career out of bridging intractable political differences and learning how to talk respectfully with people whose views she disagrees with passionately. Her viral TED Talk on the need to practice emotional—rather than political—correctness sparked a new way of considering how often we amplify our differences and diminish our connections. But these days even famously “nice” Kohn finds herself wanting to breathe fire at her enemies. It was time, she decided, to look into the epidemic of hate all around us and learn how we can stop it. In *The Opposite of Hate*, Kohn talks to leading scientists and researchers and investigates the evolutionary and cultural roots of hate and how incivility can be a gateway to much worse. She travels to Rwanda, the Middle East, and across the United States, introducing us to former terrorists and white supremacists, and even some of her own Twitter trolls, drawing surprising lessons from dramatic and inspiring stories of those who left hate behind. As Kohn confronts her own shameful moments, whether it was back when she bullied a classmate or today when she harbors deep partisan resentment, she discovers, “The opposite of hate is the beautiful and powerful reality of how we are all fundamentally linked and equal as human beings. The opposite of hate is connection.” Sally Kohn’s engaging, fascinating, and often funny book will open your eyes and your heart.

Bye Felipe Alexandra Tweten, 2018-08-21 From the creator of the viral Instagram account comes an empowering guide to navigating the hazards and horrors of online dating. After one too many hostile dating app encounters, Alexandra Tweten set up the Instagram account @ByeFelipe, a place for women to protest the horrors of online dating, and to share stories and screenshots of their own experiences. Three years later, the account has become a forum where women can fight back against the men who have made them uncomfortable, scared, and embarrassed -- and to laugh at the appalling men they encounter. The name of Bye Felipe is a nod to the Bye Felicia meme, which Urban Dictionary defines as a cool dismissal of a noxious person. In that spirit, the book helps women navigate the perils that come with swiping right and provides practical steps to overcome the harassment rampant in the dating app ether. Blending humor, feminist theory, and solidarity, this field guide provides profiles of the worst types of guys (also known as Felipes) -- from the classic fat shamer to the mansplainer to the surprise sociopath -- answers questions like How do I react when a guy sends me a dic pic?, and gives women the tools they need to take control of their dating life. With stories, screenshots, and Riot Grrrl-esque

graphic art throughout, Bye Felipe empowers women to stand up for themselves and uphold the confidence and self-worth Felipes try so desperately to steal.

Left to Harm (An Adele Sharp Mystery–Book Fifteen) Blake Pierce, 2022-07-05 The #1 bestselling series! Can she enter the killer’s mind in time to save the next victim? Or will this case take a darker turn than even Adele could imagine? An action-packed mystery series of international intrigue and riveting suspense, LEFT TO LOATHE will leave you turning pages late into the night. Book #16 is also available!

Unnecessary Roughness Jose Baez, 2018-08-21 The New York Times bestseller: a revelatory inside story of the trial and final days of New England Patriots superstar Aaron Hernandez, by his attorney and New York Times bestselling author Jose Baez. When renowned defense attorney Jose Baez received a request for representation from Aaron Hernandez, the disgraced Patriots tight-end was already serving a life sentence for murder. Defending him in a second, double-murder trial seemed like a lost cause--but Baez accepted the challenge, and their partnership culminated in a dramatic courtroom victory, a race to contest his first conviction, and ultimately a tragedy, when Aaron took his own life days after his acquittal. This riveting, closely-observed account of Aaron's life and final year is the only book based on countless intimate conversations with Aaron, and told from the perspective of a true insider. Written with the support of Hernandez's fiancée, Unnecessary Roughness takes readers inside the high-profile trial, offering a dramatic retelling of the race to obtain key evidence that would exonerate Hernandez, and later play a critical role in appealing his first conviction. With revelations about Aaron's personal life that weren't shared at trial, and an exploration of the Chronic Traumatic Encephalopathy diagnosis revealed by his autopsy, Jose Baez's Unnecessary Roughness is a startling courtroom drama and an unexpected portrait of a fallen father, fiancé, and teammate.

The Predictive Casino - 2nd Edition Andrew Pearson, 2017-12-15 The Predictive Casino is a casino that utilizes the latest technological developments to connect with its customers to deliver an exceptional personalized experience that will keep them coming back. Today, technology such as AI, Machine Learning, Augmented Reality, facial recognition, IoT, Real-time stream processing, social media, and wearables are altering the Customer Experience (CX) landscape and casino operators need to jump aboard this fast moving technology or run the risk of being left out in the cold. The Predictive Casino reveals how these and other technologies can help shape the customer journey as well as provide insights into every facet of the business. The book details how the five types of analytics--descriptive, diagnostic, predictive, prescriptive, and edge analytics--affect not only the customer journey, but also just about every department in a casino operation. Facial recognition technology can spot a customer stepping onto a casino bus at the Macau/China border and that can set off alerts which will notify the necessary departments, where that is a host on the floor, a restaurant manager, a dealer, or even the hotel's GM should the player be a high-end VIP. A whole other sequence of events can get triggered as the player's favorite table is prepared, his favorite meal is cooked, and his or her Theo gets added to a real-time table games revenue management model that takes into account his personal play. Labor needs are also considered and alerts can be sent to the required or unneeded staff. An IoT connected casino can make its operations smart. Connected devices can help with inventory optimization, supply chain management, labor management, and waste management. With machine learning algorithms, data centers can be kept green and their energy use smart. For a casino operator, social media is no longer a vanity platform, but rather a place to both connect with current customers as well as court new ones. It is also a powerful branding channel that can be utilized to both understand a casino's position in the market, as well as a place to benchmark its position against its competitors. Today, technology moves at break-neck speed and it can offer the power of deep customer understanding and insight, but it also comes with a confusing variety of technology and technological terms--Big Data, Cognitive Computing, CX, Data Lakes, Hadoop, Kafka, Personalization, Spark, etc., etc. The Predictive Casino will help make sense of it all, so that a casino executive can cut through the confusing clutters of technological jargons and understand why a Spark-based real-time stream processing data stream might be preferable over a TIBCO Streambase one, or an even IBM InfoSphere one. Or maybe not. This book will help casino executives break through the technological clutter so that they can deliver an unrivaled customer experience to each and every patron coming through their doors.
